DRUG & ALCOHOL CLEARINGHOUSE

REGISTRATION: CDL DRIVERS

You must complete the registration process before you can respond to employer consent requests or access your driver record in the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse. The instructions below are for a driver who holds either a commercial driver's license (CDL) or commercial learner's permit (CLP).

Create a Login.gov Account

Accessing the Clearinghouse requires the creation of an account with login.gov, a shared service that offers secure online access to participating government systems, including the Clearinghouse. If you do not have a login.gov account, or would like to create a new one, you will need to follow the steps below.

During the login.gov registration process, after 15 minutes of inactivity, the current page will clear whatever information is entered into data fields.

1

Visit <https://clearinghouse.fmcsa.dot.gov/register> and click **Go to login.gov**.

The screenshot shows the FMCSA Drug & Alcohol Clearinghouse registration page. At the top, there is a navigation bar with the FMCSA logo and the text 'Federal Motor Carrier Safety Administration'. To the right of the logo are buttons for 'Register' and 'Login'. Below the navigation bar is a dark blue header with the text 'DRUG & ALCOHOL CLEARINGHOUSE' and icons for 'FAQ', 'About', and 'Contact'. The main content area features a large heading: 'Register for the Clearinghouse now and be ready for implementation'. Below this heading is a graphic showing a person, a document, and a checkmark. Text below the graphic states: 'Authorized users must register to request access to information in the Clearinghouse. You will need to sign in with a login.gov account to begin your Clearinghouse registration.' There is a link for 'Need a login.gov account? Click the link below to create your login.gov account.' A red box highlights the 'Go to login.gov' button. To the right, there is a section for 'GOVERNMENT PERSONNEL' with text: 'FMCSA enforcement personnel and State Driver Licensing Agencies should not complete Clearinghouse registration. Log in using your FMCSA Portal credentials.' Below this is a section titled 'Why register now?' with the text: 'Don't wait! Registering now lets you complete the steps below so that you can be ready when the Clearinghouse is operational on January 6, 2020.' This section contains three cards: 'DRIVERS' (Enter your CDL information and confirm all information is accurate in our database.), 'EMPLOYERS' (Does a C/TPA manage your drug and alcohol testing program? Designate them today. Have an FMCSA Portal account? Link it with your Clearinghouse account.), and 'SAPS & MROS' (Invite Assistants from your company and get set up so you can record information as soon as the Clearinghouse is operational.)

2

On the login.gov sign in screen, click **Create an account**.

Or, if you already have a login.gov account, enter your email address and password on this screen, click **Sign In** and **go to step 10**.

The FMCSA Drug & Alcohol Clearinghouse is using login.gov to allow you to sign in to your account safely and securely.

Create a password. This password must be at least 12 characters long. If the password you enter is not strong enough, you will not be able to continue. Enter a strong password and click **Continue**.

The screenshot shows the 'STEP 2 OF 4' screen titled 'Create a strong password'. A green notification bar at the top states 'You have confirmed your email address'. Below this, a text box explains that the password must be at least 12 characters long and not commonly used. A password input field contains 12 dots, with a 'Show password' checkbox to its right. Below the input field, a progress bar shows the password strength as 'Great!'. A blue 'Continue' button is positioned at the bottom of the main content area. At the very bottom of the page, there is a link for 'Password safety tips' and a link to 'Cancel account creation'.

6

Select an option to secure your account and click **Continue**.

Login.gov requires the completion of a user verification process to ensure the proper person is using those credentials. Follow the instructions for the method you select.

The screenshot shows the 'STEP 3 OF 4' screen titled 'First authentication method setup (1 of 2)'. A text box explains that a second layer of security is added and that only one authentication method can be used. Below this, the text 'Select an option to secure your account:' is followed by five radio button options: 'Phone' (selected), 'Authentication application', 'Security key', 'Government employees', and 'I don't have any of the above'. Each option includes a brief description of the method. A blue 'Continue' button is at the bottom of the main content area. At the very bottom of the page, there is a link to 'Cancel account creation'.

