I give my consent for this student to participate in Brownwood ISD approved activities and to go with the teachers and/or other representatives of the school on approved field trips.

This permission covers all approved field trips that have been or will be scheduled by the school, team, or school organization of which the student is a member. The parent will be informed in advance of all field trips through written notice given to the student.

I, the parent or guardian, grant permission for school employees to secure medical services for the above-named student if necessary. It is understood that neither Brownwood ISD nor the individual campus assumes any responsibility in the case of an accident.
