Dear County Superintendents of Schools:

First Apportionment for In-Person Instruction and Expanded Learning Opportunities Grants Fiscal Year 2020–21

This apportionment, in the amount of $3,278,722,085, is made from the General Fund pursuant to Section 2 of Assembly Bill (AB) 86 (Chapter 10, Statutes of 2021) in support of In-Person Instruction (IPI) and Expanded Learning Opportunities (ELO) Grants. The amounts paid in this apportionment reflect 50 percent of each eligible entity's estimated allocation for each grant calculated pursuant to California *Education Code (EC)* sections 43521(b) and 43521(c). Remaining funds will be released in August 2021.

General information about the IPI and ELO grants, including frequently asked questions and other program reporting requirements is available on the California Department of Education's (CDE's) COVID-19 Relief and School Reopening Grants web page at https://www.cde.ca.gov/ls/he/hn/covidreliefgrants.asp. Detailed calculations of each local educational agency's (LEA's) IPI and ELO Grant estimated allocation is available on the CDE's IPI and ELO Funding Results web page at https://www.cde.ca.gov/fg/fo/r14/ipielo20result.asp.

IPI Grants

The IPI Grants provide funding to support school districts, county offices of education (COEs) and classroom-based charter schools for any purpose consistent with providing in-person instruction for any pupil participating in in-person instruction, including, but not limited to, COVID-19 testing, cleaning and disinfection, personal protective equipment, ventilation and other schoolsite upgrades necessary for health and safety, salaries for certificated or classified employees providing in-person instruction or services, and social and mental health support services provided in conjunction with in-person instruction.

The estimated allocation for eligible entities is based proportionally on each LEA's Local Control Funding Formula (LCFF) entitlement as of the 2020–21 First Principal (P-1)

Apportionment. The final allocation will be based on each LEA's LCFF entitlement as of the 2020–21 Second Principal (P-2) Apportionment.

IPI Grants will be reduced by one percent for each calendared instructional day from April 1, to May 15, inclusive that an LEA does not offer in-person instruction for all required groups. IPI Grants will be forfeited if an LEA does not offer in-person instruction pursuant to *EC* Section 43521(c)(3) for all required groups by May 15, 2021, or if in-person instruction is not offered continuously through the end of the scheduled 2020–21 school year, unless otherwise ordered by a state or local health officer or due to a natural disaster. **An LEA is advised not to budget for IPI funding if it does not plan to offer in-person instruction by May 15th as funding will be adjusted in the second apportionment of IPI and ELO funds in August.**

Each LEA will need to certify compliance with the requirement to offer in-person instruction to the California Department of Education (CDE) by June 1, 2021. The certification form will be available by May 1, 2021 on the on CDE's COVID-19 Relief and School Reopening Grants web page at https://www.cde.ca.gov/ls/he/hn/covidreliefgrants.asp.

ELO Grants

ELO Grants are provided to school districts, COEs, charter schools and State Special Schools and shall be expended pursuant to *EC* Section 43522(b), for any of the following purposes: extending instructional learning time, accelerating progress to close learning gaps, integrated pupil supports, community learning hubs, supports for credit deficient pupils, additional academic services, and training for school staff. Pursuant to *EC* Section 43522(c), LEAs shall use at least 10 percent of the allocation generated from the proportional share of LCFF to hire paraprofessionals to provide supplemental instruction and support. This amount, based on the estimated ELO Grant, is identified on the allocation schedule available on CDE's IPI and ELO Funding Results web page at https://www.cde.ca.gov/fg/fo/r14/ipielo20result.asp.

Estimated allocations for eligible entities are based on $1,000 per homeless pupil enrolled in the 2020–21 fiscal year, $725 per unit of average daily attendance for State Special Schools, and remaining funds distributed proportionally based on LEAs LCFF entitlement as of the 2020–21 P-1 apportionment. Final allocations will be revised to reflect each LEA's LCFF entitlement as of the 2020–21 P-2 apportionment and final CALPADS data.

The ELO Grant Plan template available on CDE's COVID-19 Relief and School Reopening Grants web page at https://www.cde.ca.gov/ls/he/hn/covidreliefgrants.asp is a requirement for receiving an ELO Grant. The ELO Grant Plan must be adopted by the local governing board or body of the LEA at a public meeting on or before June 1, 2021, and pursuant to *EC* Section 43522(e)(1), submitted to the county office of education, the

chartering authority, or the CDE (if a COE or district in a single-district county), within five days of adoption, as applicable.

Annual Audit

Audit procedures for the IPI and ELO Grants will be added to the 2021–22 Guide for Annual Audits of K–12 Local Educational Agencies and State Compliance Reporting (Audit Guide) pursuant to *EC* Section 43523(a) to determine compliance with requirements for in-person instruction, use of funds, adoption of the plan, and submission of the final expenditure report.
