

Photos/Recordings Opt-Out Form

There are times during the year when photographs or audio-visual recordings of students may be taken for school or district use. When possible, we will alert parents/guardians in advance, but this is not always possible.

It is important that you know that student family members, community members, and attendees at school events may take and publish photos and other recordings of students without coordinating such with school district personnel, and it is possible that your student could appear in a third party's photos and other recordings. Snohomish School District is not responsible for the use of any of your student's likeness (photo, voice, etc.) that appears in those photos and recordings.

You may choose to opt out of allowing your student to appear in photos or other recordings taken by or on behalf of your child's school and/or the Snohomish School District by checking and signing below.

I do NOT want my student to appear in photos or audio-visual recordings taken by or on behalf of the Snohomish School District. **(By checking this box your student will NOT appear in ANY photos and recordings taken for yearbook, classroom/school/district presentations, parent club/classroom/school/district newsletters, media, etc.)**

Please note – Opt-out restrictions must be renewed at the beginning of each school year.
