## **ARTICLE VI: GRIEVANCE PROCEDURE**

### **SECTION 1 - Definition**

A grievance is defined as a dispute or disagreement between an employee covered hereunder and the Employer as to the interpretation or application of terms and provisions of this Agreement.

### **SECTION 2 - Days and Time Limits**

Reference to days regarding time periods shall refer to workdays.

In computing any period of time prescribed or allowed by the procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted unless it is a Saturday, Sunday or legal holiday in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

### **SECTION 3 - Time and Waiver**

Grievances shall not be valid for consideration under the procedures set forth herein unless the grievance is submitted in writing to the School Board's designee setting forth the facts and the specific provision of the Agreement allegedly violated, and the particular relief sought, within twenty-five (25) days after the date giving rise to the grievance. Said grievance shall be signed and dated by the administrator involved. Failure to file a grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereinafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust the alleged grievance informally between the information systems professional and the Employer's designee.

### **SECTION 4**

The Employer, the Association, and the Information Systems Professional shall adjust grievances in the following manner:

Subd. 1. Level I: Informal Discussion: Before a written grievance is submitted, informal discussions shall take place between the aggrieved party and the supervisor. Through these discussions the parties shall attempt to resolve the problem. If the grievance is not resolved, the Information Systems Professional may request in writing a Level II grievance hearing with the Superintendent or the Superintendent's designee.

Subd. 2. Level II: Superintendent or Designee: If the grievance is not resolved through informal discussions between the Information Systems Professional and the Superintendent of Schools or the Superintendent's designee, the Superintendent or the Superintendent's designee shall issue a written decision on the grievance. Said written decision shall be issued within ten (10) days after the informal discussions have terminated.

Subd. 3. Level III: School Board: In the event the grievance is not resolved at Level II, the decision rendered by the Superintendent may be appealed to the School Board, provided such appeal is made in writing within five (5) days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set forth a time to hear the grievance. Said hearing shall be scheduled within thirty (30) days of receipt of the appeal. Within ten (10) days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option

of the School Board, a committee or representative(s) of the Board may be designated by the Board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

**SECTION 5 - Arbitration Procedure - Level IV**

In the event the Information Systems Professional and the School Board are unable to resolve a grievance, the Association may submit the grievance to arbitration as provided herein.

A request to submit a grievance to arbitration must be in writing signed by the aggrieved information systems professional, and such request must be filed in the office of the Superintendent within ten (10) days following the date of the decision at Level III of the grievance procedure. A request for arbitration must set forth the issue(s) to be arbitrated and the provision of the agreement involved.

The Employer and the Association shall, within five (5) days after the filing of the request for arbitration, schedule a meeting at which time they shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the Employer and the Association are unable to agree on an arbitrator, either party may request the Bureau of Mediation Services (BMS) to provide a list of arbitrators pursuant to Minn. Stat. 179A.21 and the selection of the arbitrator shall proceed as provided for therein. Such request must be made within five (5) days following the above meeting.

**SECTION 6 - Jurisdiction**

The arbitrator shall only have jurisdiction over grievances as defined herein and as to such grievances properly brought before the arbitrator and only pursuant to the terms of this procedure.

The arbitrator shall not have the power to add to, subtract from, or otherwise modify in any way the terms of this procedure.

The decision of the arbitrator shall be final and binding upon both parties. The arbitrator's decision shall be delivered to the parties and a copy shall be filed with the Bureau of Mediation Services, State of Minnesota.

**SECTION 7 - Representation**

The information systems professional or Employer may be represented at any step of the procedure by any person or agent designated by such party to act on behalf of such party.

**SECTION 8 - Fees and Expenses**

The fees and expenses of an arbitrator shall be paid equally by the parties. Each party shall be responsible for its own costs and expenses incurred following the procedures set forth in this Article.

**ARTICLE VII: PAID HOLIDAYS**

There shall be thirteen (13) holidays per year as listed below. If school is in session on any of these days, holidays shall be taken on a day mutually agreed upon by the Superintendent and the Association. Subd. 2. When an employee requests time off to pursue formal training for licensure purposes which will consume more than half of the work day, it is considered a short-term leave of absence request which is taken to the Board of Education for action. In this latter case, a combination of paid leave and unpaid leave (or vacation leave) may be recommended.

**SECTION 2**

The Employer recognizes the value of continuing training and personnel development to both the School District and the employee. Any change by the IRS in its approved rate per mile shall become effective for mileage incurred commencing the month the new rate is announced.

