## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

The Yuba County Office of Education provides a full range of educational supports and services to meet the needs of students in our Community School. Thomas E. Mathews Community School serves students in grade 7-12 and is located in Marysville. TEM provides an alternative learning community for students that are court ordered to the program, Probation referred through our RESTORE Program, expelled from local school districts, or on SARB contracts.

Thomas E. Mathews' primary goal is to support all our students to achieve in their academics, behaviors, social and emotional learning, college and career readiness, and ultimately, successfully transition as TEM graduates or back to their school of residency. We focus on creating an engaging learning atmosphere, while remedying credit deficiencies and mitigating existing barriers to learning. Through our collaborative efforts focused on student Individual Learning Plans (ILP), school staff work with County support staff, parents, and students to provide interventions and supports to our students to reach their goals. The ILP is monitored by the Intervention teacher, classroom teachers, and administration and is reviewed with the student, to monitor progress towards meeting goals. Special Education services are provided by classroom teachers under the guidance of a special education teacher who collaborates with teaching staff and the student, in accordance with their Individual Education Plan.

TEM provides a tiered system of supports and interventions, utilizing the Multi-tiered system of Supports (MTSS) model to meet individual student goals. TEM uses Positive Behavior Intervention and Supports (PBIS) to share our core values with our students and support every student to succeed. PBIS is part of our ILP system and each student and parent receives a handbook outlining our core values and expectations. Parents are encouraged to use PBIS at home to help motivate students. PBIS posters demonstrate our core values and expectations are posted throughout the school to remind, support, and encourage our students to achieve. We have two support rooms dedicated to our PBIS system. Our PRIDE room is staffed by an Intervention teacher and provides small group instructional support and Tier 2 and 3 supports to our students who need it. We also have our PANTHER Den where students receive Tier 3 County and outside agency support and services such as counseling, restorative practices, college and career readiness support, mentoring, homeless support, foster youth support, and probation follow-ups. The school's culture is dedicated to student achievement.

**VISION**  
At TEM and Carden Schools we are committed to demonstrating the value of a quality education for our students, parents, and

## 2023-24 School Description and Mission Statement

community. TEM creates a safe, nurturing, and restorative educational experience by providing a classroom culture that values education.

### MISSION

Our mission is to provide students with individualized learning plans to enhance their academic, behavioral, and social emotional needs. Students discover multiple pathways for college and career readiness as they meet their personal goals.

### 2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 7	1
Grade 8	6
Grade 9	21
Grade 10	9
Grade 11	7
Grade 12	4
<b>Total Enrollment</b>	<b>48</b>

### 2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	31.3%
Male	68.8%
American Indian or Alaska Native	2.1%
Asian	4.2%
Black or African American	8.3%
Hispanic or Latino	50%
Two or More Races	2.1%
White	33.3%
English Learners	18.8%
Foster Youth	2.1%
Homeless	18.8%
Socioeconomically Disadvantaged	97.9%
Students with Disabilities	31.3%

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

<b>Total Teaching Positions</b>	2.00	100.00	48.40	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	0.50	19.06	16.30	36.50	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	1.50	2.30
<b>Total Out-of-Field Teachers</b>	1.50	2.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	0	0	15	15	47	46
<b>Mathematics</b> (grades 3-8 and 11)	0	0	3	9	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Opportunities for Parental Involvement:

Parents are an integral part of the school community at Thomas E. Mathews and are actively involved in school decisions, student intervention and supports, and our students' and school's overall success. Parents are invited and encouraged to participate in our School Plan for Student Achievement (SPSA) development process to help our program identify equity gaps in our systems and make positive change for our students. Parents are involved as both participants and members of our School Site Council (SSC), which meets bi-monthly, to collaborate on our SPSA. We encourage active participation by reaching out to parents by posting our SSC agenda on site and using our AERIES online student information system for phone calls, texts, and mail. During the SSC, we collaborate with our parents to review key indicators identified by the California Department of Education to review student and school data to identify equity gaps. Parents play an active role in providing input and, as voting members on the SSC, are part of the decision making process.

One of the most important roles parents are involved in at Thomas E. Mathews is our student supports and interventions systems. Thomas E. Mathews Community School is committed to our students' academic, behavioral, social/emotional learning, and career/college readiness growth. To that end, we have instituted our Individual Learning Plans (ILP). Our ILP process is a joint effort with TEM and YCOE staff, parents and students. The ILP provides a pathway to graduation for all students by counseling students and parents on our graduation requirements, credit review, and appropriate enrollment in classes leading to timely graduation. The ILP supports students throughout the process by providing academic support and interventions in accordance with our students' IEPs, as applicable. Using baseline-testing scores in reading and math, staff set up and record student progress towards mastery of state standards. Staff also review class and credit progress with students to encourage engagement and identify barriers to learning and engagement. Staff work with parents by providing updates on student progress and encouraging parents to use positive behavior interventions and supports at home with students to encourage them to engage in their educational programs. Students and parents are invited to ILP meetings throughout the school year to participate in their students' success. In summary, TEM provides multiple opportunities to our parents to get involved in the success of our school and our students by actively participating in decision making processes through our SSC and supporting students through our ILP system.

## Professional Development

Thomas E. Mathews dedicates a large portion of our professional development to responses to interventions and support. The areas of focus are on our Multi-tiered System of Support (MTSS) for behaviors and social emotional learning. Our trainings focus on Positive Behavior Intervention and Supports (PBIS), Crisis Prevention, Restorative Practices, Restorative Justice, Trauma Informed Practices, and social emotional learning. Every week a minimum day is dedicated towards staff professional development. We also meet monthly for PBIS meetings to review data, goals, and outcomes. Full and half day professional

## Professional Development

development is offered throughout the school year by providing substitutes for teachers. These trainings cover course scope and sequence development, content area essential standard development, lesson plan development, and other course specific content as identified by staff and administration.

Additionally, staff and administration meet every day after school where we collaborate and provide support to teachers and staff during implementation of our systems. Through our meetings, we share data, best practices, provide peer-to-peer mentoring, administration to staff mentoring, and share our experiences. The collaboration allows us to learn from each other and become more proficient at supporting our students.

Staff development offered at both Thomas E Mathews and Harry P B Carden are open to certificated and classified staff from both sites. Therefore, the number of staff development days may be in excess of the number of weeks school is in session.

This table displays the number of school days dedicated to staff development and continuous improvement.
