## A message from Mrs Tomlinson...

I hope that you have all had a good week.

Year 6 were in fine form on Wednesday morning for their end of KS2 graduation ceremony. It was wonderful to see

so many parents in attendance and for them to be part of the celebrations. Our Year 6 graduation is always a grand affair and we

really do take the time to celebrate the achievements of the children. The children looked fabulous in their graduation gowns and, in between the awards being presented, they impressed their audience with some beautiful singing and instrumentals.

A number of the staff are feeling exhausted today after staying at school well after school hours so that the Year 6 pupils could enjoy a leavers' party. Again, we were absolutely delighted that so many children were able to attend and have a fun evening with their friends. In total this year, there are 21 different

secondary schools that the children are moving on to so these final days together are all about making memories.

You will have received your child's end of year report this afternoon which summarises the progress your child has made across this academic year and the targets that they need to work on as they enter their next school year. We hope that you find the report informative.

Please note that school finishes next Friday at 1:30pm. Pupils will be expected to wear school uniform as normal on this day as we leave the non-uniform option as a treat for Year 6 on their final day of primary school.

I am sure many of you will be watching the final of the European Football Championship on Sunday evening: I hope your nerves hold out and that the match doesn't go to penalties! Let's see if football is finally coming home or if Mr Paches and the Spanish members of our Lynch Hill community will be the ones feeling jubilant come Monday morning! As we recognise that so many children will want to stay up late to watch the match, we will do as we did back in July 2021 and enable children to have a softer start on Monday morning. Classes will be open from 8:30am but rather than registers closing at 8:45am, they will remain open until 10:00am. Fingers crossed for a great match on Sunday.

Please note, this will be the last newsletter for this academic year. Have a lovely weekend and see you next week.

*Lindsey Tomlinson*

### Something to try... connecting with others

We are ending our well-being year with easy suggestions to increase well-being and boost mood for all the family. This week, try and get in touch with someone you've been meaning to for a while, but haven't got round to. Send a text, do a video call, knock on a neighbour's door, maybe even write a letter or email! Reaching out to others benefits our own mental health, but also the well-being of the person we contact.

## The Cozy Reading Corner

At our school, we want to encourage reading across the whole of the school community – and that includes our parents and carers! This term we will continue with our book reviews from/for our children with occasional recommendations for books recommended for adult reading. This week we have a lovely handwritten review from Year 4

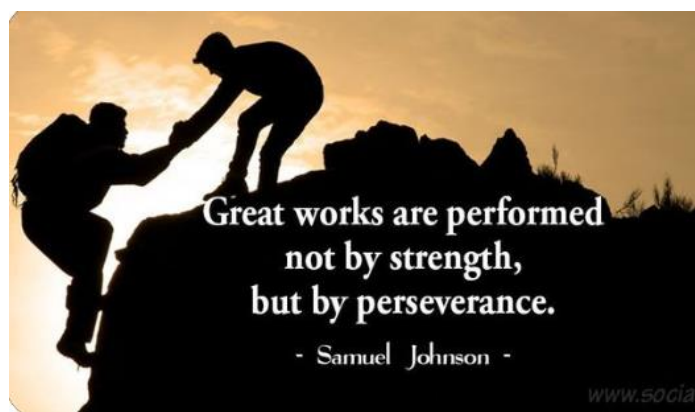

*Gargata Granny by David Williams*

There was a 9 year old boy called Ben. He lived with his two parents Ben liked plumbing but his parents liked dancing. Ben went to his granny's house every Friday so his parents don't watch dancing shows. One day, Ben saw that Granny had stolen many jewels but Granny said it wasn't possible. In his spare time, he studied all about how to steal them. Unfortunately, Granny realised she had got cancer but she didn't tell Ben. Ben and Granny went to steal the crown jewels but they got stopped before they could carry out their plans. Later on, Granny had passed away.

My favourite part is when Granny tries to be cool by pretending to be a gargata. The front cover is also very attractive. It also has different obstacles like when Granny has cancer. Ben is also very keen to steal but it is just because he likes gems. Granny should have told Ben that she had cancer so Ben wouldn't be too sad to see Granny pass away.

## Thought for the Week

This week our PRESENT focus has been PASSION

## Early Ears Club

What a great year we've had!

Our main focus has always been enjoyment, participation, teamwork and listening skills. We have learnt to play pulse and rhythm on a variety of percussion instruments as well as internalising rhythms. We've also focused a lot on music games: 'Jump Jim Joe', 'Let's be friends', 'Rhythm Robot', 'Don't clap this one back', and finding the hidden rhythms. They have really enjoyed 'chrome lab' for composition, pitches and rhythms. Some useful websites and Youtube channels for the holidays include: 'Chrome lab', Rhythm play alongs Mario, Musication. Looking forward to seeing you all again in September, and we hope to welcome some new faces." -Mrs Stoker

## Goodbye from Mrs Poole...

As mentioned in last week's newsletter, the wonderful Mrs Poole is retiring this summer after working at Lynch Hill since 1987! She wanted to share a few words before she leaves...

