

Dear Parents and Guardians,

We are thrilled to announce that HWS Best Health Counseling has renewed our partnership with the Boardman Local School District. Our services will continue at the High School, Glenwood, and Center and we are excited to expand our support to Stadium Drive, Robinwood and West Boulevard Elementary Schools.

HWS Best Health Counseling is a well-respected counseling group dedicated to supporting children, families, and adults. Our experienced team is here to provide mental health treatment and support both during and after school hours. We specialize in addressing challenges such as depression, ADHD, anxiety, trauma, loss, and family conflicts. Our goal is to break down barriers and enhance the quality of life for our clients and their families.

The HWS Best Health team offers a range of services, including case management, counseling, and medication management, tailored to individuals aged 3 to 100+.

Boardman students have access to our services year-round, including over summer break! To access our services for your child or family, please complete the referral form using the QR code provided. For any inquiries about our programs or to discuss how we can assist you, please feel free to call us at (330) 442-2664.

Alternatively, you can visit our webpage at www.hwsbesthealth.com or the Boardman local schools webpage to access our referral form and learn more about our services.

We look forward to supporting you and your family on your journey to better health and well-being!
