Date:

1. What do I do to establish and communicate learning goals, track student progress, and celebrate success?
2. What do I do to establish and maintain classroom rules and procedures?
3. What do I do to help students effectively interact with new knowledge?
4. What do I do to help students practice and deepen their understanding of new knowledge? How do I make new content comprehensible to English Language Learners in my class?
5. What do I do to engage all of my students while communicating high expectations for all?
6. What do I do to establish and maintain effective relationships with students and their families?
7. How do I check for student understanding during each lesson? How do I check that my English Language Learners comprehend the lesson?
8. What am I doing for my above level students/on level students/below level students? What am I doing for my special needs students?
9. How do I measure my success as a teacher?
10. What minor and/or major changes can I make to my academic program in order to directly increase my students' learning?