Subd. 2. When the assigned responsibilities take the employee away from the normal situation for school business purposes, the District will reimburse that employee for authorized meals, parking, registration fees and school business telephone calls at actual cost.

Subd. 3. A verified account shall be submitted promptly to substantiate requests for expense reimbursements.

The accrual rate shall increase from 1.6 days per month to 2.08 days per month, beginning with the July following the completion of 15 years of full time service, as indicated above.

Employees in Levels I-VII who were previously employed by the District shall begin accruing vacation at the rate of 2.08 days per month as defined above or beginning with the earlier of:

- a. The completion of 20 years of District employment; or
- b. The completion of 15 years of MISA employment

**Subd. 1.** The District needs for information systems personnel availability and personal desires of the information systems professional shall be taken into consideration in planning duty days and vacation days; however, scheduling of duty days and vacation shall be within the discretion of the District.

The employee may accrue vacation up to a maximum of 40 days.

**Subd. 2.** When an information systems professional resigns effective at the end of the fiscal year period and has met other terms of employment, the District will provide regular pay in lieu of vacation days off if the District finds it difficult to provide for early release, up to a maximum of 40 days.

**Subd. 3.** If an information systems professional requests release from employment before the end of a fiscal year period, or if the information systems professional has not met terms of employment at the time of resignation, the District may provide regular pay in lieu of vacation days earned at the time of departure, up to a maximum of 40 days.

## **SECTION 4**

The Employer agrees to reimburse employees at the daily compensation rate for four (4) unused vacation days provided the employee has 40 days of accumulated vacation leave as of April 30 remaining after reimbursement. For the purposes of this Article, the daily compensation rate shall be

calculated by dividing the employee's annual salary by 260. The funds will be paid directly to the employee via payroll on or after July 1 of each year.

## **ARTICLE XI: LEAVES**

### **SECTION 1 - Sick Leave**

**Subd. 1.** Each employee in the District shall be granted one (1) day of "sick leave" per month. This sick leave shall be termed "accrued" sick leave.

**Subd. 2.** Each employee upon employment by the District shall be granted forty-five (45) days of leave which shall be reserved for use in cases of long-term illness only, and which shall remain as "reserved leave" during the first and second year of employment. "Long term" shall be defined as any illness extending for more than fifteen (15) consecutive working days.

**Subd. 3.** Upon entering the third year of employment the long-term (reserved) "sick leave" shall become available as "accrued sick leave" and may be used as the need arises. During any one period of absence, employees shall be permitted to use their total accrued sick leave for the long-term disability (LTD) elimination period of 90 calendar days or up to 65 days of the employee's total accrued sick leave, whichever comes first.

**Subd. 4.** Sick leave with pay shall be allowed by the Employer whenever an employee's absence is due to an illness or physical disability of the employee which prevented the employee's attendance at the employee's place of work and performance of duties on that day or days.

**Subd. 5.** In the event the illness or physical disability is one that can be predicted before its commencement, such as by way of example, but not limitation, elective surgery or pregnancy, the employee shall inform the Employer in writing no later than three (3) months prior to the contemplated starting date of the illness or physical disability, or as soon as the contemplated illness or disability is known, whichever occurs first.

**Subd. 6.**

The Employer may require an employee to furnish a medical certificate from the School Health Officer or from a qualified physician as evidence of illness during an extended absence or as the result of an unusual or abnormal pattern of absences in order to qualify for sick leave pay. In the event a medical certificate is required, the employee will be so advised.
- b. In individual cases, the Employer shall have the right to require that the employee be examined by a physician of the Employer's choice and at the Employer's expense. In such cases, the medical conclusion of this physician as to the beginning and ending of actual illness or physical disability shall be binding on the parties and conclusive as to the commencement and return dates of the employee and the employee's entitlement to sick pay under this section, unless the employee shall inform the Employer the physician's statement is unacceptable within three (3) days of receipt of the physician's statement.
- c. In the event the employee has submitted to such examination, the employee has properly informed the Employer the physician's statement is unacceptable to the

employee, the employee shall select a physician competent in the field related to the employee's illness or physical disability from a list of three provided by the Employer. The examination shall be at a time and place designated by the Employer. The employee shall be responsible for the physician's expense unless the physician's medical conclusions are essentially different from those of the Employer's at the expense of the Employer. Upon request, a copy of the report of the physician shall be furnished to the employee. The medical conclusions of this physician as to the beginning and ending of actual illness or physical disability shall be binding upon the parties and conclusive as to the commencement and return dates and any entitlement to sick pay under this section.

