<b>Sebastian Osis</b>	<b>Adley Czaplinski</b>	<b>Khloe Cruz</b>
Sebastian comes to school every day with a huge smile on his face. When he is in class and asked to complete an assignment, he does it without any hesitation, with a very positive attitude and with a smile on his face. He NEVER gives up. When asked to complete an assignment he often responds with "of course I can!". Sebastian also positively impacts his peers. He is kind and inclusive to all his classmates. He is easy going and makes other students smile.	I am nominating Adley for positivity because her kindness and positivity lights up a room when she walks in! Adley is new to our school and Gibby is so lucky to have her. She has an amazing spirit, is a hard worker, a kind friend, and always looking on the bright side. It's hard to have a bad day with Adley around! Her zest for life is contagious :)	Khloe always comes to class with a positive attitude and a smile!
