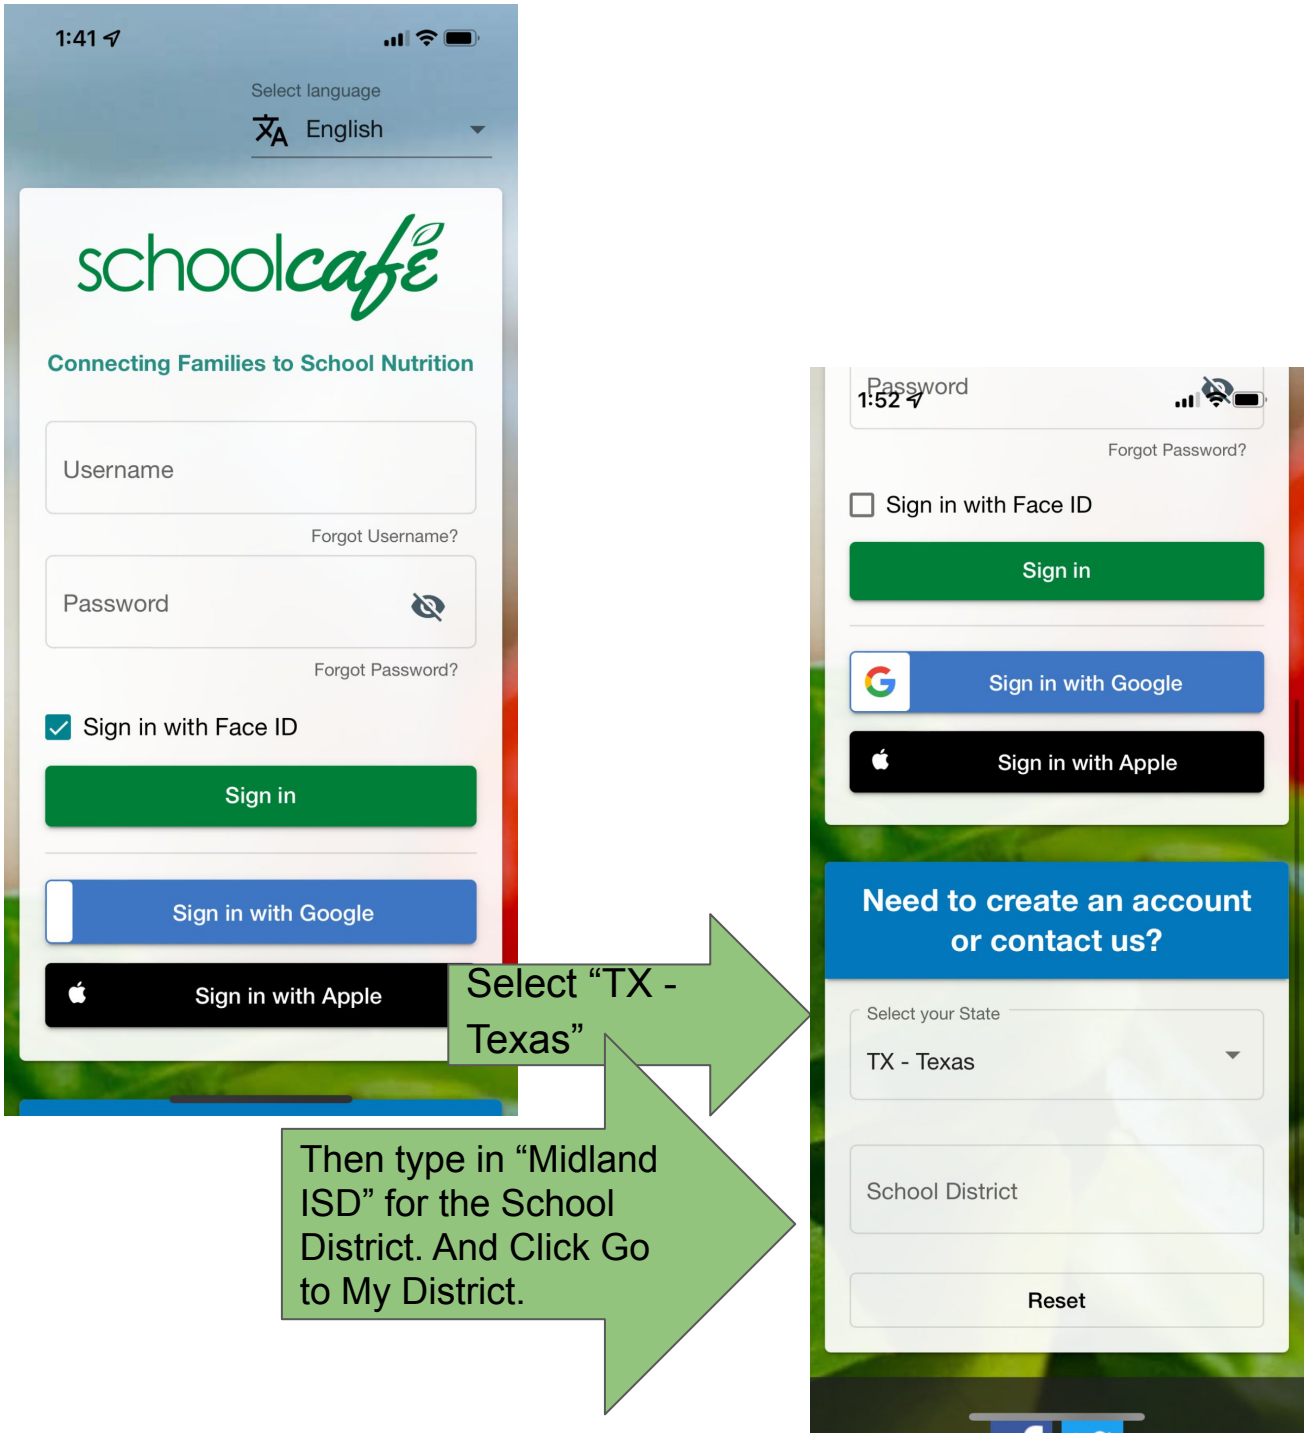
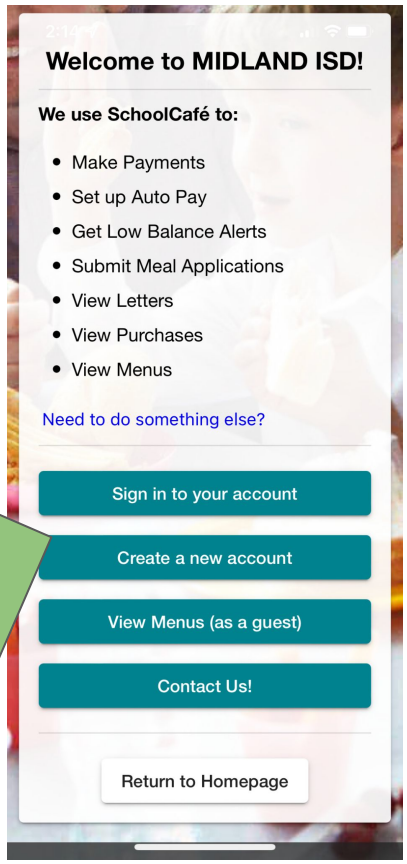
To complete an application for free or reduced lunches, you will need an account in School Cafe.

