

Snohomish Strategic Planning Vision & Mission Revisions

Below are the current Mission and Vision statements, with highlighted words representing thoughts/concepts that Committee members would like to see represented in the revisions that are created. Words/phrases in **green** are in both statements.

VISION (The “WHAT”)

Definition: Hopes and dreams that are real for us – what we want to see become a reality. Focuses on the **FUTURE** to inspire and motivate.

SSD is a place of high expectations with support for all students to learn so they can maximize their potential. Through equitable and effective teaching practices, we create a place where we recognize the differences in how our students learn, we believe all students can learn, and we have systems in place to respond to each and every student's learning needs.

- “Know every student by name, strength, and need” resonated with multiple Committee members.

MISSION (The “HOW”)

Definition: A broad, brief statement of the unique purpose to which the district is committed, and the basic means of accomplishing that purpose. Concentrates on the **PRESENT** and informs about the desired level of performance.

SSD Academic mission is to ensure that all students receive the time and support needed to access and surpass essential grade level learning by experiencing equitable and effective teaching practices embedded throughout a multi-tiered system of support.*

**The Mission encompasses more than academics*
