PHOTO / FILM / VIDEO RELEASE FORM

Valley Day School's website includes the posting of classroom pages that may feature student work or images. Students on the website will only be identified using their first name and last initial.

In addition, from time to time the opportunity arises for students from Valley Day School to appear in newspaper articles accompanied by photographs, promotional videos, or news programs relating to the educational mission of Valley Day School. We do not always know in advance when these photo opportunities will arise and we like to keep a release form on file noting whether or not you agree to have your child photographed, filmed or videotaped while a student at Valley Day School. Please check the appropriate line indicating your preference and complete the form below.

_____ I hereby **AGREE** to allow my son/daughter to be photographed, videotaped and/or filmed for any website, broadcasting, audio visual and/or general media purposes involving the promotion of the Valley Day School and the VDS educational mission. I understand that this will be done for promotional or informational purposes and neither Valley Day School nor my child will be monetarily compensated now or in the future.

_____ I **DO NOT AGREE** to allow my son/daughter to be photographed, videotaped and/or filmed for any web-site posting, broadcasting, audio-visual and/or general media purposes involving the promotion of Valley Day School and the VDS educational mission.
