

Crockett County School District
Code of Conduct for Families, Volunteers, and Visitors

I. Statement of Purpose

The participation of families (parents, guardians and caregivers), volunteers and visitors in the learning process and education community is directly correlated to the level of academic success a student will attain. Understanding this vital connection, this Code prioritizes strategies to build bridges in an effort to welcome persons onto our campus. Without meaningful parent and school partnerships, efforts in isolation to increase academic achievement will be futile.

Research has maintained for over 60 years that a positive relationship between home and schools is mutually beneficial for students, families and the school community, including the following:

- Benefits for Students:
- Improved student achievement, including math and reading scores;
- Higher motivation to excel in school;
- Better school attendance;
- Improved behavior at home and school; and
- Better social skills and adaptation to school.
- Rewards for families:
- The opportunity to closely monitor their child’s performance and recognize and address any difficulty they might be having in school;
- Better relationships and communication with teachers; and
- Having a voice in decisions that enhance the academic environment of the school and improve the educational experience.

Advantages for the School Community:

- Immediate access to garner family support on school initiatives;
- Improved teacher morale;

- Higher ratings of teachers by parents, which can boost their reputation in the community; and
- Involved families can become powerful allies to engage communitywide support for educational excellence in all neighborhood schools.

This Code of Conduct applies to all families, volunteers and visitors who interact with schools and offices in the Crockett County school district. It also applies to those who are present at school, in person or virtually, and at school-sponsored activities, meetings, and/or functions during and after regular school hours.

In order to create a climate and culture of support for all students, there is an expectation for all stakeholders to work together in *ensuring that every student attains high academic achievement, positive social and emotional development and gains readiness for college, careers, and a successful and productive life.*

The overarching expectation is that we work constructively together to address issues related to concerns, programs and services before they become a source of conflict. Any interaction between school personnel and families, volunteers and visitors should **start with assuming good intentions in others.** We also should all make a sincere effort to appreciate each other's perspective as we work together to support our children. Other positive and effective interactions should include:

- Respecting each other's time and responsibilities;
- Agreeing on a time and location to meet and/or discuss an issue;
- Listening carefully with a respectful exchange of opinions and suggestions;
- Approaching disagreements in a manner that treats others as integral parts of the decision making and encourages mutual problem solving; and
- Providing the opportunity for either party to seek a second opinion or other intervention when there is unresolved disagreement or when an answer to a difficult situation can't be reached.

II. Guidelines

In order to maintain an orderly, respectful and secure educational environment for students and staff, it is essential that families and visitors are aware of their responsibilities and understand that adherence to these guidelines is essential for each school and office. Penalties for lack of adherence to this Code of Conduct shall be enforceable by the board of education and by local law enforcement officers if necessary.

All visitors shall provide a copy of a government-issued identification, which includes the visitor’s name, date of birth and photo, to the school office to be recorded. Persons who do not provide required identification will not be permitted on premises.

VI. Tips for families, Volunteers and Visitors

On some occasions, there may be strong disagreement over a school system decision, policy or procedure. The following are tips for how to effectively approach and address concerns.

- **Organize Your Thoughts**

Clearly state the issue or the problem you are experiencing. Make a list of questions you would like to ask. Identify several possible solutions you think would resolve your concern.

- **Stay Calm—Maintain a Civil Tone**

Focus on the facts, not on the person with whom you are discussing the issue. Avoid blaming, demanding, and saying “should.” Say “I believe...,” “I feel...,” rather than “You should...”

- **Clarify, Rather Than Assume**

If you are not sure about something or what you heard, ask for an explanation or clarification. Try to understand the views of the other person involved in the situation and the solutions they might propose.

- **Be Flexible**

Recognize that problems can be solved in more than one way. Be open to alternative solutions.

- **Keep Records**

Make notes of meeting dates and times, who you talked to, and what was discussed.

Save copies of letters, forms and other material related to your concern.

VII. Consequences for Violating the Code of Conduct (verify)

Principals or their designees and school security have the authority to enforce the Code of Conduct for Families, Volunteers and Visitors, as well as all district policies and procedures, and are authorized to determine the appropriate offense level outlined below.

Depending upon the severity of the incident, parents/guardians or visitors may be ejected from, or otherwise banned from campus and participation in school-sponsored activities. In situations involving lesser infractions or where remediation is viable, a verbal warning will be provided. Should a parent/guardian or visitor fail to heed the direction issued in the verbal warning, a ban or other restrictions designed to deter the conduct will follow. No restriction, however, will prevent the parent/guardian from working collaboratively with the school to meet the child's educational needs, nor will a parent/guardian be excluded from meetings regarding their child's education and performance.

A. Level 1 Offense

Level 1 offenses are those that do not jeopardize the safety or welfare of students or staff. Consequences are geared to deter and correct behaviors. Failure to act accordingly will result in the escalation to a Level 2 offense and consequence.

Consequences:

1. First Infraction: Verbal Warning
2. Second Infraction: Administrator/Parent Training Session
3. Third Infraction: Formal mediation

B. Level 2 Offense

A parent/guardian or visitor in violation of any portion of this code that jeopardizes the academic environment and/or safety and welfare of students and staff is subject to being banned from school property for a specified period of time and will be subject to the

district's actualization of its right to pursue a civil or criminal legal action. Repeated Level 1 offenses may also qualify as a Level 2 offense.

Consequence:

Issuance of a formal "No Trespass Letter" from premises – this formal notice can be instituted for a quarter, semester or year at the discretion of the school system.

When an individual commits a Level 1 offense (second infraction), the principal will notify the Director of Schools, or a designated representative (including the school resource officer) who will facilitate appropriate training. A period of not less than 30 days will be provided to complete training. Failure to complete training requirements will result in escalation to a Level 2 offense.

At the termination of a formal ban and "No Trespass Letter" from school premises, a meeting with the principal is required and completion of an identified training session through the office of the Director of Schools will be required before privileges are restored.

VIII. Right to Appeal

Level 1 offenses are not appealable.

If an individual would like to appeal a Level 2 offense, a written request with supporting evidence must be submitted to the Director of Schools (or an appointed designee) within five (5) calendar days of the imposition of the consequence. Contact information for school staff can be located on the school's official website. Upon receipt of a request to appeal, the appointed designee has five calendar days to issue a written finding to either uphold, amend or abolish the ban as written. If the reviewing staff upholds the decision of the principal, a second level of appeal is available through the Director of Schools or the School Board.

All appeals should be requested and responded to in a timely manner.
