Create Account

For **New Users** - with your Android or Apple device, choose **CREATE ACCOUNT**.

The screenshot shows the LunchTime login interface on an Android device. At the top is the LunchTime logo with the tagline 'CAFETERIA DATA MANAGEMENT' and a drawing of a lunchbox. Below the logo, it says 'Already have an account? Login below.' There are two input fields: 'Email Address' and 'Password'. A 'Remember Me?' toggle switch is turned on (green). Below the toggle are three buttons: a purple 'LOGIN' button, a green 'CREATE ACCOUNT' button, and a black 'RESET PASSWORD' button. At the bottom, it says 'Version: 2.0000.0007' and there is an Android navigation bar with three icons.

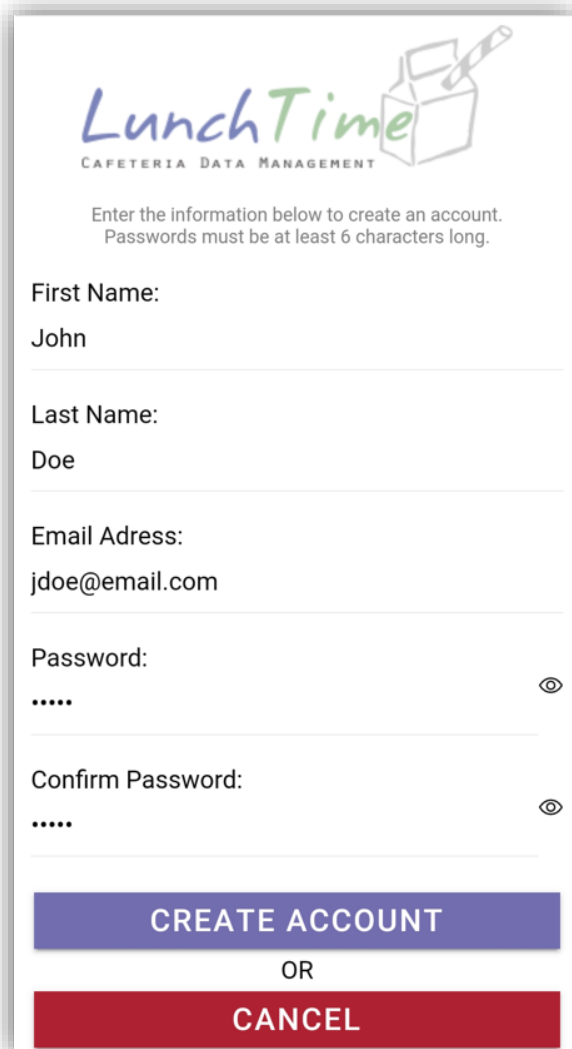

The screenshot shows the LunchTime login interface on an Apple device. It has the same layout as the Android version, with the LunchTime logo, login link, input fields, toggle switch, and buttons. However, the bottom of the screen shows 'Sent from my iPhone' instead of an Android navigation bar.

You can save your login credentials by enabling the Remember Me? Toggle. (Green indicates that it has been enabled)

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

All fields are required. Tap **CREATE ACCOUNT** once all information has been entered.

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

You will be prompted to verify your email address that is associated with this account.

Click the **Verify Email** button in the bottom right corner of the screen. This step is required.

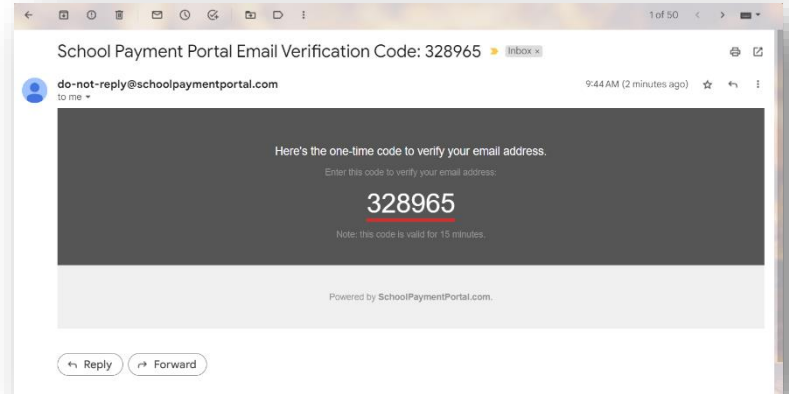

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

You'll receive an email with a one-time six-digit code that you'll need to enter in the Emailed Code:

For smaller screens, you will want to scroll down until you see the word Code, tap on the word and enter the code you were emailed.

