

West Muskingum Local Schools Student Wellness & Success Plan

Plan Year: FY25

Goals:

- Provide access to comprehensive counseling services across all three tiers to minimize barriers to receiving counseling, behavioral, and mental health services making sure students are aware of the services offered.
- Provide youth mentoring to students who have been identified as at-risk.
- Provide school-wide prevention services, classroom and individual counseling and substance use services to improve PBIS & school culture.

Outcome Data:

- Student discipline data (improved, stayed consistent, decline)
- Positive Behavioral Interventions & Support Data or Tiered Fidelity Inventory data. (improved, stayed consistent, decline)
- School climate survey data. (staff/students) (improved, stayed consistent, decline)

FY25 Initiative(s) Funding Sources:

1. Funds used
 - a. DPIA
 - b. Base cost student wellness and success.

Initiative 1 Title: Mental, behavioral, and counseling services.

Initiative Description: Provide a comprehensive continuum of services for students that include prevention, classroom counseling lessons, small counseling groups, and individual counseling services that will improve individual mental and behavioral health as well as overall culture.
