General Personnel

5:50 Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being *on call* for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or impaired by or being under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law, 105 ILCS 5/22-33*. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a Board of Education meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. *School grounds* means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and

2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant,

or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name _____	Employee ID# _____ (Employee Social Security #)
Employer Name <u>Carbondale Community High School District #165</u>	Employer ID# <u>37-6003379</u>

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.

Illinois Withholding Allowance Worksheet

General Information

Use this worksheet as a guide to figure your total withholding allowances you may enter on your Form IL-W-4.

Complete Step 1.

Complete Step 2 if

- you (or your spouse) are age 65 or older or legally blind, or
- you wrote an amount on Line 4 of the Deductions and Adjustments Worksheet for federal Form W-4.

If you have more than one job or your spouse works, your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

You may reduce the number of allowances or request that your employer withhold an additional amount from your pay, which may help avoid having too little tax withheld.

Step 1: Figure your basic personal allowances (including allowances for dependents)

Check all that apply:

- No one else can claim me as a dependent.
- I can claim my spouse as a dependent.

- 1 Enter the total number of boxes you checked. 1 _____
- 2 Enter the number of dependents (other than you or your spouse) you will claim on your tax return. 2 _____
- 3 Add Lines 1 and 2. Enter the result. This is the total number of basic personal allowances to which you are **entitled**. You are not required to claim these allowances. The number of basic personal allowances that you choose to claim will determine how much money is withheld from your pay. See Line 4 for more information. 3 _____
- 4 Enter the total number of basic personal allowances you choose to claim on this line and Line 1 of Form IL-W-4 below. This number may not exceed the amount on Line 3 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld (deducted) from your pay. 4 _____

Step 2: Figure your additional allowances

Check all that apply:

- I am 65 or older.
- I am legally blind.
- My spouse is 65 or older.
- My spouse is legally blind.

- 5 Enter the total number of boxes you checked. 5 _____
- 6 Enter any amount that you reported on Line 4 of the Deductions and Adjustments Worksheet for federal Form W-4 plus any additional Illinois subtractions or deductions. 6 _____
- 7 Divide Line 6 by 1,000. Round to the nearest whole number. Enter the result on Line 7. 7 _____
- 8 Add Lines 5 and 7. Enter the result. This is the total number of additional allowances to which you are **entitled**. You are not required to claim these allowances. The number of additional allowances that you choose to claim will determine how much money is withheld from your pay. 8 _____
- 9 Enter the total number of additional allowances you elect to claim on Line 2 of Form IL-W-4, below. This number may not exceed the amount on Line 8 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld (deducted) from your pay. 9 _____

IMPORTANT: If you want to have additional amounts withheld from your pay, you may enter a dollar amount on Line 3 of Form IL-W-4 below. This amount will be deducted from your pay in addition to the amounts that are withheld as a result of the allowances you have claimed.

This form is authorized under the Illinois Income Tax Act. Disclosure of this information is required. Failure to provide information may result in this form not being processed and may result in a penalty.

Employer: Keep this certificate with your records. If you have referred the employee's federal certificate to the IRS and the IRS has notified you to disregard it, you may also be required to disregard this certificate. Even if you are not required to refer the employee's federal certificate to the IRS, you still may be required to refer this certificate to the Illinois Department of Revenue for inspection. See Illinois Income Tax Regulations 86 Ill. Adm. Code 100.7110.

Note: These instructions are written for employees to address withholding from wages. However, this form can also be completed and submitted to a payor if an agreement was made to voluntarily withhold Illinois Income tax from other (non-wage) Illinois income.

Who must complete Form IL-W-4?

If you are an employee, you must complete this form so your employer can withhold the correct amount of Illinois Income Tax from your pay. The amount withheld from your pay depends, in part, on the number of allowances you claim on this form.

Even if you claimed exemption from withholding on your federal Form W-4, U.S. Employee's Withholding Allowance Certificate, because you do not expect to owe any federal income tax, you may be required to have Illinois Income Tax withheld from your pay (see Publication 130, Who is Required to Withhold Illinois Income Tax). If you are claiming exempt status from Illinois withholding, you must check the exempt status box on Form IL-W-4 and sign and date the certificate. Do not complete Lines 1 through 3.