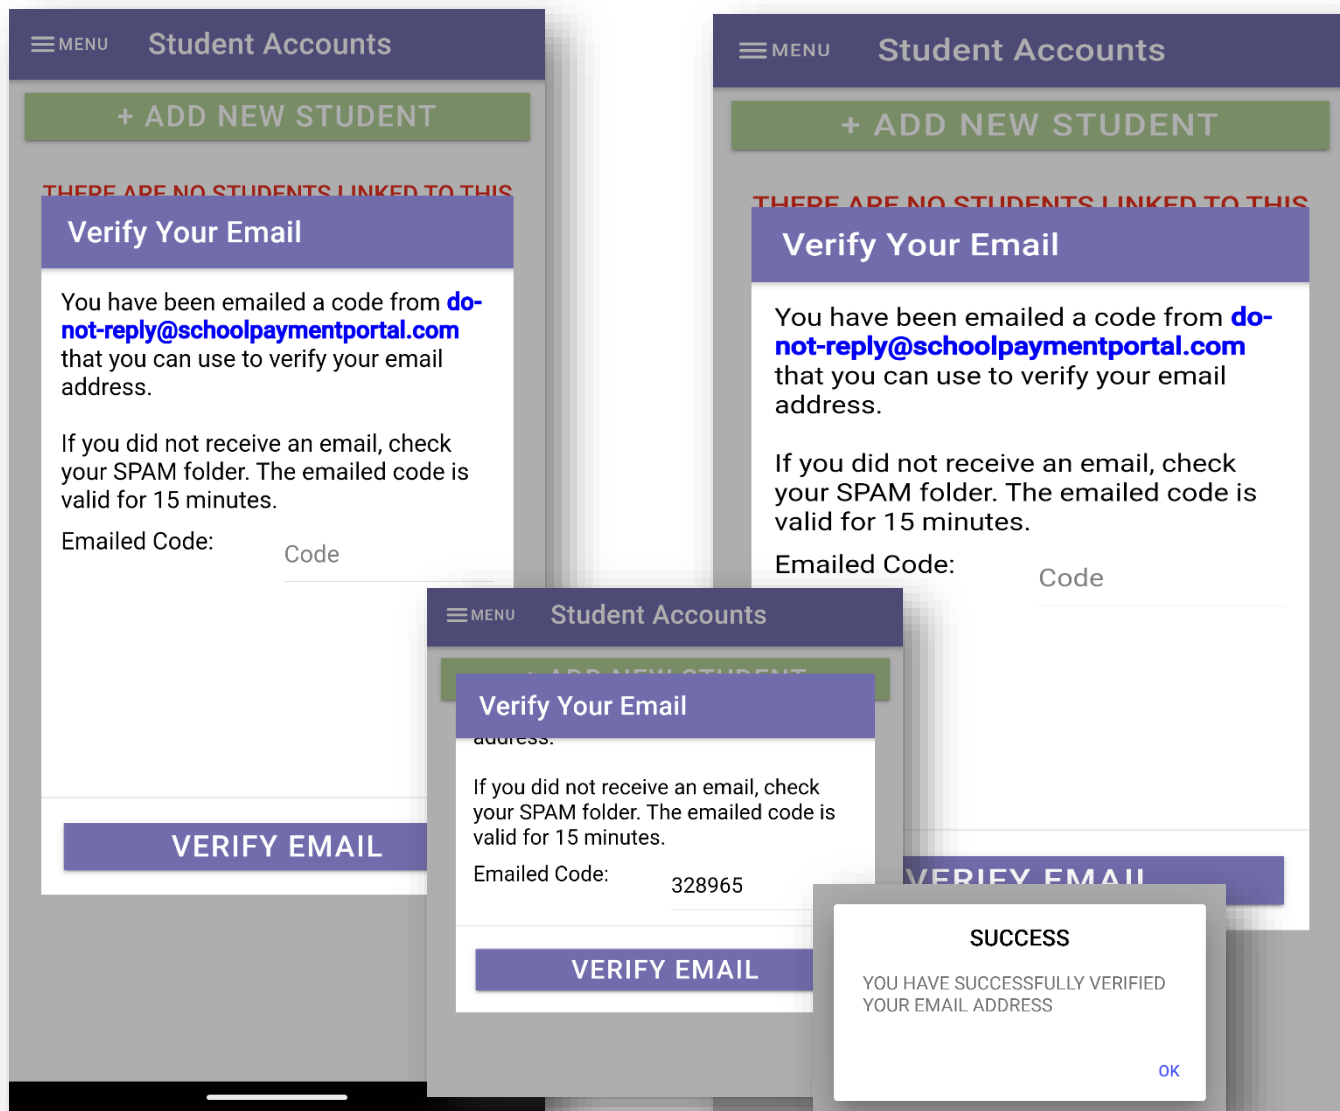

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Once the code has been entered, click **Verify Email**.

Click **OK** on the successfully verified dialogue box.

