What is Minga

Minga is digital platform that elevates safety and security on campus, drives student participation and engagement, incentivizes positive student conduct, and improves student communication.

What is Minga

Digital Student IDs

Secure and reliable access to student IDs – anytime, anywhere. Minga’s Digital Student ID exceeds national fraud protection standards and is more secure than traditional, printed ID cards, providing extra peace of mind.

Digital Hall Pass

Minga’s Digital Hall Passes ensure easy hallway access for students and reduced interruptions to teaching time. Not only do Digital Hall Passes improve safety and security on campus, they also increase student punctuality and accountability,

Community

Students can easily keep up to date with their school community, with Minga’s go-to hub for all campus activity outside the classroom. Staying in the loop is effortless, with quick access to events, news, announcements, and other updates at a glance.

Behavior & Rewards

Minga enables your child’s school to effectively manage tardiness and monitor student behavior, inspiring motivation through rewards. Stay easily informed about your child's progress to nurture positive behavior.

Check In

Minga’s intuitive module is designed to increase student safety and security on campus through restricted check-ins. Real-time visibility allows your child’s school to monitor daily and special event attendance easily and efficiently.

FlexTime

Minga's FlexTime module promotes and facilitates individual student growth. Your child is able to embark upon highly personalized learning paths that support their unique goals, talents, and interests.

Why Minga-

- Safeguard & Streamline Student Movement Both On & Off Campus
- Elevate campus security and operational efficiency with a platform that digitizes School IDs, Hall Passes, and event check-in.
- Increase school culture and student engagement across campus

Digital ID

Digital student ID cards are accessible from any device, anytime, on or off campus

