Mrs. Ai-Huei Chang, Assistant Principal

Dear JFK Families,

Riding on the school bus is an exciting experience for our students. We strive to ensure that our students feel safe, experience joy, behave appropriately, and follow safety guidelines whenever they ride a school bus. Many of our students ride the bus to and from school, but all students ride the bus when traveling to and from a field trip. We enlist your support by asking you to read this agreement carefully with your child and that you review the guidelines listed below periodically throughout the school year.

At the John F. Kennedy School we focus on the social and emotional well-being of all of our students. Students will wait in their classrooms for their buses to arrive. An announcement will be made when each bus pulls up to the bus platform. Students in grades prekindergarten through first grade will be escorted to their bus from their classrooms. Students in grades two through five will be dismissed from their classroom when their bus is called over the loudspeaker. Once students arrive in the lobby, all students will be escorted out to the buses in a quiet and organized manner.

If your child rides a bus to and from school or on a field trip, he/she will need to understand and follow the guidelines. The guidelines and agreement are attached. We ask our parents and guardians to please read these with your child, discuss the guidelines together, and sign the agreement with your child. Please return the signed agreement to your child's teacher. We will keep the agreements on file as a reminder for students who may experience difficulty following the guidelines.

Every day, our bus drivers will provide our bus monitors with a report regarding behavior from the previous day. We will celebrate when our students demonstrate appropriate and positive behaviors.

Thank you for your ongoing support in encouraging our students to practice good manners and respectful behavior at all times.

Most sincerely,

Ron Gimondo