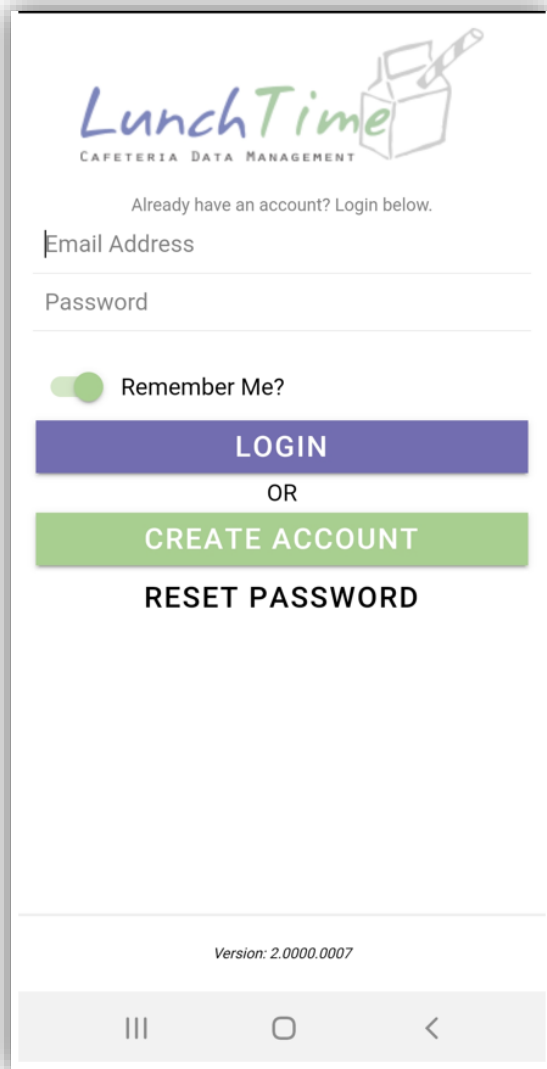

NOTE: This document contains side-by-side screenshots.

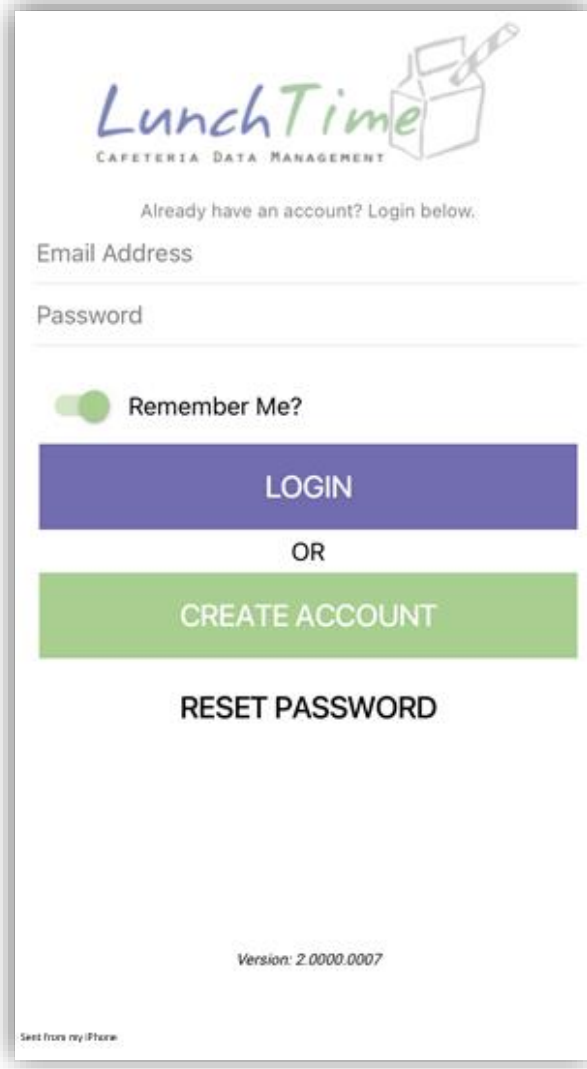

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Logging in to account

To login to an existing account or a newly created account, tap **LOGIN**

The screenshot shows the LunchTime login interface on an Android device. At the top is the LunchTime logo with the tagline 'CAFETERIA DATA MANAGEMENT' and an illustration of a lunchbox. Below the logo, the text 'Already have an account? Login below.' is displayed. There are two input fields: 'Email Address' and 'Password'. A 'Remember Me?' toggle switch is turned on. Below the inputs are three buttons: a purple 'LOGIN' button, a green 'CREATE ACCOUNT' button, and a black 'RESET PASSWORD' button. At the bottom, the version number 'Version: 2.0000.0007' is shown. The Android navigation bar is visible at the very bottom.

