Public comments submitted by 6:00 p.m. on the day of the meeting will be read into the record. No public comments were submitted to be read into the record nor were there any members of the public wishing to address the Committee virtually.

## **6. Loma Linda territory transfer information only**

The information update was presented to review scheduling and related matters.

Interim Acting Secretary Mr. Mobley explained that for a reorganization by petition of certain local agencies, a preliminary public hearing must be held at a regular or a special meeting of the County Committee. Following this hearing, the committee must grant or deny the petition. If the petition is granted, a tentative recommendation must be adopted, following which the county committee must hold one or more public hearings in the area proposed for the reorganization. The Loma Linda City Council supports having all residents of Loma Linda be part of the Redlands Unified School District. The current Redlands Unified and Colton Joint Unified school district boundaries bisect the City of Loma Linda.

The School Services of California (SSC) has been contracted to gather information of the data from both districts. Gathering information takes two weeks and the analysis takes six to eight weeks, after which a public hearing will be held where the County Committee can take action at that time.

Chairman Willingham asked if Redlands and Loma Linda pertain to San Bernardino County or another county. Interim Acting Secretary Mr. Mobley answered that both cities are part of San Bernardino County.
