INTRODUCTION

Villa Maria Academy is a Catholic Christian school which aims to teach the Gospel values, particularly stressing mutual respect for others. It is, then, of utmost importance that each member of the community possess the highest level of honor, integrity, and honesty.

Acknowledging that learning is a process, all at Villa Maria Academy—administration, faculty, parents and students—must value the process of learning. Any breach of academic integrity thwarts this educational process, compromises the bond of respect which must exist among the members of this school community, and violates the Gospel values on which the school rests.

Realizing that academic dishonesty is not always intentional, the school accepts its responsibility to educate her students regarding the standards of academic integrity. While the school strives to foster an atmosphere which insists on honesty as a basic value, it will respond justly and consistently to any act of academic dishonesty.

FACULTY RESPONSIBILITIES

Acknowledging the bond we have with our students, we, the faculty of VMA, guided by Gospel values, will:
