

May 10, 2024

Dear Manhasset School Community,

Please take a moment to view my [newsletter](#) which contains information on the 24-25 school budget.

This year's budget vote will be held on Tuesday, May 21, from 7 a.m. to 9 p.m. in the Secondary School Gym. Budget information can be found on the District's web-site, www.manhassetsschools.org, including instructions for applying for an absentee or early mail voter ballot, which may be picked up in person by appointment only with the District Clerk (516-267-7724) through Tuesday, May 14.

The Proposed 2024-25 Budget is \$111,286,207 at the allowable tax levy increase of 2.68%, with a 3.30% increase in budget-to-budget expenses. The proposed tax levy preserves our District's commitment to fiscal responsibility and is mindful of the impact on Manhasset's residents, as evidenced by a 16-year average annual tax levy increase of 2.11%.

Please consider joining us for the SCA Sponsored Coffee and Budget Dialogue on May 13 at 7 p.m. in the Middle School Library or May 15 at 10 a.m. in the Munsey Park Library.

Sincerely,

Gaurav Passi, Ed.D.
Superintendent of Schools