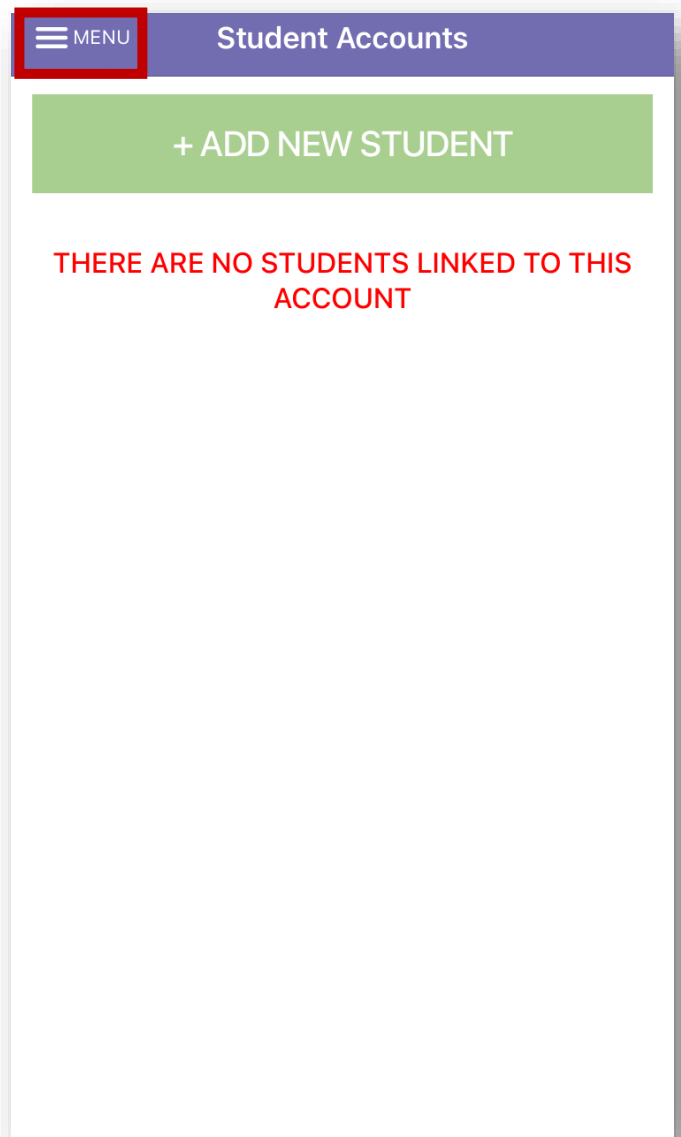

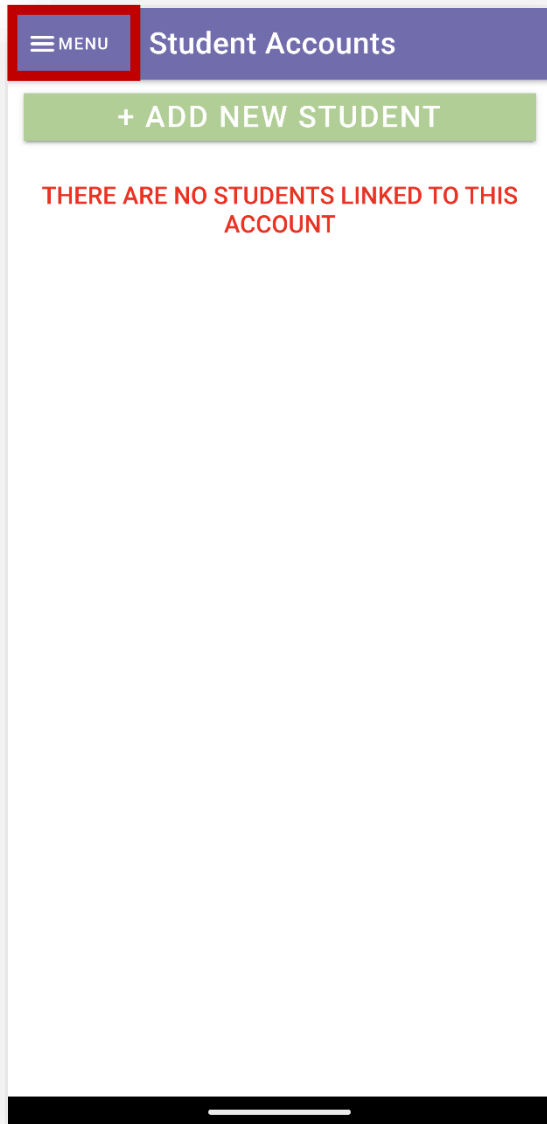

The screenshot shows the LunchTime login interface on an Apple device. It features the same LunchTime logo and 'CAFETERIA DATA MANAGEMENT' tagline. The text 'Already have an account? Login below.' is present. The 'Email Address' and 'Password' input fields, the 'Remember Me?' toggle switch, and the 'LOGIN', 'CREATE ACCOUNT', and 'RESET PASSWORD' buttons are all present and styled identically to the Android version. The version number 'Version: 2.0000.0007' is at the bottom. The status bar at the top indicates 'Sent from my iPhone'.

NOTE: This document contains side-by-side screenshots.

