2024-25 DaVinci Academy Flex FERPA Agreement

My student's image can be included in a group or individual photo that may appear on our DaVinci Facebook pages (field trips, assemblies, parties, classroom activities, etc.). Students' names are not shared on social media. Our Facebook pages are private and only accessible to DaVinci families and staff.

- Yes
- No

My student's image can be included in a group or individual photo to be used in public marketing material for DaVinci. Student's names will never be used in marketing. Examples are things like the pictures decorating our hallways, flyers for events, etc.

- Yes
- No

My student's image can be included in a group or individual photo in the school yearbook. Yearbooks are only available for purchase by DaVinci families and staff. Purchase is not required to have a photo in the yearbook. Students' individual school photos will list their names, but students will not be named in group photos.

- Yes
- No

My student's image can be included in a group or individual photo or video that may be emailed to classroom parents (parties, special events, projects, presentations, hard work, fun activities, etc.).

- Yes