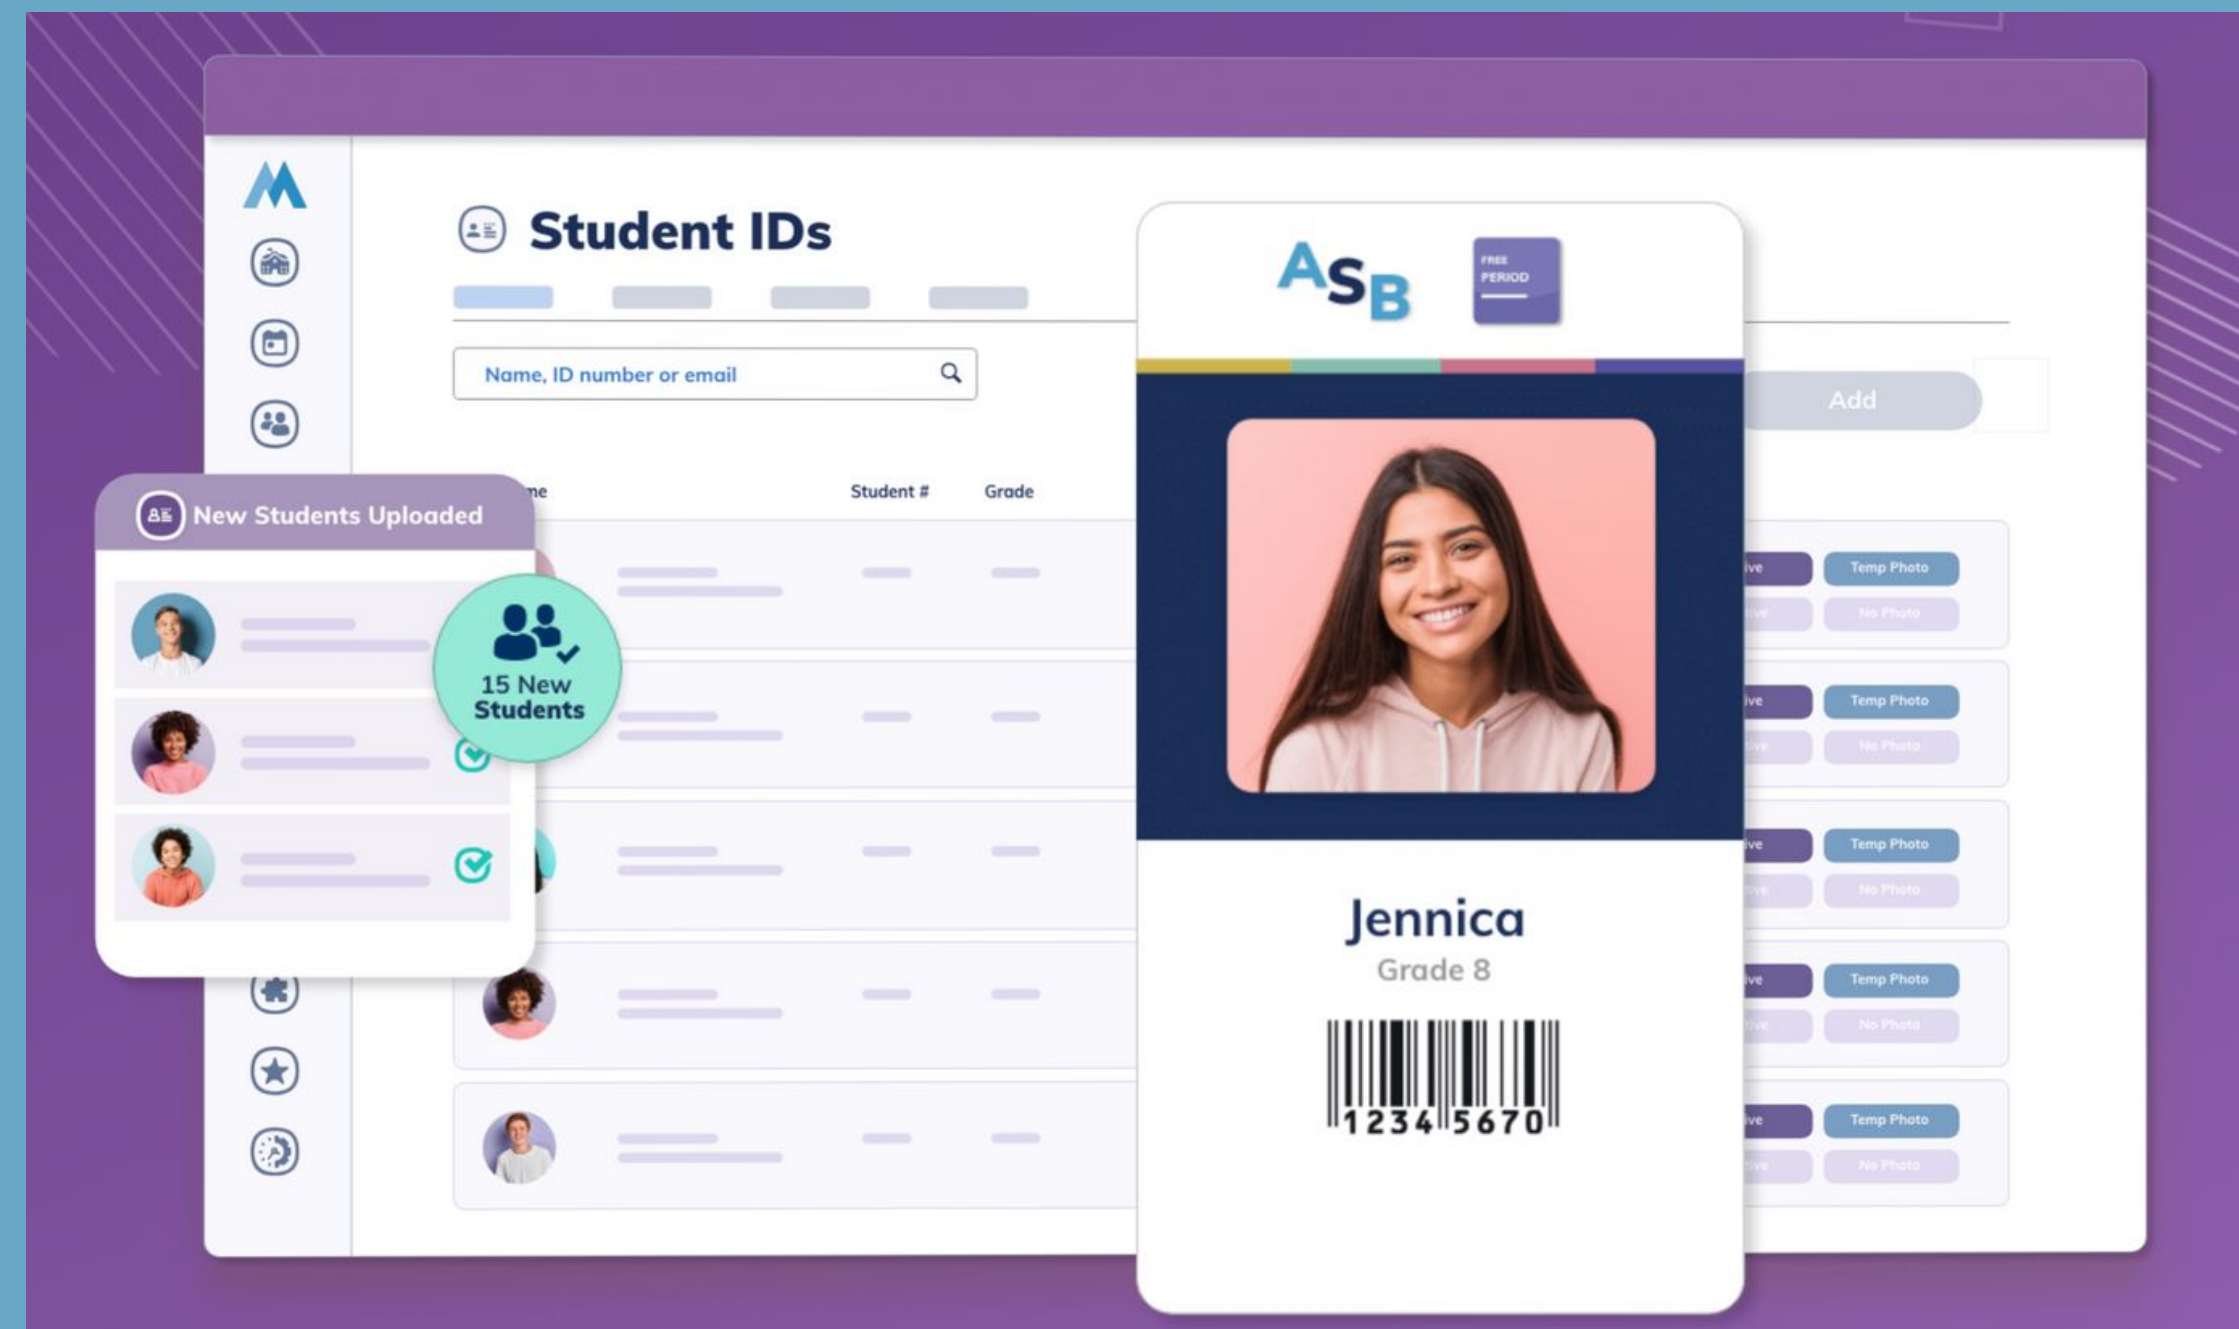

Student IDs are available on day zero, even before registration

No printing or reprinting, ever

Real-time updates for IDs, stickers and badges

The screenshot displays the 'Student IDs' management interface. At the top, there is a search bar labeled 'Name, ID number or email'. Below it is a table with columns for 'Name', 'Student #', and 'Grade'. A notification bubble in the top left corner indicates 'New Students Uploaded' with a list of three student profiles and a green checkmark. A circular badge in the center of the table shows '15 New Students'. On the right side, a detailed view of a student ID card is shown for 'Jennica', a Grade 8 student. The card features a photo of Jennica, the ASB logo, and a barcode with the number '12345670'. Below the photo are several 'Temp Photo' buttons. The interface also includes a sidebar with navigation icons and an 'Add' button.

Digital Hall Pass

5th-12th Grade

The most flexible, effective, and easy-to-use hall pass solution for today's modern campus.