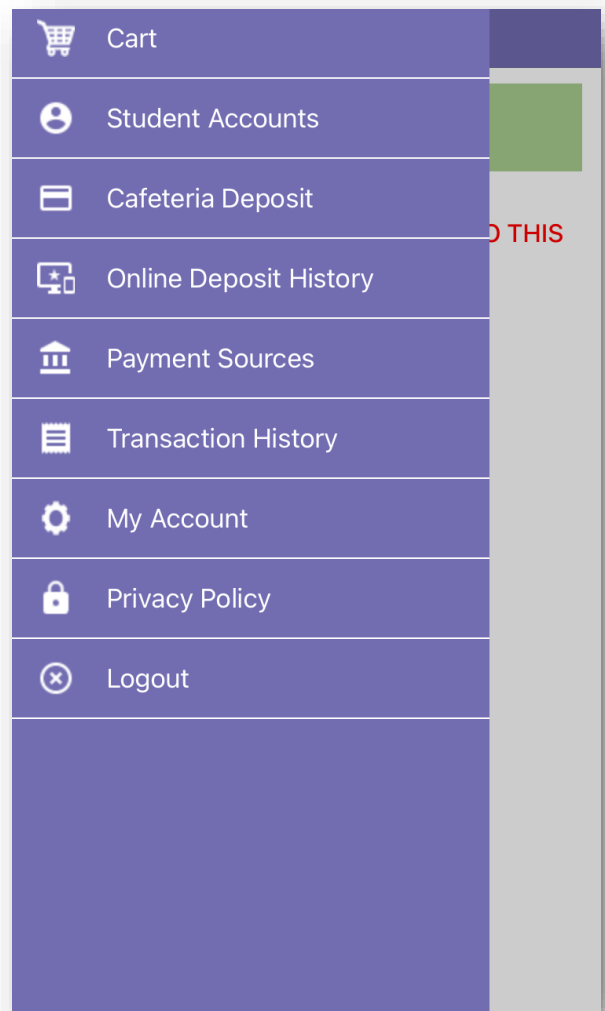

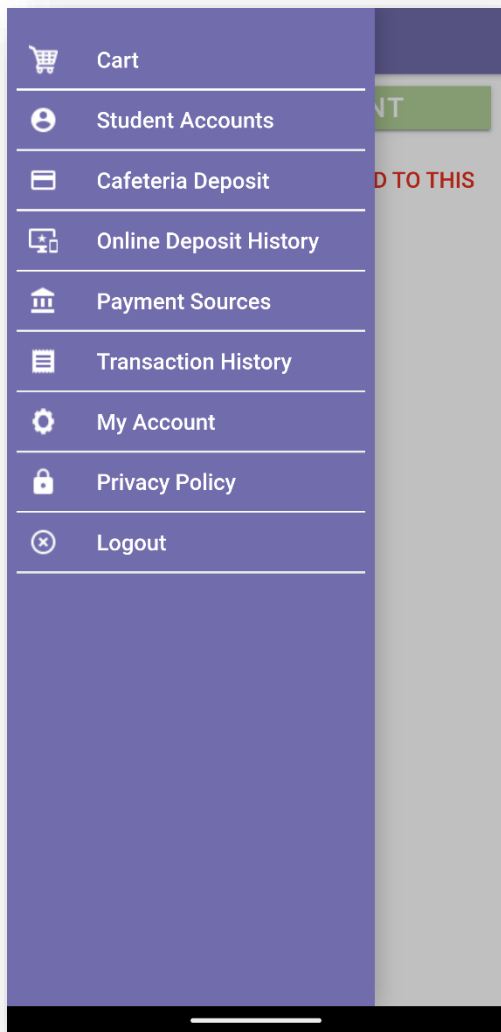

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Main Menu

To access the Main Menu, tap on **Menu** in the top right corner of the screen.

