Such meetings must be scheduled at least three (3) days prior to the meeting and must also have three (3) days prior approval of the principal of the individual building.

III. Agreement Copies

Copies of the agreement shall be printed and distributed by the District to all employees covered by this Agreement.

IV. Interschool Mail

The Union shall have the right to use the interschool mail service to distribute official Union material as long as such use does not interfere with the normal operation of the interschool mail service.

VI. Union Representation

The Union agrees to supply the Board in writing and maintain on a current basis the names of all Union officers, representatives, employees and stewards including each steward's work location. Authorized representatives of the Union shall be permitted to transact official Union business on school property in compliance with Section II of this Article (Use of School Facilities). Such business will not be transacted during work hours unless mutually agreed upon in writing by the Union and the Superintendent or designee.

The failure of an employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement in writing.

It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the work activities of the grieving employee unless mutually agreed that it is necessary to process during the workday. If it is necessary to process during the workday it shall be at no loss of pay to the employee filing the grievance.

III. First Step

An attempt shall be made to resolve any grievance in informal discussion between complainant and his/her immediate supervisor.

Second Step

If the grievance cannot be resolved informally, the aggrieved employee may file the grievance in writing and, at a mutually agreeable time, discuss the matter with the immediate supervisor. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses that pertain to the specific grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) workdays from the date of the event giving rise to the grievance.

The supervisor shall make a decision on the grievance and communicate it in writing to the grievant, the Union and the superintendent or designee within ten (10) workdays after receipt of written notice of the grievance.

Third Step

The superintendent or his/her designee shall file an answer within ten (10) workdays of the third step grievance meeting and communicate it in writing to the grievant, the Union and the supervisor.

Fourth Step

If the grievance is not resolved satisfactorily at step three, there shall be available a fourth and final step. Within ten (10) workdays of written notice to submit the grievance to arbitration, the Board or the superintendent and the Union representative shall meet and attempt to agree on a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain a commitment from the arbitrator, a request for a list of five (5) arbitrators will be made to the Public Employee Relations Board (PERB). Each of the two parties will alternately strike one name at a time from the list until only one name shall remain. The remaining name shall be the arbitrator. The arbitrator so selected shall confer with the Board or the superintendent and the Union to set the time and date in order to hold hearings promptly. Selection of the hearing site shall occur no later than three (3) days prior to the hearing.

The arbitrator shall issue his/her decision not later than fifteen (15) workdays from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The decision of the arbitrator shall be final and binding on both parties. The arbitrator,

in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing, by the Board and the employee, and his/her decision must be based solely and only upon his/her interpretation of meaning or application of the expressed relevant language of the Agreement. Expenses for the arbitrator's services shall be borne equally by the Board and the Union.

IV. Group Grievance

If a group of employees has the same complaint, they may submit their complaint to the grievance procedure beginning at the first step, and the grievance may be processed through all levels of the grievance procedure. In a group grievance, all employees involved in the grievance may be present at all steps of the grievance process, and the group shall identify a spokesperson who will speak for the group through all levels of the grievance procedure.

V. Timelines

Timelines for filing a grievance may be mutually waived when requests to the district for information cannot be tabulated within the prescribed timelines of the grievance procedure of this Agreement.

VI. Separate Grievance File

Forms and official supporting documents (or copies of these documents) associated with a grievance will be kept in a grievance file that is separate from the employee's personnel file. This does not exclude the district from maintaining disciplinary documents in the employee's personnel file if such documents are/were part of a grievance and the result of the grievance process verifies the documents as valid disciplinary items.
