

Countdown to Kindergarten!

For children who turn 5 years old on or before February 1, 2025

1 Gather the documents you need to register.

- Proof of residency
- Proof of name and birth
- Parent Identification
- Immunization records
- PA state-required Physical Exam
- Dental Screening

3 Stay in touch with your child's future school!

Schools will host open houses and tours for families over the summer. *If your contact information changes at any time—it's okay. Just update us!*

5 Countdown to Kindergarten!

2 Create an account in our online registration portal.

Using our Student Information System, fill out the online forms and upload your required documents. Visit your neighborhood school if you need help.

4 Make sure your child is ready for Kindergarten!

Families can help ease the transition to Kindergarten by:

- Making sure children can tell an adult their name and names of family members (no nicknames)
- Using the restroom independently
- Understanding how they are getting to and from school each day (bus, walker, daycare, etc.)
- Read and practice numbers with your child
- Setting a routine before the first day of school, including an early bedtime!

The first day of school is Monday, August 26, 2024!
