

Alternate Assignment for Sexual Health Unit **(One article for each day of class missed)**

Name: _____ Period: _____ Topic: _____
Title of Article: _____ Date of Article: _____
Source: _____

Find a current event article (within last 3 years) that addresses one of the following topics that we have covered this year in class.

- 1. Wellness**
(includes social, emotional and mental health topics)
- 2. Nutrition**
- 3. Substance Use and Abuse**
- 4. First Aid and CPR**

Health is ongoing and all around us. This is a time of exciting new health developments. This current event assignment will require you to read a magazine, a newspaper and/or visit online news websites.

- 1. Summarize three main points from the article:**

A. _____

B. _____

C. _____

2. How does the article relate to or impact you?

3. Do you agree or disagree with the article?

4. Are there examples of bias in the article? If so give examples. If not explain why you would say that this article is not biased.

5. Should other students read this article? Explain