7

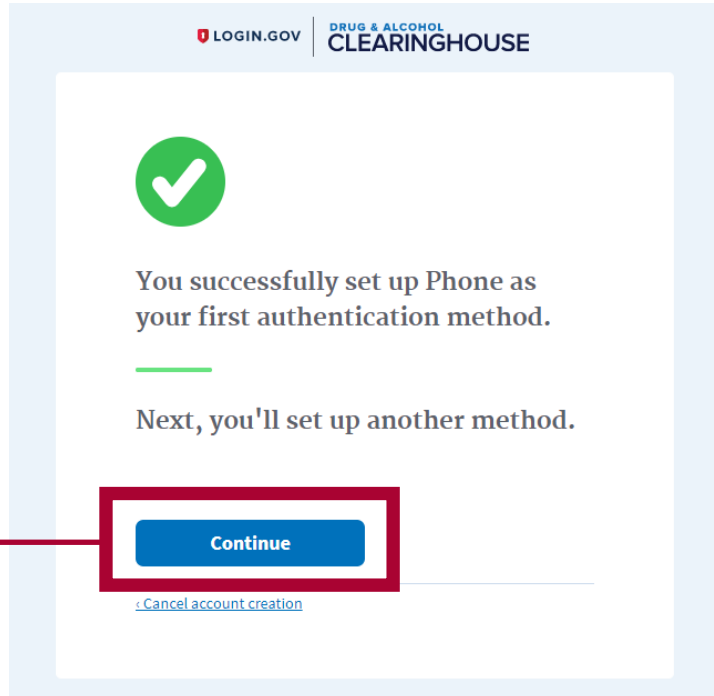

Enter your security code and click **Submit**. This code will be provided via the method you selected. The screenshot below illustrates the SMS phone method.

The screenshot shows the 'STEP 3 OF 4' registration process. The header includes the 'LOGIN.GOV' logo and the 'DRUG & ALCOHOL CLEARINGHOUSE' title. The main heading is 'Enter your security code'. Below this, it states: 'We sent a security code to +1 123-456-7890 This code will expire in 10 minutes.' A red box highlights the 'One-time security code' input field and the 'Submit' button. Below the input field is a 'Get another code' button with a refresh icon. To the right is a 'Remember this browser' checkbox. At the bottom, there are two links: 'Entered the wrong phone number? [Use another phone number](#)' and '< [Choose another option](#)'.

8

Once you have completed setting up your first authentication method, you will be prompted to set up a second authentication method. You'll only use one authentication method to sign in, but you will need to set up two methods in case you lose access to one. **Repeat steps 6 and 7 to set up your second method.**

9

You have created your login.gov account. Click **Continue** to return to the Clearinghouse website and complete your Clearinghouse registration.

Register for the Clearinghouse

Once you have a login.gov account, you can complete your registration in the Clearinghouse. Follow the steps below.

10

Select your role (**driver**), and click **Next**.

If you are a self-employed CDL driver, do not register as a driver. You will need to register as an employer and, when prompted, identify yourself as an owner-operator (that is, an employer who employs himself or herself as a CDL driver, typically a single-driver operation). [View the registration instructions for employers](#)

If you are unsure if you are covered by the Clearinghouse rule, see the box labeled “Are you covered by DOT Drug and Alcohol Testing Regulations?” and click **Find out**.

The screenshot shows the FMCSA Clearinghouse registration interface. At the top, there's a navigation bar with 'Register' and 'Login' buttons. Below that, a progress indicator shows five steps: 1. LOGIN.GOV, 2. ROLE SELECTION, 3. CONTACT INFORMATION, 4. CDL, and 5. TERMS & CONDITIONS. Step 2 is currently active. Under '2. Select Your Role', there are five options: Employer, Driver, Consortium/Third-Party Administrator (C/TPA), Medical Review Officer (MRO), and Substance Abuse Professional (SAP). The 'Driver' option is highlighted with a red box. Below the options, there's a section 'To complete your Clearinghouse registration you will need:' with a checked box for 'Your commercial driver's license (CDL) information'. On the right, there's a warning box titled 'Are you a self-employed driver?' with instructions and a 'Find out' link. At the bottom, there are 'Next' and 'Cancel' buttons, with 'Next' highlighted by a red box.

11

Enter your contact information and click **Next**. All fields are required unless otherwise noted. Your email address will be pre-filled with your login.gov username and cannot be modified.
