Notice of Apportionment for Direct Service and Alternative Payment Contractors

Fiscal Year 2020–21

The State Controller and State Treasurer are hereby notified that an apportionment has been made from the federal Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act of 2021 Child Care and Development Block Grant as provided by Assembly Bill (AB) 82 to direct service and alternative payment program contractors to provide a flat-rate one-time stipend amount of $525 per child enrolled in a subsidized childcare or state preschool program. This stipend may be used to support subsidized childcare providers and state preschool programs with COVID-19 pandemic relief, and, in the case of decreased enrollment or closures, to ensure that childcare providers and state preschool programs are able to remain open or reopen.

This apportionment schedule represents the second round of flat-rate one-time stipends being made pursuant to AB 82. This payment is being made to capture revisions made to subsidized child enrollment data for the November 2020 service period.

Summary of Apportionment (Invoice # 2021 CRRSA Stipend 2)	**Amount**
Schedule 6100-666-0890 5210037 (PCA 15555)	$3,025,260.00
Total Apportionment	$3,025,260.00

Warrants will be drawn on the State Treasury by the State Controller in favor of the direct service and alternative payment program contractors in amounts specified on the attached schedule.

I hereby certify that this is a true and correct statement of apportionment made by me as directed by law. I further certify that this apportionment is in accordance with all applicable provisions of the Budget Act, the California *Education Code*, *California Code of Regulations*, and the Constitution of the State of California pertaining to the particular appropriation cited in this document.
