Per RCW 4.24.660, the above organization, a private non-profit youth sports group, verifies all **coaches**, athletes, and their parents/guardians have complied with mandated policies for the Management of Concussions and Head Injuries as prescribed by RCW 28A.600.190, and Sudden Cardiac Arrest Awareness as RCW 28A.600.195.

Attached is a Proof of Insurance under an accident and liability policy issued by an insurance company authorized to do business in Washington State covering any injury or damage. Even though this law requires at least \$50,000 coverage limits for bodily injury or death of one person, or at least \$100,000 coverage limits for bodily injury or death of two or more persons, the above organization understands that the school district requires evidence of insurance of at least \$1,000,000 combined single limits per occurrence and \$2,000,000 aggregate limits. It is also understood that the school district requires that they be added to the above organization's insurance coverage as an additional insured and proof of that coverage is attached.
