Deficit Reduction Plan (as necessary):

For the unrestricted general fund, the District will adjustment expenditures commensurate with LCFF funding to meet the minimum reserve levels. For the restricted general fund, deficit spending relates to spending down one-time funds based on the required timelines.

7. Were "Other Adjustments" amount(s) entered in the multiyear projections (pages 5a and 5b) for 1st and 2nd Subsequent FY?

"Other Adjustments" could indicate that a budget reduction plan was/is being developed to address deficit spending, and to rebuild reserves. Any amount shown below must have an explanation. If additional space is needed, attach a separate sheet, or use page 8a.

Budget Adjustment

Assumptions and Explanations (enter or attach documentation)

The assumptions upon which this certification is made are as follows:
This certification is based on the following assumptions and information known at this time. Unanticipated changes in enrollment,
reductions in state/federal funding, new state or federal mandates, or subsequent legislative or regulatory actions that would alter
the financial status of the district are not contemplated in this certification. The multi-year projections upon which this certification
is based upon School Services of California projections which are subject to revisions.
Assumptions:
The state does not reduce the local control funding formula and/or deficit fund the State adopted budget for 2022-2023
and future years. The state does not reduce or rescind COLA on categorical programs either during 2022-2023 or future years.
The state fully funds on an ongoing basis non-LCFF programs through appropriations that support rates included in the
adopted budget. Actual enrollment decline in the elementary distirct does not exceed the projections. Actual workers' compensation
claims do not result in a change to the most recent actuarial which assumes no rate increase is needed. There are no major claims
or litigation costs imposed on the district that are not already anticipated and reserved.
All budget adjustments have been included in the Second Interim Budget Report for the AB 1200/2756 report that was approved by the
Governing Board on March 16, 2023.
Concerns regarding affordability of agreement in subsequent years (if any):
