INSTRUCTIONS:

1. Make class selections for Social Science and fill in course title and course number on lines 1 through 6.
2. When signing up for your courses, always check the prerequisites for enrollment in a class.
3. Please be aware that a grade of "C" or better is needed in your foreign language and math classes for advancement to the next level of the subject.
4. Be aware that you may repeat a course in which you received a "D" or "F", however, you may not receive credits for the class more than once. You should consult with your Academic Counselor regarding your graduation credits situation before you retake a course. Summer school is the ideal place to repeat a course.
5. Each student has a personal responsibility to be informed of his/her progress toward graduation. Please confer with your Academic Counselor and use the Course Catalog to your best advantage.