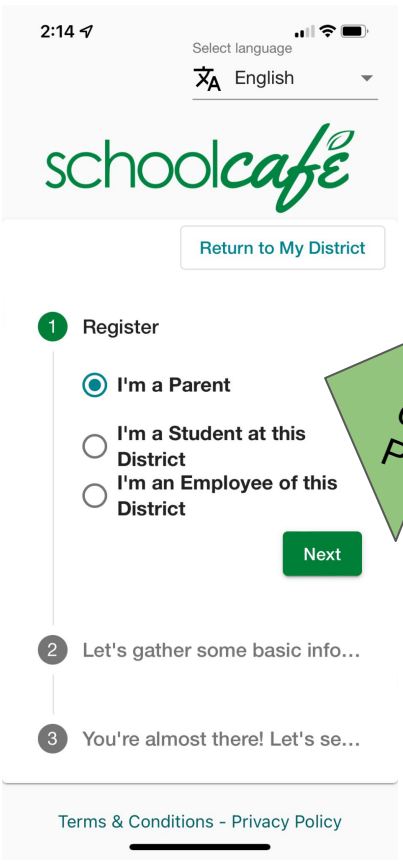
Step 1 - In your App store, download the School Cafe App.

Scroll to Need to create an account.

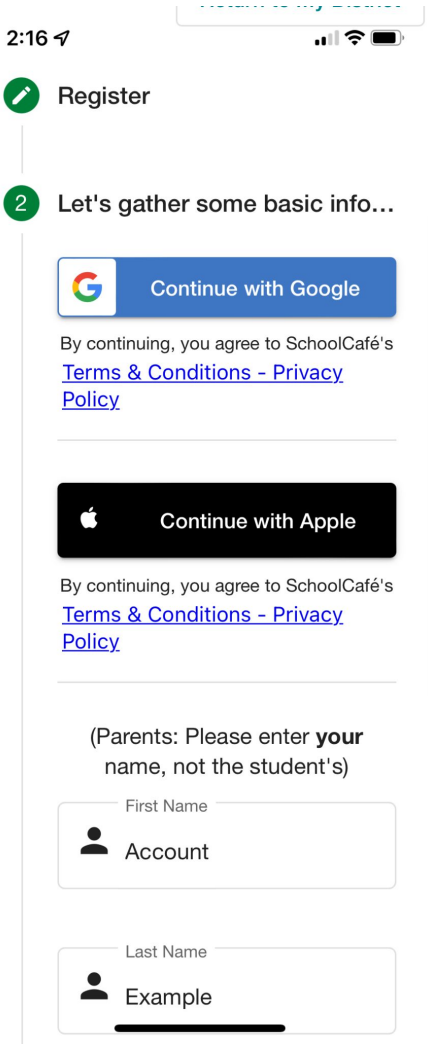




Click on Create a new account.



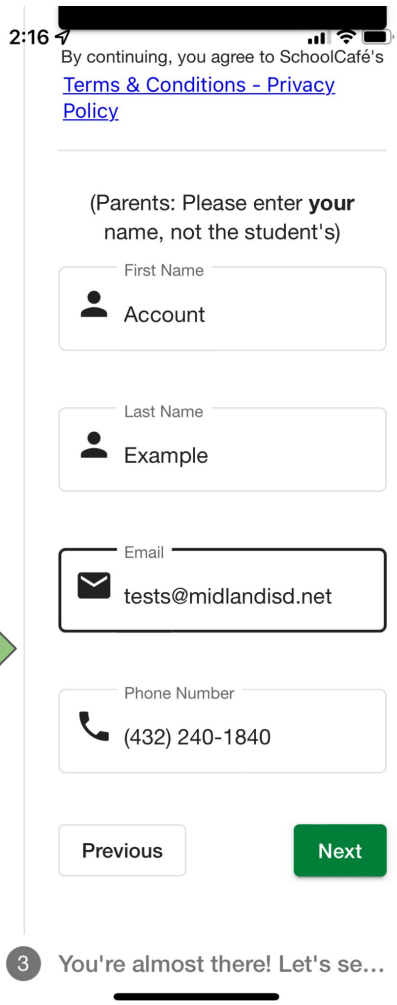
Register by clicking I'm a Parent, Next.

