

# How to Use Smart Futures

1. Log into your computer like you always do

2. Click on the Clever icon

3. Click on Google icon

4. Click on your account that appears

5. Click on the **Smart Futures** icon

6. Click on **Activities** (upper left menu)

7. Your grade range box should be colored like this: **K-3** **4-5** **6-8** **9-Adult**

8. Scroll down to see the activities you have completed and the activities you still need to begin. Click on any of the activities for your grade range that you would like to complete.
