Purpose

The facility administrator is required to request an annual review of each required element of the facility's education program by the Superintendent of Schools. A report or review checklist on compliance, deficiencies, and corrective action needed to achieve compliance with this section must be provided to the facility administrator.

The Superintendent of Schools shall conduct this review in conjunction with a qualified outside agency or individual. It is important to note that the regulation prohibits the Superintendent of Schools from delegating this review to the principal or any staff of a juvenile court school site; the intent of this regulation is that an independent third-party review is conducted.

Upon receipt of the review, the facility administrator or designee shall review each item with the Superintendent of Schools and shall take whatever corrective action is necessary to address each deficiency and to fully protect the educational interests of all youth in the facility.

Instructions

To complete the review, assess each element listed in the checklists and document the findings in the "comments" section. Columns in the checklist identify compliance as "Yes", "No", or "N/A" (not applicable). When the evaluator assessing the education program "checks" a column to indicate that the facility is out of compliance with all or part of a regulation, or indicates that all or part of a regulation is not applicable, a brief explanation is required in the comments section. This explanation is critical; it assists both the BSCC and facility staff in understanding the rationale for the decision and highlights what needs correction. **Policies and procedures must be written and implemented to be in compliance.**

Education program evaluators may elect to assess areas that are not covered by the inspection checklists. If this is done, the additional issues must be clearly delineated on a separate sheet to maintain their distinction from the BSCC Title 15 checklist. For information purposes, this additional sheet should be attached and distributed with the checklist.

Checklists and regulations are available on the BSCC website (http://www.bscc.ca.gov/s_fsoresources). Please contact the BSCC Field Representative assigned to your county at the number below or through e-mail access on the web site.