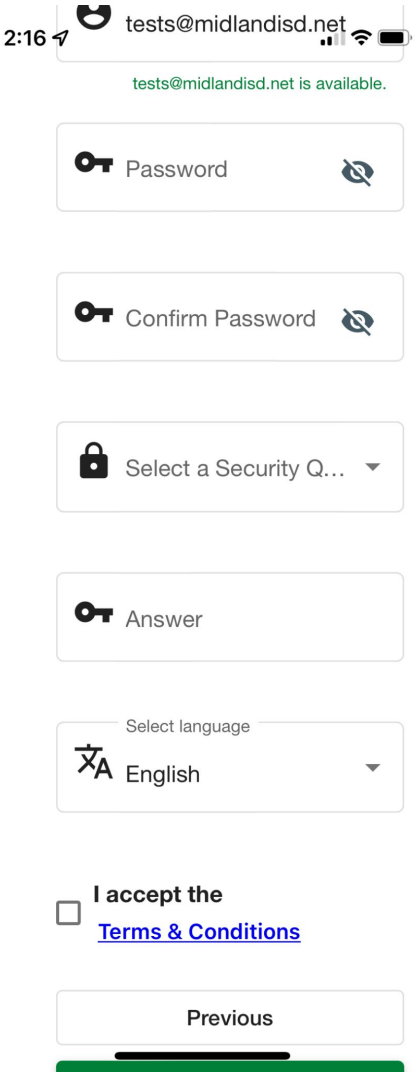


You can use a Google or Apple Account to register.

Or enter information in manually and then click Next,

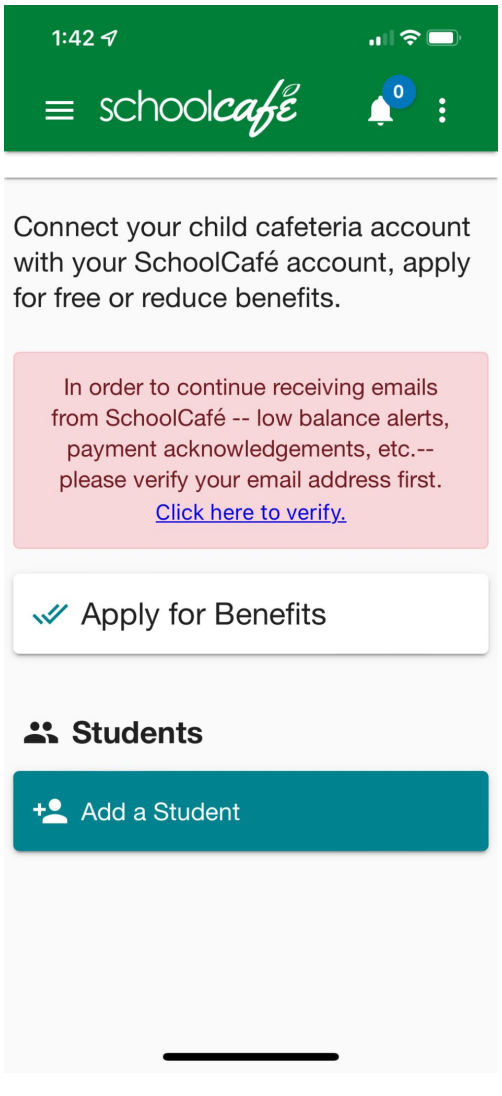
This is YOUR NAME, EMAIL ADDRESS and PHONE NUMBER, not your student's information.

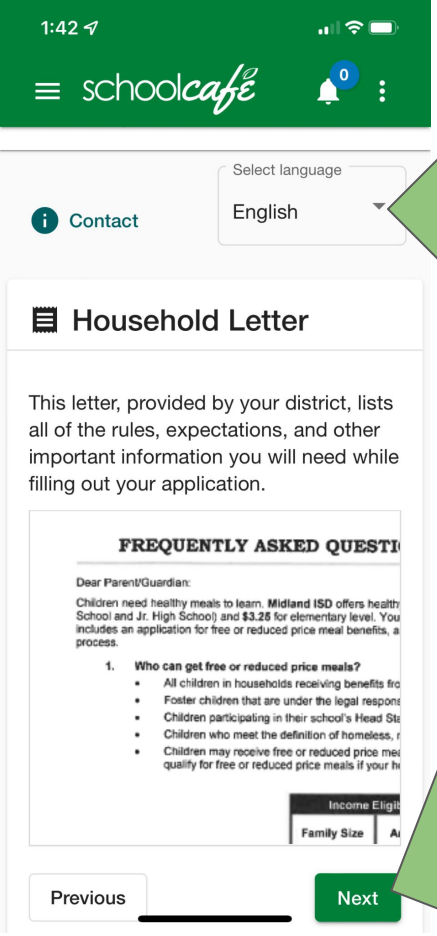




Here you will set a password and choose a security question. You can also set the language on your account in this section. Then click the box next to I accept the Terms & Conditions, and Create My account.

