The same information will be highlighted on our website, Facebook and Instagram. We will send out an email with a convenient link to our parent consent survey for those on free and reduced lunch who have not filled out the form. This email will list the benefits their students will receive by submitting the form. It is our intention to make great efforts to add additional transportation during the summer for special camps etc. Our team is dedicated to getting every student to participate in Athletics and/or Activities. We will continue any effort it takes including personally walking parents through the process over the phone or in the main office of our High School.