Define ONE hall pass workflow for your entire campus

Manage hallway access by the student, time, reason, location and more

Gain detailed visibility into all aspects of hallway usage

Drive hallway accountability for students and staff

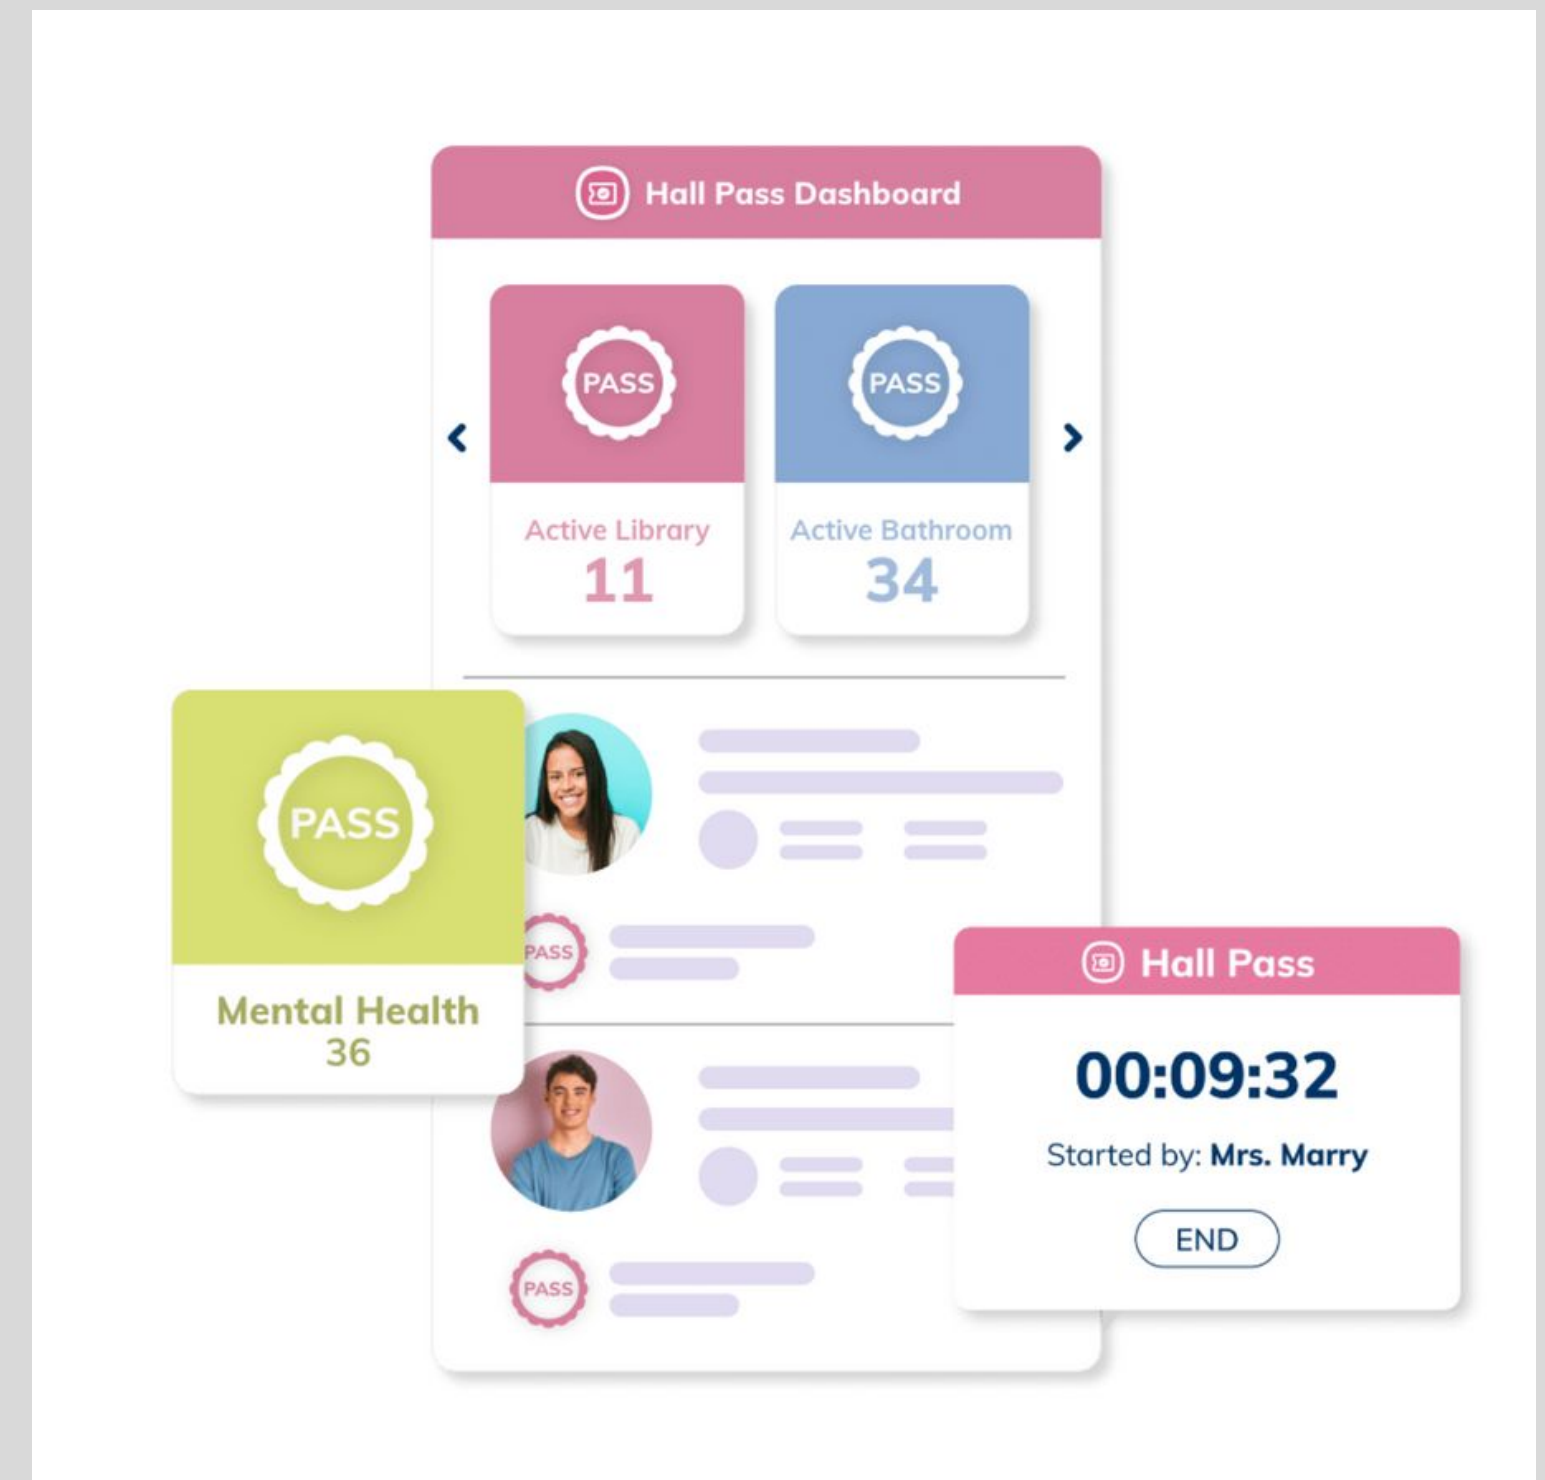

The screenshot displays the MiNGA Hall Pass dashboard with several key components:

- Pass Request:** A notification stating "Mrs. Marry **Approved** the Hall Pass Request For Nancy".
- Hall Pass Summary:** A grid showing pass counts for Restroom (30), Hall Pass (8), Mental Health (12), and Library (3).
- Scheduled:** A pop-up showing pass counts for specific times: 10:00am (13 passes) and 1:15pm (45 passes).
- Analytics:** A bar chart showing a "30% Reduction in Hallway Activity" across months (Jan, Feb, Mar, Apr).
- Pass Types:** A legend for Rest Room (green), Library (pink), Mental Health (blue), and Office (yellow), accompanied by a bar chart.
- Pass List:** A table with columns for Status, Timer, Name, Pass, and Approved By. It shows three entries: "Active" (3 mins), "Active" (5 mins), and "Overdue" (+5 mins).
- Buttons:** "Deny" and "Approve" buttons are visible at the bottom right.

Digital Hall Pass