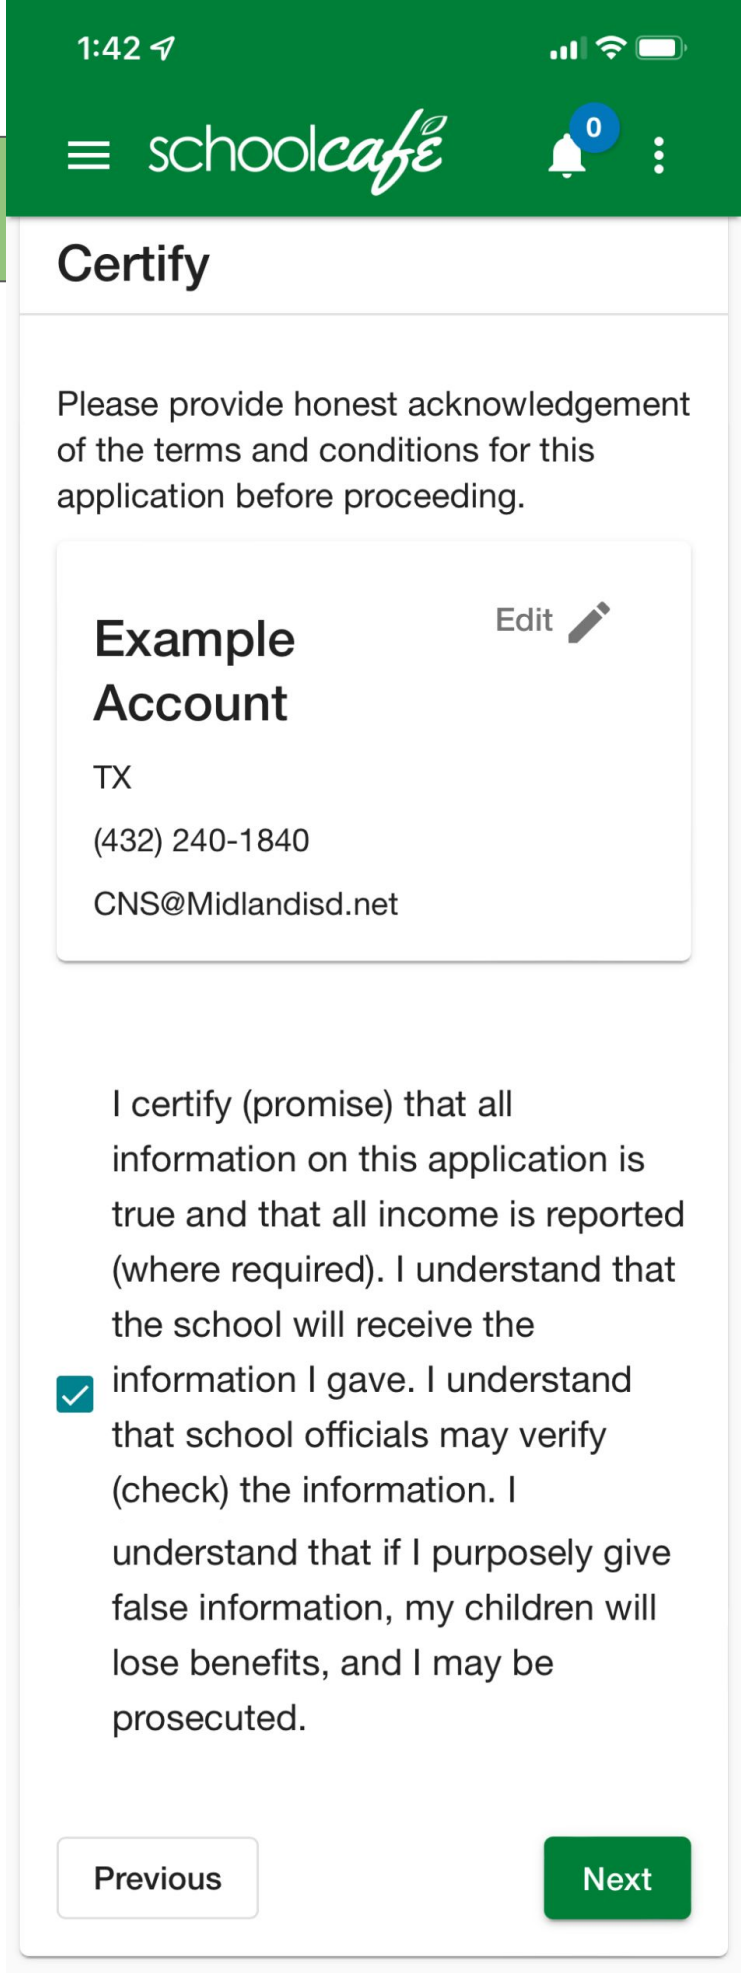
Click on Apply for Benefits



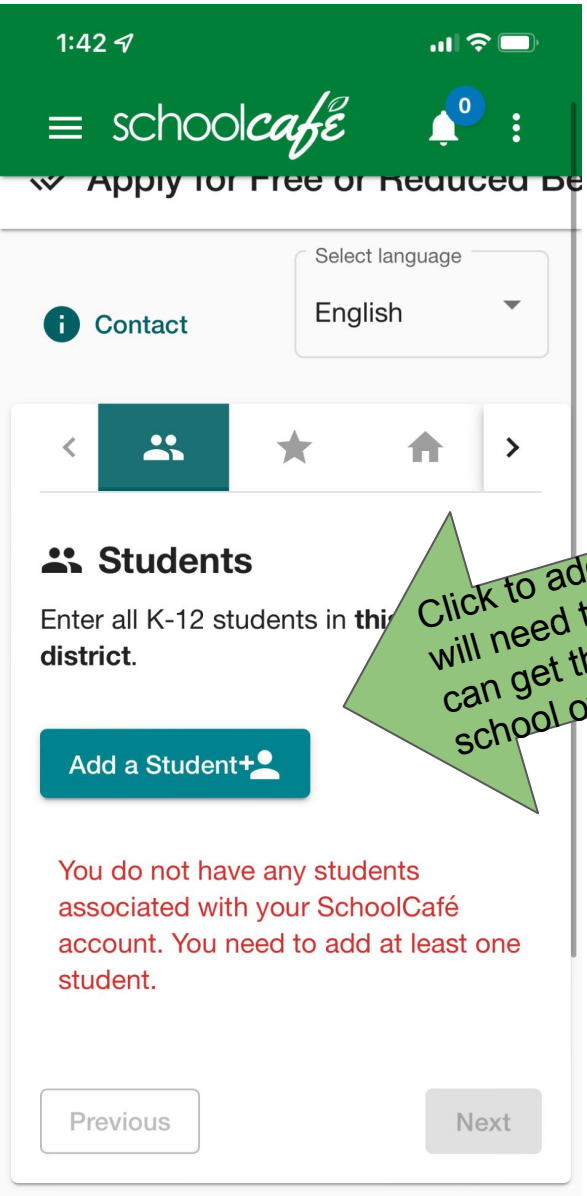


Click here to change the language if needed.