**Subd. 7. Reimbursement for Unused Sick Leave**

As of the end of each fiscal year, the MISA member will be reimbursed for four (4) days of unused sick leave per year. To qualify for reimbursement, the employee's accrued basic leave must total at least 65 days as of April. The reimbursement will be paid directly to the employee via payroll on or before July 1 of each year. For the purposes of this Article, the daily rate shall be calculated by dividing the employee's annual salary by 260.

**SECTION 2 - Death or Serious Illness Leave**

**Subd. 1.** Leaves of absence without salary deductions will be granted for deaths, funerals, or serious illness where life is in peril in the employee's family pursuant to the rules of this section. Requests must be made to the Superintendent for leaves under this provision.

**Subd. 4.** Up to one (1) day may be allowed in case of death or serious illness of any other relative or close friend.

**Subd. 5.** Additional leave may be allowed under this section at the discretion of the Superintendent and may be deducted from sick leave.

**SECTION 3 - Personal Leave**

**Subd. 1.** Upon request to the Superintendent or designee, one (1) day of personal leave per year may be granted without salary deduction.

**Subd. 2.** This day of leave shall not be used when other sections of this policy make provision for the absence.

**SECTION 4 - Other Extended Leaves**

**Subd. 1.** An employee may apply for a paid or unpaid leave of absence for any reason not covered under other Articles of this Agreement. Advanced study, fellowship, teaching abroad, travel specialized employment, government education programs, exchange programs, adoption leave, personal problems leave and family illness are examples of other long and short term leaves.

Subd. 2. An application for a leave of absence under this section shall be made in writing to the Superintendent of Schools, setting forth the reason for the requested leave. No such leave shall be granted unless expressly authorized by the School Board in writing.

In considering such leave request, the School Board will give consideration to factors as provided by School Board policy.

Subd. 3. Leaves of absence required by law will be granted according to the provisions of the law.

Subd. 4. If an employee is granted a leave under this Article, the employee shall not be eligible for any of the fringe benefits provided for in this Agreement, nor for any pay during said leave except as may be agreed upon in writing by the School Board at the time the leave is granted.

Subd. 5. In the event a leave is granted under this Article, the employee shall retain such amount of sick leave days and other accrued benefits including experience credit, as the employee had accrued prior to the leave, for use upon the employee's return. No accrual of leave, experience credit, or accrual for any other purpose shall take place during the time the employee is on such leave unless the School Board has expressly provided for such in writing at the time of granting the leave.

Subd. 6. Employees on leave shall notify the Superintendent of their intention to return as may be required by the Superintendent.

Failure of an employee to return from any leave of absence granted under this Article at the specified date of return may constitute grounds for dismissal.

#### **SECTION 5 - Report of Absence**

In the event an illness or absence occurs, an absentee report must be completed and submitted to the immediate supervisor.

#### **SECTION 6 -**

In conjunction with the above listed sick and serious illness leave, employees may use basic leave each year in compliance with Minnesota Statute 181.9413 Sick Leave Benefits: Care of Relatives.

This section applies only to personal sick leave benefits payable to the employee from the employer's general assets.
- b. An employer may limit the use of personal sick leave benefits provided by the employer for absences due to an illness of or injury to the employee's adult child, spouse, sibling, parent, grandparent, or stepparent to no less than 160 hours in any 12-month period. This paragraph does not apply to absences due to the illness or injury of a child, as defined in section 181.940, subdivision 4.

## **ARTICLE XIV: CHILD REARING LEAVE**

### **SECTION 1**

### **SECTION 6**

The end of the child-rearing leave shall be a date mutually agreed upon between the employee and the Employer but shall not exceed one (1) calendar year from its inception. Failure to return on the approved date may constitute grounds for termination.

### **SECTION 7**

By mutual agreement, the length of the child-rearing leave may be altered.

### **SECTION 8**

The employee shall lose all reemployment rights if the employee fails or refuses to notify the Employer by certified mail of the employee's intention to return to work according to the above schedule; or if the employee fails to return to work at the time previously scheduled when the leave of absence was granted under the provisions of this policy.

### **SECTION 10**

An employee who returns from child-rearing leave within the provisions of this Article, shall retain all previous experience credit and any unused leave time accumulated under the provisions of this Agreement prior to commencement of the child-rearing leave. The employee shall not accrue additional experience credit or leave time during the period of absence for child-rearing leave.

### **SECTION 11**

An employee on child-rearing leave is eligible to participate in group insurance programs, but shall pay the entire premium for such programs as the employee wishes to retain at the beginning of the child-rearing leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the District pursuant to this section.

### **SECTION 12**