The Main Menu displays all functions of the app

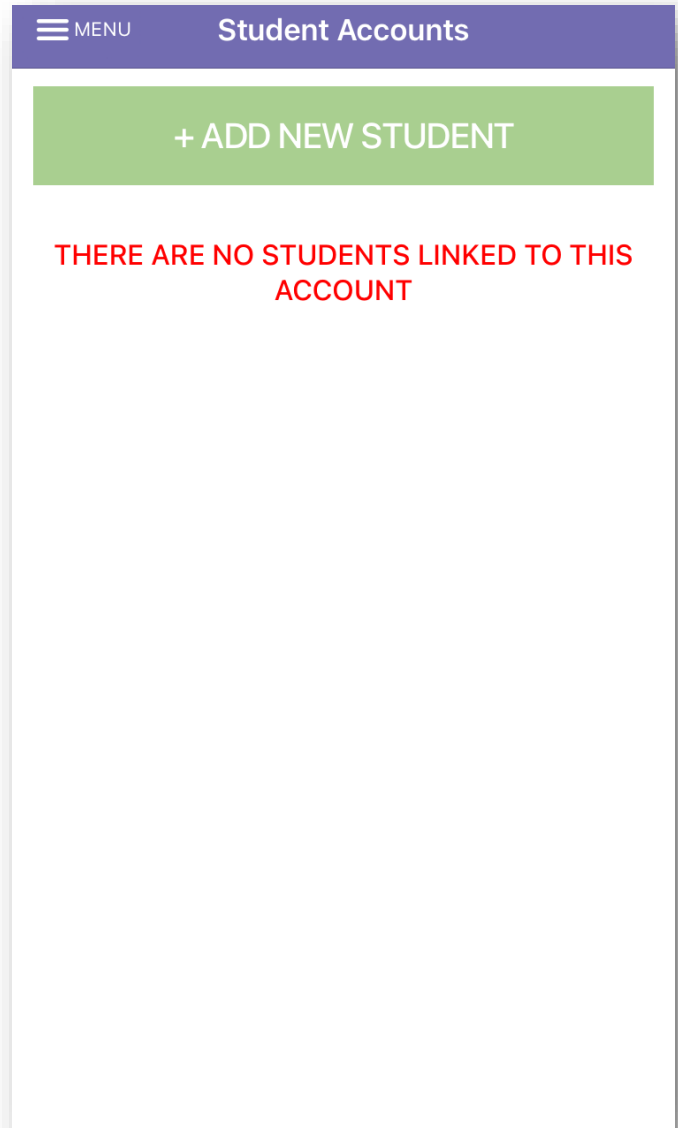

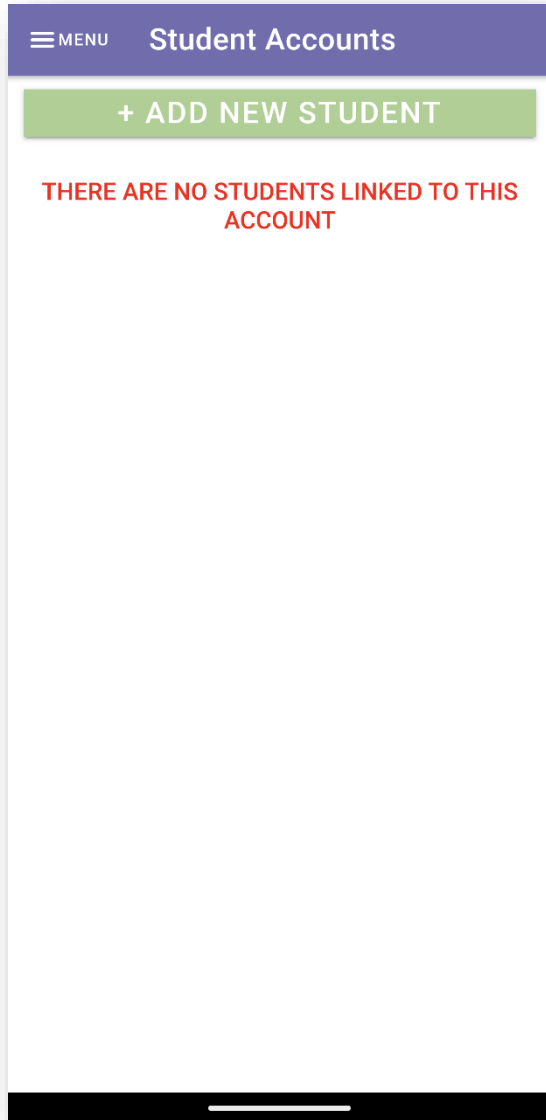

NOTE: This document contains side-by-side screenshots.