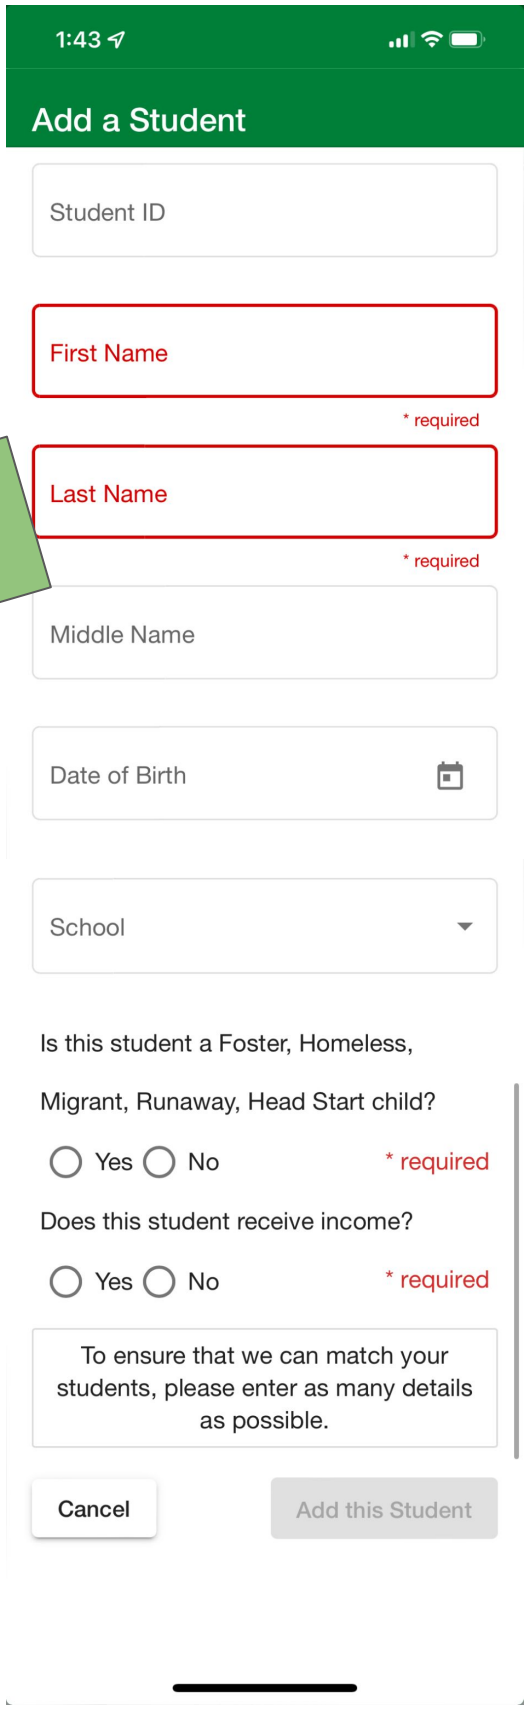
Review this information, then click next.



Review that all of YOUR information is correct, then click the box and then NEXT.

