Bruce Fitzback updated the Commission members that he had visited the site expressing concerns for the lack of a silt fence that only a small portion of the installation had taken place. Mr. Christina was present and explained that he had acquired a new contractor, Ron Racine & Sons Excavating Company. They will be utilizing hay bales in the place of the silt fence material. Going forward, the plans will be adhered to.

Adam Paquin stated that it was not necessary at this time to issue a cease and desist as Mr. Christian would be working in accordance with the plan.

Agent Update:

Bruce Fitzback will be speaking with the Town Attorney regarding the ongoing violation on School Street.
