Kingsbury Elementary School  
PBIS Team  
600 Cajon Street  
Redlands, CA 92373

Dear Kingsbury PBIS Team:

Redlands Coordinated Supports and Services would like to extend their congratulations to the team at Kingsbury Elementary School for their recognition by the California PBIS Coalition for the 2023-2024 school year. California PBIS oversees the statewide effort to implement a recognition system that acknowledges schools for implementing PBIS with fidelity to the national framework.

Based on CA PBIS's recognition framework, Kingsbury has moved from Silver recognition for the 2022-2023 school year to Gold recognition for the 2023-2024 school year. Your dedication and commitment to Kingsbury students, families, and community is a major contributor to educational excellence in Redlands Unified School District.

Our team looks forward to celebrating your team at their upcoming Ninth Annual San Bernardino County PBIS Showcase Celebration and the Superintendent's Awards Night this Fall.

Again, congratulations!

In partnership,

A handwritten signature in black ink, appearing to read "John Juniper".

John Juniper  
Program Specialist - District PBIS Lead, Redlands Unified School District
