Dear Parents and Students,

This year you will be in a block schedule. In an effort to start the year prepared and organized, we ask that you bring these supplies with you on the first day of school. We will be setting up a RED-day and BLUE-day system for your binders. If you have trouble finding red and blue binders, we suggest you get whatever color you can and run a strip of blue or red duct tape along the binder to indicate red-day or blue-day.

We are looking forward to an exciting and productive 2024-25 school year. We look forward to seeing you in September!

Enjoy your summer!!!
