

**Naviance** is a student-facing platform that includes assessments, college and career searches, planning tools, a resume builder, and more. Using these tools, students can answer questions about their future, such as: Who am I? What do I want to be? How will I get there? How will I succeed?

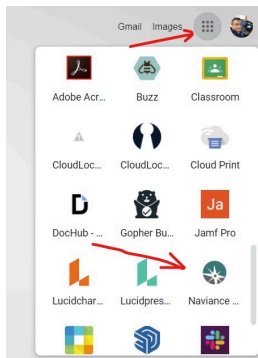

You can begin to answer these questions by exploring the following Naviance tools:

- Career Planning
- College Planning
- Self-Discovery
- Success Planning
- Senior College Application tools (letters of recommendation, transcripts and other college related processes must be done using Naviance)

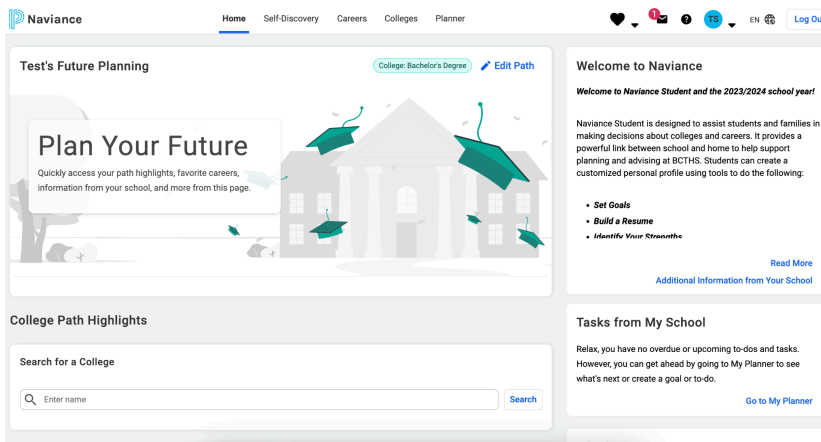

\*Counselors will provide Naviance classroom presentations to all Freshmen, Sophomores and Juniors.\*

### Naviance Student Login:

1. Log into your BCTHS Google account
2. Click on the waffle menu (top right) then select the Naviance icon

If done correctly, you will be here:

\*If you have any questions accessing or using the platform, please reach out to your counselor.\*