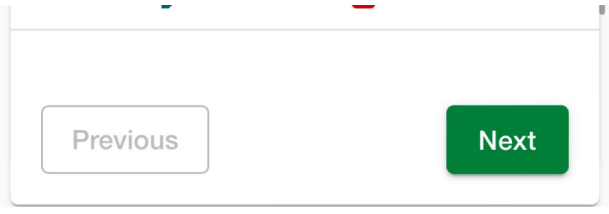


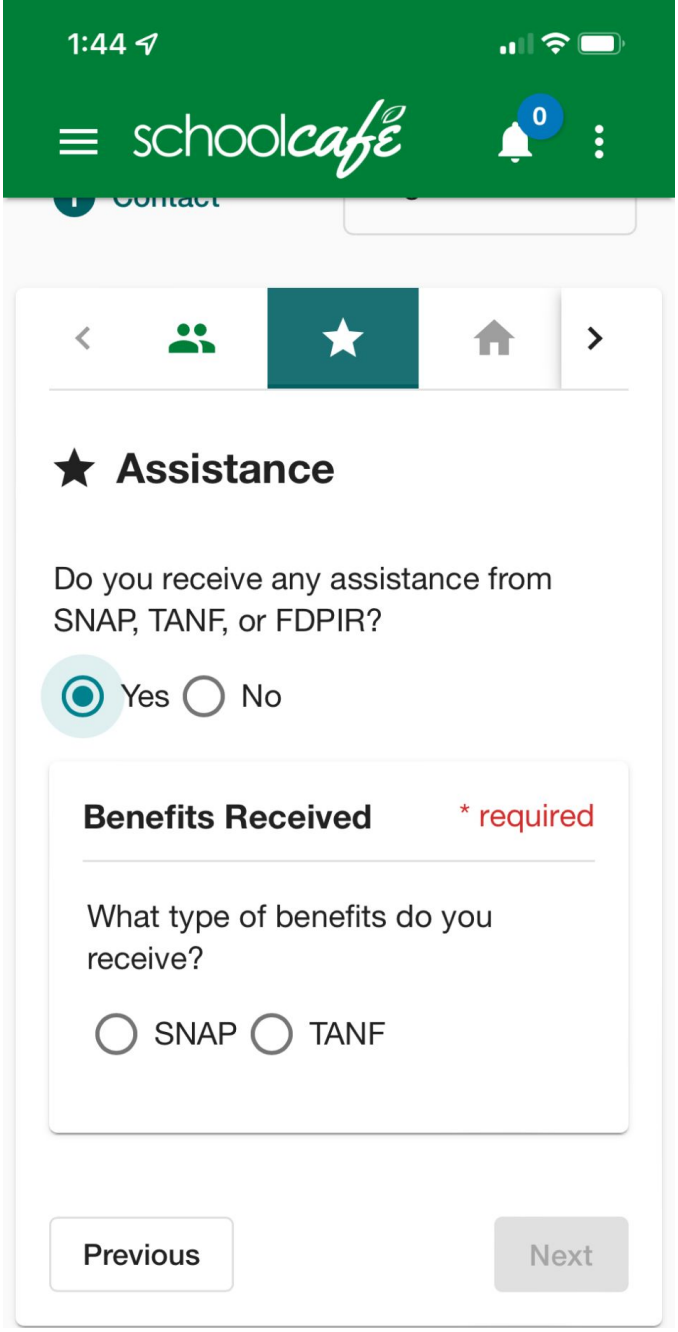
Click to add your student/students. You will need their Student ID number. You can get this in Skyward, or call the school office.



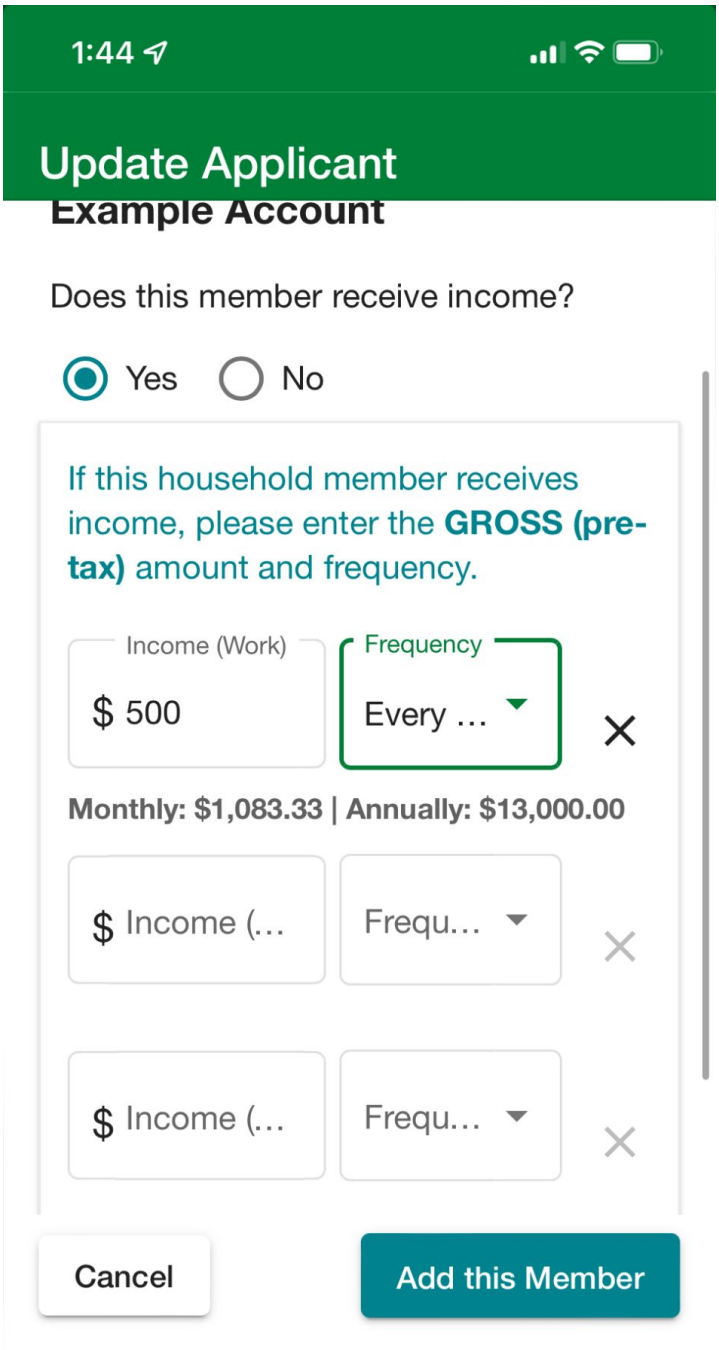
Enter as much information that you have available. You will repeat this for ALL students in your household.

Once all your students are added, click next.

