

SPED CORE VALUES

We Believe in
Children

We believe... All children with disabilities deserve respect; by inspiring individual potential we create life-long learners who contribute to society.

High Quality
Instruction

We believe that recruitment and retention of high quality instructors who are responsive, innovative, and creative, is essential for transformative change that results in student success.

Programming

We believe that quality programming is centered on the whole child and is dynamic and engaging; providing access to core while also supporting individual needs in a culturally responsive manner.

Resources

We believe...Equitable and appropriate resources including technology, core & specialized curriculum as well as accompanying professional development are essential for a quality special education program.

Engagement of
1) Family
2) Team
3) Community

We believe when families, school teams and the community are engaged in the education of our students with disabilities they will achieve to their fullest potential.