If you are a resident of Iowa, Kentucky, Michigan, or Wisconsin, or a military spouse, see Form W-5-NR, Employee's Statement of Nonresidence in Illinois, to determine if you are exempt.

Note If you do not file a completed Form IL-W-4 with your employer, if you fail to sign the form or to include all necessary information, or if you alter the form, your employer must withhold Illinois Income Tax on the entire amount of your compensation, without allowing any exemptions.

When must I submit this form?

You should complete this form and give it to your employer on or before the date you start work. You must submit Form IL-W-4 when Illinois Income Tax is required to be withheld from compensation that you receive as an employee. You may file a new Form IL-W-4 any time your withholding allowances increase. If the number of your claimed allowances decreases, you **must** file a new Form IL-W-4 within 10 days. However, the death of a spouse or a dependent does not affect your withholding allowances until the next tax year.

When does my Form IL-W-4 take effect?

If you do not already have a Form IL-W-4 on file with your employer, this form will be effective for the first payment of compensation made to you after this form

is filed. If you already have a Form IL-W-4 on file with this employer, your employer may allow any change you file on this form to become effective immediately, but is not required by law to change your withholding until the first payment of compensation is made to you after the first day of the next calendar quarter (that is, January 1, April 1, July 1, or October 1) that falls at least 30 days after the date you file the change with your employer.

Example: If you have a baby and file a new Form IL-W-4 with your employer to claim an additional allowance for the baby, your employer may immediately change the withholding for all future payments of compensation. However, if you file the new form on September 1, your employer does not have to change your withholding until the first payment of compensation is made to you after October 1. If you file the new form on September 2, your employer does not have to change your withholding until the first payment of compensation made to you after December 31.

How long is Form IL-W-4 valid?

Your Form IL-W-4 remains valid until a new form you have submitted takes effect or until your employer is required by the Department to disregard it. Your employer is required to disregard your Form IL-W-4 if

- you claim total exemption from Illinois Income Tax withholding, but you have not filed a federal Form W-4 claiming total exemption, or
- the Internal Revenue Service (IRS) has instructed your employer to disregard your federal Form W-4.

What is an "exemption"?

An "exemption" is a dollar amount on which you do not have to pay Illinois Income Tax that you may claim on your Illinois Income tax return.

What is an "allowance"?

The dollar amount that is exempt from Illinois Income Tax is based on the number of allowances you claim on this form. As an employee, you receive one allowance unless you are claimed as a dependent on another person's tax return (e.g., your parents claim you as a dependent on their tax return). If you are married, you may claim additional allowances for your spouse and any dependents that you are entitled to claim for federal income tax purposes. You also will receive additional allowances if you or your spouse are age 65 or older, or if you or your spouse are legally blind.

Note: For tax years beginning on or after January 1, 2017, the personal exemption allowance, and additional allowances if you or your spouse are age 65 or older, or if you or your spouse are legally blind, may **not** be claimed on your Form IL-1040 if your adjusted gross income for the taxable year exceeds \$500,000 for returns with a federal filing status of married filing jointly, or \$250,000 for all other returns. You may complete a new Form IL-W-4 to update your exemption amounts and increase your Illinois withholding.

How do I figure the correct number of allowances?

Complete the worksheet on the back of this page to figure the correct number of allowances you are entitled to claim. Give your completed Form IL-W-4 to your employer. Keep the worksheet for your records.

Note If you have more than one job or your spouse works, your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

How do I avoid underpaying my tax and owing a penalty?

You can avoid underpayment by reducing the number of allowances or requesting that your employer withhold an additional amount from your pay. Even if your withholding covers the tax you owe on your wages, if you have non-wage income that is taxable, such as interest on a bank account or dividends on an investment, you may have additional tax liability. If you owe more than \$500 tax at the end of the year, you may owe a late-payment penalty or will be required to make estimated tax payments. For additional information on penalties see Publication 103, Uniform Penalties and Interest. Visit our website at tax.illinois.gov to obtain a copy.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3.
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a.
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b.
c Add the amounts from lines 2a and 2b and enter the result on line 2c.
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld).

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income.
2 Enter: { \$27,700 if you're married filing jointly or a qualifying surviving spouse; \$20,800 if you're head of household; \$13,850 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-".
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information.
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4.