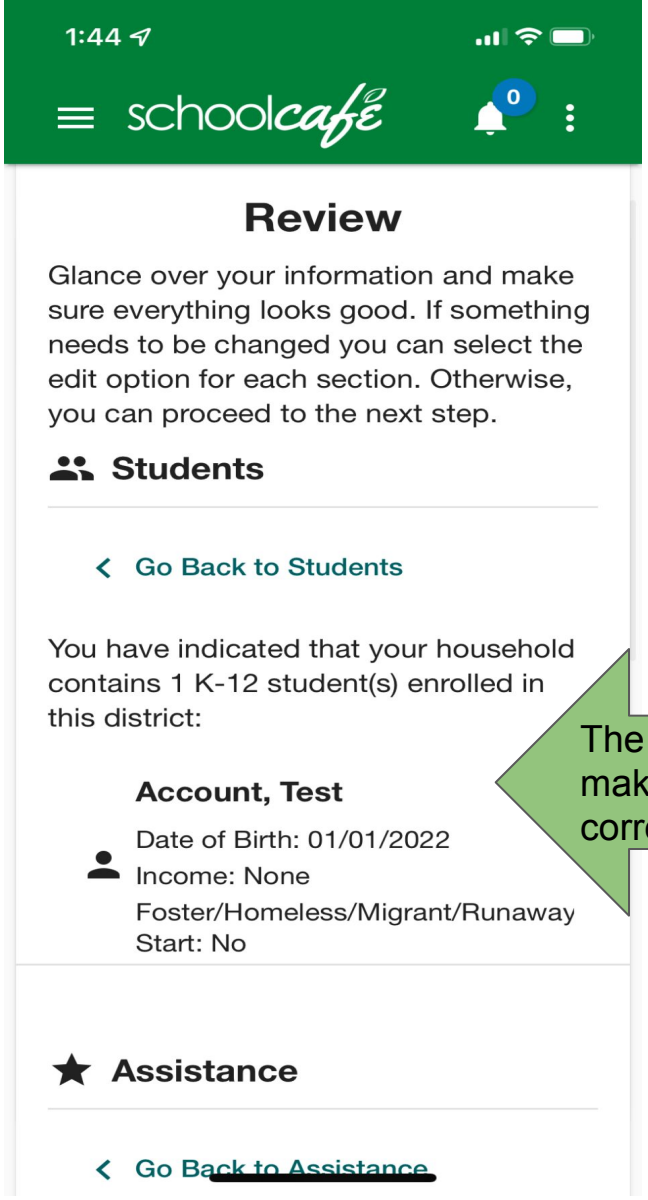


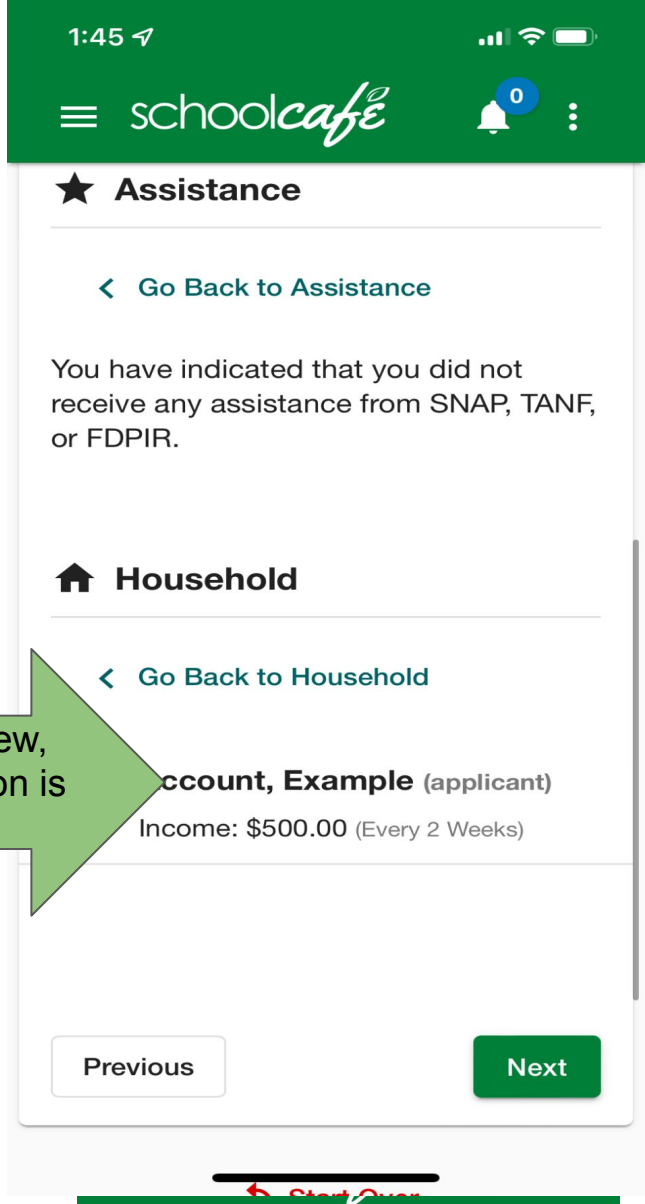


The next question asks if you receive assistance from the government.

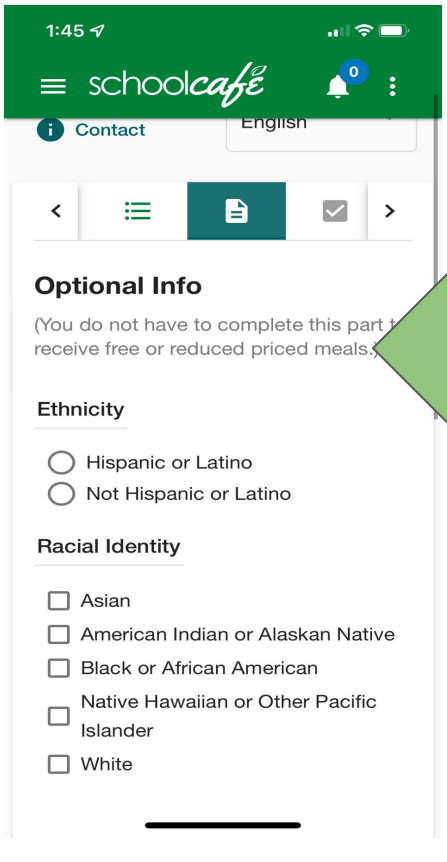


The next step is to add **ALL** members of the household that were not listed as students. For each household member, add their income information as well.