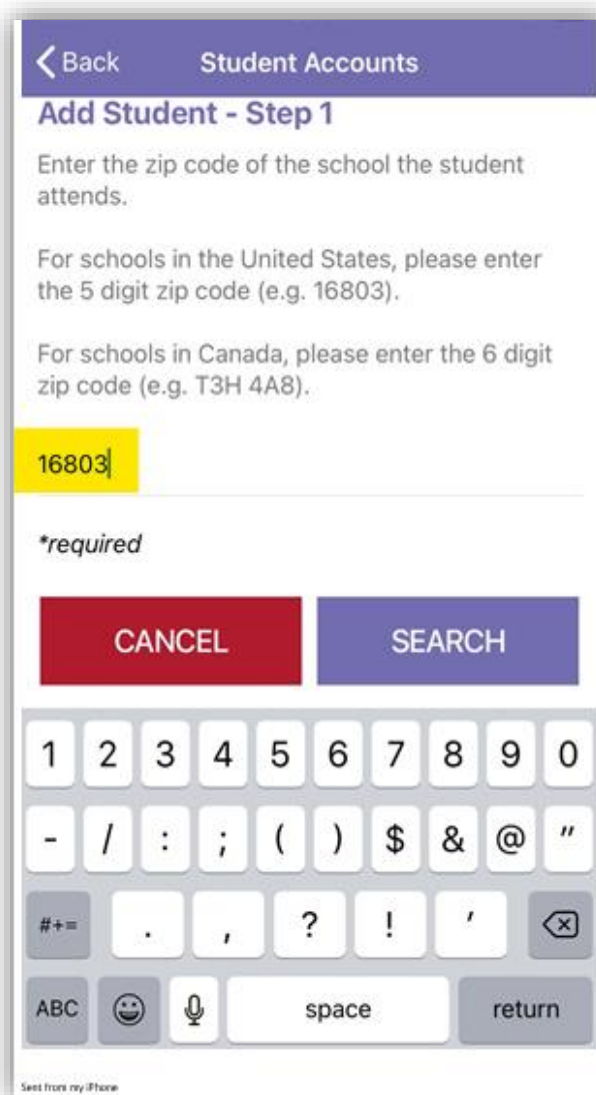

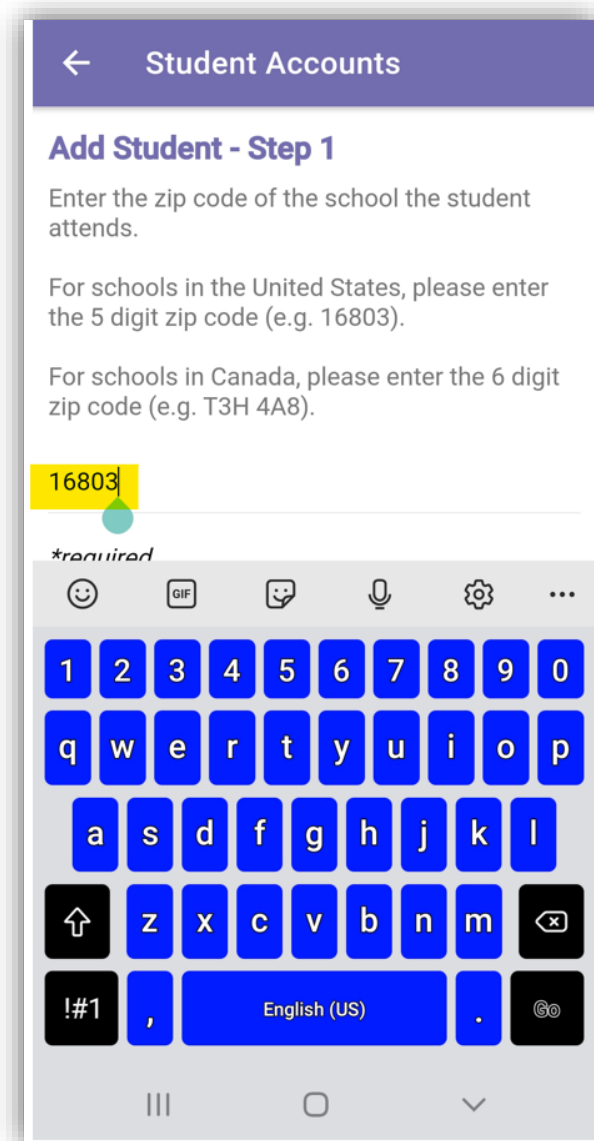

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Adding Students to Account

From the Student Accounts page, tap **+ADD NEW STUDENT**

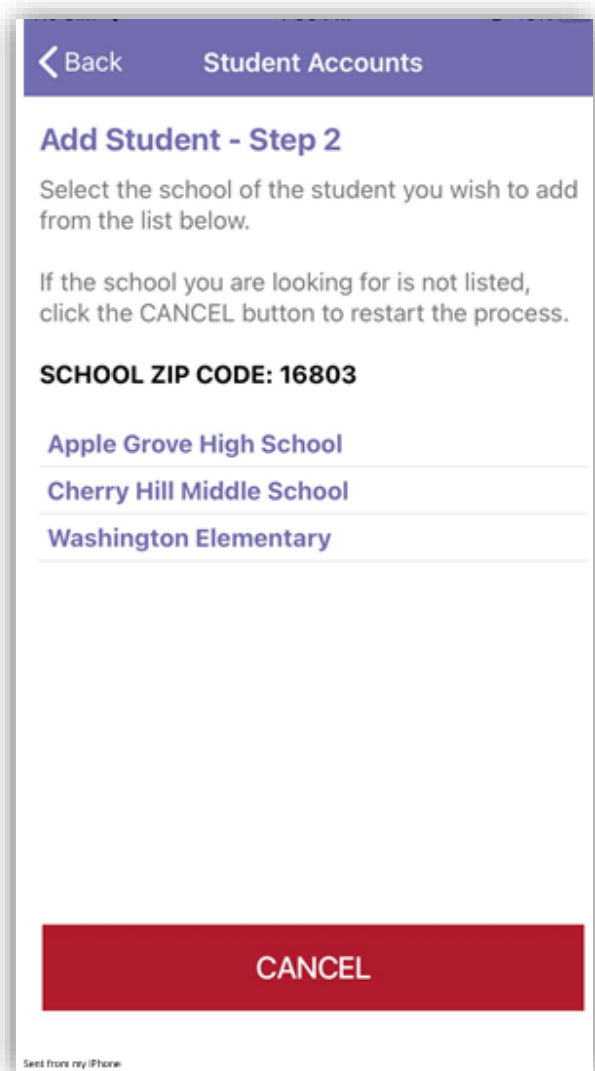

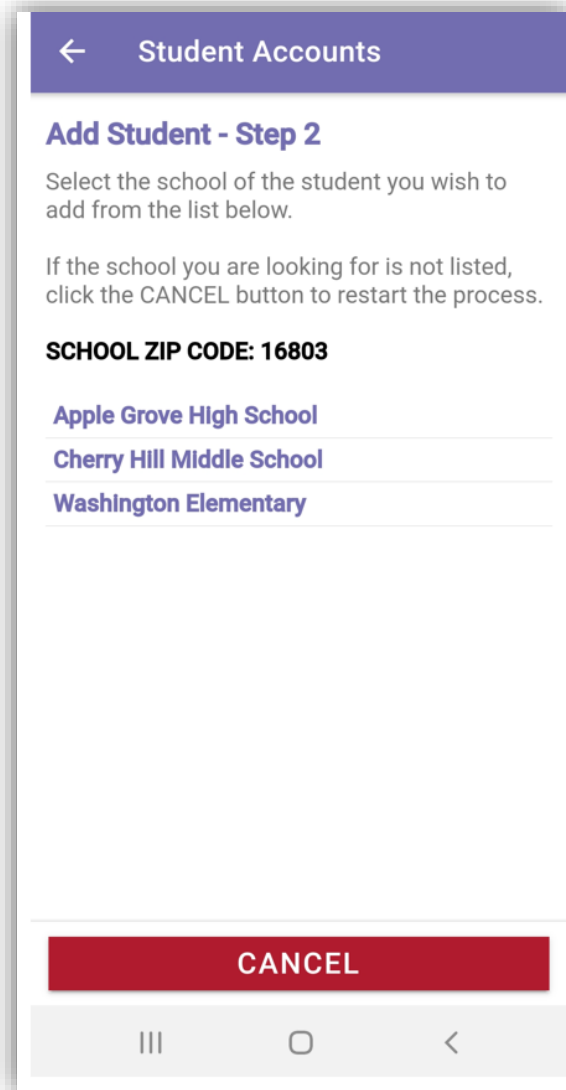

Step 1 - Enter the zip code of the **school** the student attends.

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Step 2 – Select the school of the student you wish to add by tapping on it from the list below.

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Step 3 - Enter the required information for the student you wish to add to your account.
Contact the School the student attends for the required information.

← Student Accounts

Step 4 – Use the **SELECT** button to add the student to your account.

You have successfully added a student to your account. Tap **OK**.

