- I. Welcome & Introductions
- II. Updates
  - A. Texas A&M Mobile Clinic conducted 120 physicals for our students.
- III. Discuss counseling curriculum update
  - A. Because of there being a new elementary counselor, Mrs. Stautz needs some time to collaborate with her about the counseling curriculum and make any changes before presenting to the parents.
  - B. Parent preview nights were scheduled for September, preferably during home volleyball games where more parents can come preview the counseling curriculum.
- IV. Next Meeting
  - A. The SHAC discussed the survey that went out to teachers and parents regarding open campus for high school students during their lunch. The SHAC will meet in July to go over those results and make our recommendation to the Board. Any changes will be reflected in the Student Handbook in August.
  - B. Nurse Elliott discussed that at our September meeting, we need to update our COVID-19 policy to better reflect the CDC's updated guidance.