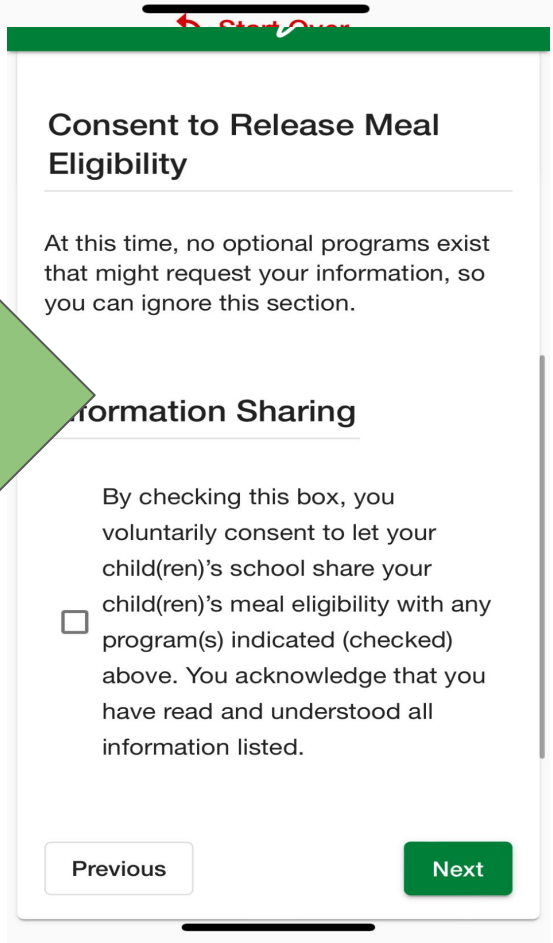


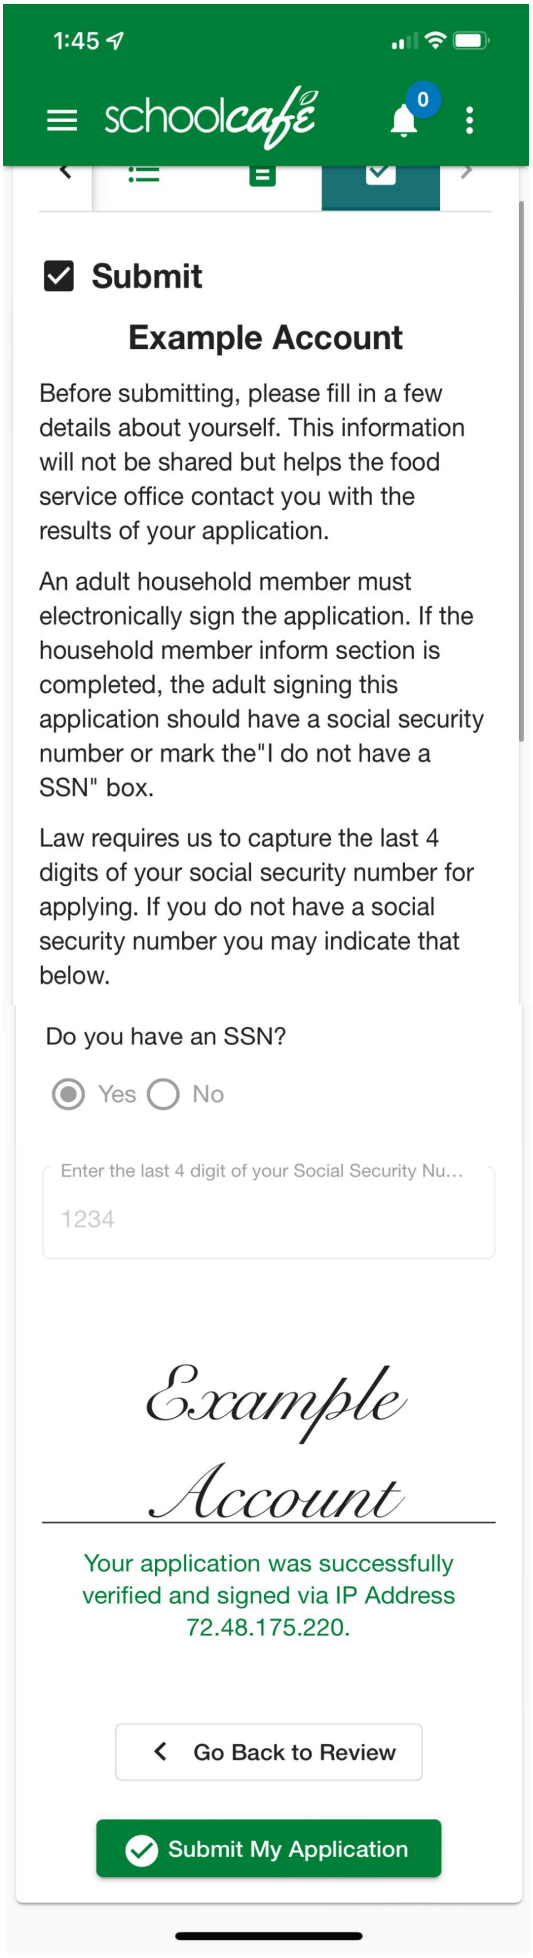


The next step is a Review, make sure all information is correct, then click next.



The next step is optional information. Complete information you are willing to share and then click next.





Last step is to electronically sign and submit your application.

Please make note of your application number as a reference if you need to ask questions or check the status of your application.
