I am a representative of a private school that is located within the geographic boundaries of the St. Cloud Area School District 742. Please check the box that applies and sign below.

I affirm that I have had timely and meaningful consultation with the St. Cloud Area School District 742 regarding the following topics:

I was unable to attend the meeting but have received the packet of information covering the following topics. (A self-addressed envelope is enclosed.)

- the child find process and how parentally placed private school children suspected of having a disability can participate equitably, including how parents, teachers, and private school officials will be informed of the process;
- the consultation process among the school district, private school officials, and representatives of parents of parentally placed private school children with disabilities, including how the process will operate throughout the school year to ensure parentally placed private school children with disabilities identified through child find can meaningfully participate in special education and related services;
- how, where, and by whom special education services will be provided for parentally placed private school children with disabilities, including a discussion of types of services, including direct services and alternate service delivery mechanisms; and
- how, if the school district disagrees with the views of the private school officials on the provision of services or the types of services, whether provided directly or through contract, the school district will provide private school officials a written explanation of the reasons why the school district chose not to provide services directly or through a contract.
