**JOINT PROCLAMATION BY
YUBA COUNTY SUPERINTENDENT OF SCHOOLS
AND
YUBA COUNTY BOARD OF EDUCATION
HONORING DEBBIE LOCKWOOD
FOR DEDICATED SERVICE**

WHEREAS, Debbie Lockwood began her employment with YCOE in October 1985, and after 38 years of exemplary service is retiring from her position as Program Secretary.

WHEREAS, Debbie's career began as a paraeducator at Virginia School supporting preschool children with moderate to severe disabilities, she confidently implemented daily lesson plans that addressed all areas of student needs seamlessly and cooperatively with all staff in the program. Her insight and observations were extremely valuable in helping to determine "next steps" for each child. Debbie found her "why" with students receiving special education services early on in her career; and

WHEREAS, Debbie applied and was hired as a program secretary in 2002, she moved out of the classroom and into the main office to provide a wider net of support to students, families and YCOE staff. She applied her well-honed organizational skills and added secretarial and technology skills to provide behind the scenes support to multiple YCOE administrators, including program specialists, principals, Directors of Special Education and SELPA Directors as the needs grew. In this role Debbie took on a variety of tasks including taking detailed minutes at SELPA Superintendents'/Operations Governance Council meetings, learning and adhering to the requirements of Roberts Rules of Order in these meetings and completing and distribution of approved minutes in a timely manner; and

WHEREAS, Debbie's proofreading and grammar skills are remarkable as is her ability to assist in the development of tracking systems and forms. She has created flyers and material packets for countless SELPA and YCOE trainings, set up filing systems to house student records, created and maintained records of low incidence equipment purchases and locations while attending trainings to stay abreast of new state and local reporting requirements and regulations. She also learned and implemented various student management and reporting systems during her tenure including CASEMIS, AERIES and SEIS; and

WHEREAS, Debbie has accumulated a vast historical knowledge of the YCOE programs procedures and policies and she shares that information with new staff in clear and practical ways. She willingly assists anyone in the organization from helping to laminate materials to fixing a jammed copier to pulling together workshop handouts, sign in sheets and setting up and cleaning up at trainings. Debbie took the lead in developing procedures for a smooth transition of student files to district and YCOE programs as student age into new programs and created checklists to ensure deadlines are not overlooked or missed;

WHEREAS, Debbie has demonstrated that she is a master of juggling and balancing the needs of many and her support to individual administrators contributed to the success of their programs. Her ability to look at the big picture while still attending to the minute details of any specific project is exemplary. Most of all, Debbie never lost sight of what was most important, her passion for doing what is right for kids and has been recognized and greatly appreciated by those who have had the privilege of working alongside her as an Employee of the Month and an Educator Who Makes a Difference.

NOW, THEREFORE BE IT PROCLAIMED, the Yuba County Superintendent of Schools and the Yuba County Board of Education does hereby issue this proclamation with gratitude and indebtedness to Debbie Lockwood on this eighth day of May, two thousand and twenty four, and presented to her as a symbol of honor, admiration and respect.

The County Board of Education shall consist of five members whose terms shall be staggered so that, as nearly as practicable, one half of the members shall be elected at each regular County Board election. (Education Code 1000, 1007)

Election procedures shall be followed in accordance with state and federal law.

Board Member Qualifications

Any person other than the County Superintendent of Schools, a member of the county office of education (COE) staff, or an employee of a school district that is within the jurisdiction of the County Board is eligible to be a member of the County Board if that person is an elector of the trustee area to be represented and is not legally disqualified from holding civil office. (Education Code 1000, 1006)

Any person who has been convicted of a felony involving the giving, accepting, or offering of a bribe, embezzlement or theft of public funds, extortion, perjury, or conspiracy to commit any such crime, under California law or the law of another state, the United States of America, or another country, is not eligible to be a candidate for office or be elected as a County Board member unless granted a pardon in accordance with law. (Elections Code 20)

The County Board encourages all candidates to become knowledgeable about the role of the County Board. Upon request, all candidates shall be provided with information that will enable them to understand the responsibilities and expectations of being a County Board member, including information regarding available workshops, seminars, and/or training, the county election official's contact information, and general information about school programs, COE operations, and County Board responsibilities.

Election Date

The election of County Board members shall be held on the first Tuesday after the first Monday in November of each odd-numbered year. (Elections Code 1302)

Term of Office

The term of office for members elected in regular elections shall be four years, commencing on the second Friday in December following their election. (Education Code 1007, 5017)

A member whose term has expired shall continue to discharge the duties of the office until a successor has qualified by taking the oath of office. (Government Code 1302, 1360)

Campaign Conduct

All candidates, including current County Board members running as incumbents, shall abide by local, state, and federal requirements regarding campaign donations, funding, and expenditures.

No candidate shall expend or accept any public money for the purpose of seeking elective office, unless the COE has established a dedicated fund for those seeking election to the County Board and such funds are available to all qualified candidates without regard to incumbency or political preference. (Government Code 85300)

In order to help protect the public's trust in the electoral process as well as the public's confidence in the County Board and the COE, the County Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440.

Statement of Qualifications

On the 125th day prior to the day fixed for the general election, the County Board secretary or designee shall deliver a notice, bearing the secretary's signature and seal, to the county elections official describing the following: (Elections Code 10509)

1. The elective offices of the County Board to be filled at the general election and which offices, if any, are for the balance of an unexpired term

Candidates for the County Board may submit a candidate statement to the election's official for inclusion in the voter's pamphlet.

When the elections official allows for the electronic distribution of candidate statements, a candidate for the County Board may, in addition to or instead of submitting a candidate statement for inclusion in the mailed voter's pamphlet, prepare and submit a candidate statement for electronic distribution.

The County Board shall assume no part of the cost of printing, handling, translating, mailing, or electronically distributing candidate statements filed pursuant to Elections Code 13307. As a condition of having candidate statements included in the voter's pamphlet, the County Board may require candidates to pay their estimated pro rata share of these costs to the County Board in advance pursuant to Elections Code 13307.

Tie Votes in Board Member Elections

Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the County Board, the County Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the County Board. At that time the County Board shall determine the winner by lot. (Education Code 5016)