*I struggle to find the words to sum up 37 years at Lynch Hill but I am going to give it a try! My time at this school has been absolutely amazing, I am so grateful for the opportunities and experiences that I have had at LHS, but what will always stick out to me is the time that I have got to spend with the children. Working at a school isn't easy, it takes a lot of dedication and patience but seeing the children achieve their goals is what makes everything worth it. Over the years there have been a lot of sad times however the good times manage to outweigh them.*

*I wouldn't change a single thing about my time at Lynch Hill and I will sorely miss it!*

## The Summer Reading Challenge

This week Reception and KS1 were visited by staff from Slough Library Service. They spoke to the children about the resources they can access at the libraries in Slough. They also informed them about their Summer Reading Challenge and how by taking part they can gain rewards. This year it is all about getting creative. Music, junk-modelling, photography, dancing, story writing, the possibilities are endless. The children can discover new books, unlock rewards along the way and achieve something amazing this summer. To join in with the challenge the children need to be library members. This can be done online ([Libraries – Slough Borough Council](#)) or by visiting the library itself either in Britwell, Cippenham, Langley or at The Curve in Slough.

Children aged 4 and over can complete the challenge by enjoying six library books over the summer, collecting stickers and rewards along the way. Those that finish will be awarded a medal and certificate to mark their achievement. The challenge:

1. Presents reading as a fun and enjoyable activity

2. Encourages children to become lifelong book lovers
3. Helps prevent the trend for reading skills to dip over the summer holidays
4. Enhances and supports the school's reading initiatives.

The fun rewards motivate the children to progress through the challenge and it is inclusive to children of all abilities as they can choose any library books that appeal to them to count towards the challenge

## Sporting Success!

### Berkshire Boccia Final

On Tuesday, a small group of Year 5&6 children went to Braywick for the Boccia Finals. The team did an absolutely fantastic job and managed to come in 2<sup>nd</sup> place out of 5 schools. Miss Glover got to leave the office to accompany Mrs Kurton on the trip and was absolutely blown away by the level sportsmanship the children showed. They cheered each other on and worked their absolute hardest in each game. The group of children that went should be incredibly proud of themselves, it was an absolute pleasure to see them take part!

## Berkshire Quaddkids Athletics Final

On Tuesday 9th July, 10 children from years 5&6 competed in the Berkshire Finals QuadKids Athletics competition. The entire team was exceptional! We could have wished for better weather but I could not have wished that the children performed better. For some it was their last competition at Lynch Hill School, most of these children have been doing athletics with me for 4 years and they will be missed!

I am pleased to say that out of 12 other schools, our children came in 4th place, losing out to a medal by just 4 points!

Our athletics team do well because our team have strength and depth, they listen to coaching points, they always want to achieve to their highest ability, they are passionate, they are dedicated and most of all they are happy. – Mrs Jolly

## England's win over The Netherlands

by Skye Newell – Year 1

"I liked the first half of the England match. There were lots of injuries in the second half and my favourite bit was Kane scoring a penalty. Palmer came on and Pickford was doing well. The whole team was doing soooo well. They had a free kick and Virgil Van Dijk had a yellow card. Pickford came out of the goal, then Ollie Watkins scored. Come on England! Then, they just talked about the goal. In the morning, we were talking about the match and the goals. I am nervous about Sunday because I am playing football but I hope I can win like England!"

## A Right Royal Invitation (for Lynch Hill Primary Families Only!)

### Good morning from Windsor Castle

As part of our on-going aim to 'reach out' we are opening Pug Yard Learning Centre on Tuesday 27 August for a **Free Family Fun Day**.

This will be an entirely free day run entirely within the Learning Centre (no access to the castle.)

We have chosen your school's families to be invited.

I attach a link: <https://tickets.rct.uk/product/11/5474>

This is a ticketed event. Note, the event is not visible on our website and is **not open to the general public**.

## Summer Knights - Family Fun Day

Tuesday 27 August 2024

10:00 - 14:00

Booking is necessary. Note: no entry to The Castle (closed)

Booking link. <https://tickets.rct.uk/product/11/5474>

We extend an invitation to all Lynch Hill Primary families to join us this summer for our **free** Family Fun Day.

Children can enjoy some **creative crafting** at the Castle's Learning Centre and even make a memento to take away.

During the day there will be **Knights Wanted** workshops delivered by the Castle's very own page.

We will also have **armour and costume handling workshops** during the day for the children to dress up as historical characters.

Why not bring a **picnic** to enjoy and make a lovely day of it?
