Dear Students and Parents:

Welcome to Golden Panther Territory! We hope this letter finds you enjoying the summer and that you and your families are well. The faculty, staff, and administration of Pequannock Township High School are looking forward to meeting the PTHS Class of 2028 and new students to the district as we prepare for the 2024-2025 school year. Whether it is your first year of high school or you are joining us from a new school, becoming part of the Golden Panther community is an important step in preparing for your future.

In order to assist in the transition to Pequannock Township High School, we will be hosting our annual *Grade 9 and New Student Orientation Program* from **8:30 am -11:00 am on Wednesday, August 28th.**

As a new student at PTHS, you are bound to have many questions. This orientation is designed to help you uncover the answers to the questions you have while providing you with information about the PTHS schedule, school resources, programs and services. The goal of orientation is to get you excited and proud to be attending PTHS in September.

During orientation, you will have the opportunity to meet the PTHS administration, guidance counselors, and Peer Leaders, as well as some teachers and PTHS students. Most importantly, you will get a tour of the building and learn where your locker and classes are located.

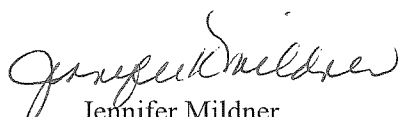

Please do not bring any items that will not fit in your pockets (purses, backpacks, etc.) as we will be moving around the building participating in a number of activities. Upon arrival, students will enter the Auditorium; from there the remainder of the schedule will be explained to you.

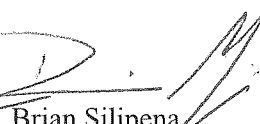

Parents are encouraged to attend their own orientation to the high school that evening, **Wednesday, August 28th at 7:00 pm in the PTHS Auditorium.** The high school administration will present an overview of the new schedule, academic programs, athletics and student services and will be available for parent questions following the program. Peer Leaders will also be providing tours of the building for new parents. The program will be recorded and posted to our school's YouTube channel if you cannot attend.

We look forward to seeing you at orientation and welcoming you to the Pequannock Township High School family. We ask that students please complete the attached Google Form, <https://forms.gle/zegbxAgPJ9kibZrB9> to confirm your attendance at the student orientation. If you have any questions in advance, please do not hesitate to contact us.

Sincerely,
