

MIDDLE SCHOOL (2024-2025)

CIRCLE OF SUPPORT: Social/Emotional Well-Being & Development of Each Student

Sacred Heart Greenwich supports the social and emotional development of each student through individualized and programmatic resources. Below is a guide on resources and who to contact when support is needed.

Associate Head of School for Student Life

Responsible for delivering an early childhood – 12th grade holistic experience that provides for the spiritual and leadership development of students

Head of Middle School

- Responsible, with the support of Middle School Administrative Team, for the overall development of students in the Middle School, including curriculum, spiritual growth, arts, athletics, extracurriculars and social-emotional health and growth of MS students
- Oversees the advisory program, middle school programming, and enrichment opportunities
- Acts as liaison between communications and special events team

Assistant Head of Middle School for Student Life

- Oversees programs, events, and communications to foster parent and larger community partnerships that further the mission of the School

Advisor

- Monitors the academic program, community service projects, extracurricular interests, social life, and general well-being of each advisee
- Supports each advisee by assisting in problem solving, celebrating successes, and bringing larger concerns to the attention of the lead grade level teacher
- Responsible for implementing all advisory lessons as planned by the Head of Middle School; in 7th and 8th grade, facilitates the Social Institute Advisory Programming

Lead Teacher by Grade Level

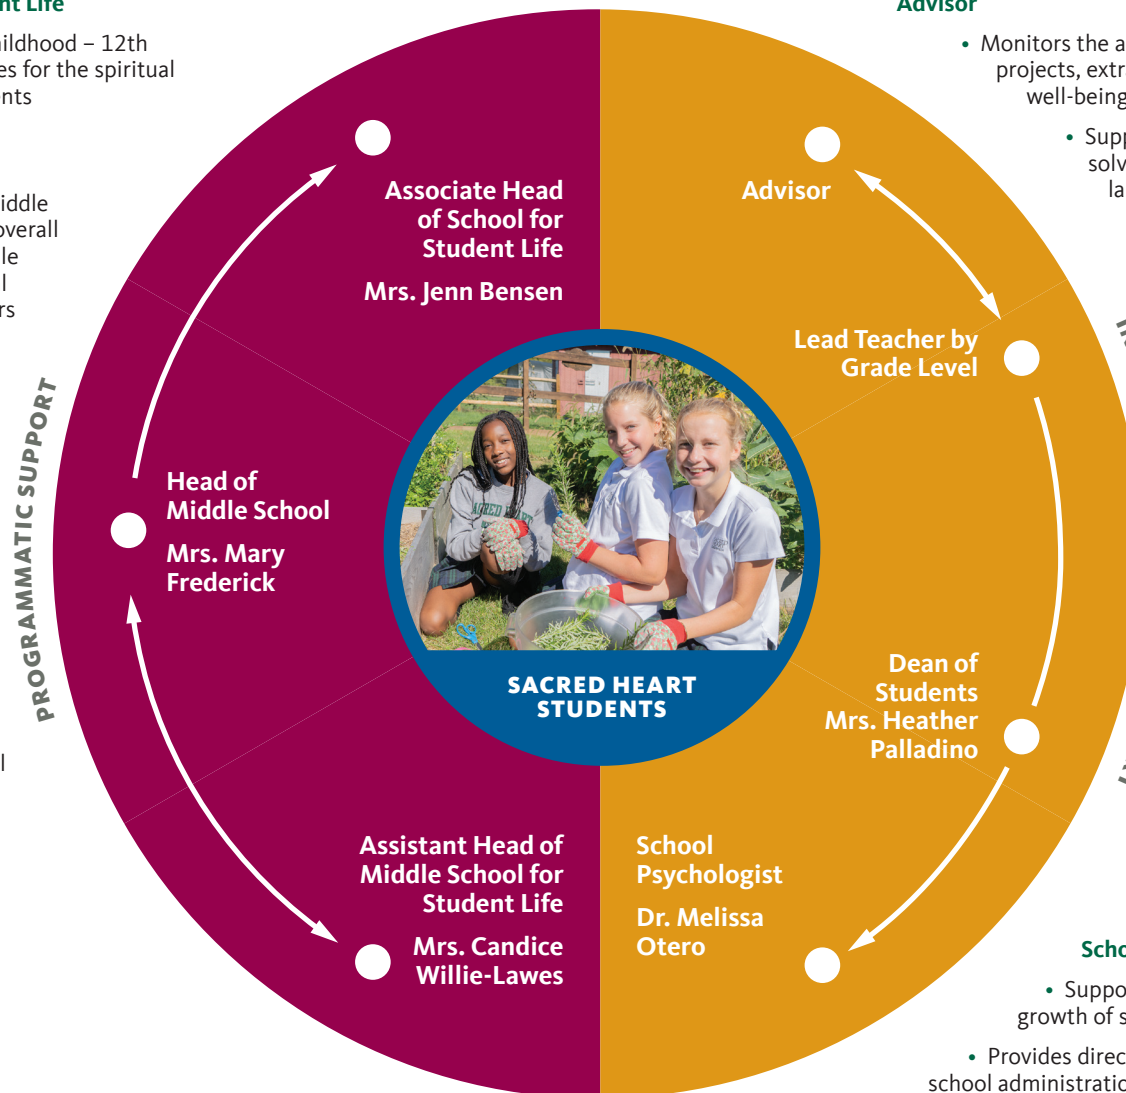

- Oversees the daily events of the grade and communicates those in the Morning Meeting; responsible for the general behavior and etiquette for students in the grade
- Manages some Middle School disciplinary issues

Dean of Students

- Assists the Head of Middle School and Assistant Head of Middle School with discipline in the Middle School
- Manages Middle School disciplinary issues

School Psychologist

- Supports the overall social-emotional health and growth of students in the Middle School
- Provides direct support to students and collaborates with school administration, faculty, parents, and outside professionals as needed