To add additional students to your account, follow Steps 1 through 4 (pages 9-13 of this document).

Student Accounts

This is the **Home** screen. Wherever you see the **Home** icon in the upper right corner, this is the page that you'll be directed to.

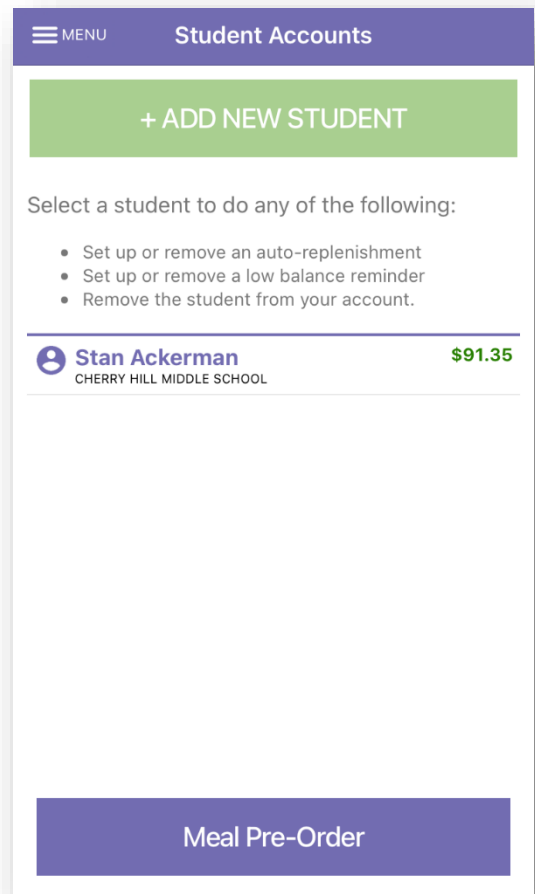

Selecting Student Accounts from the Main Menu directs you to the Student Accounts page. The options available here are:

Adding New Students – Used for adding new students to the account (refer to Steps 1-4 on pages 9-14 of this document)

Setting Auto-Replenishments – Set up, remove or edit an auto-replenishment. To use this feature, you must first save a payment source.

Setting Reminders – Set up, remove or edit a low balance reminder

Removing Students - Remove Student(s) from the account

Removing Student(s) – From the Student Accounts page, tap the Student’s name.
Choose **YES** to Continue or **NO** to Cancel this action.

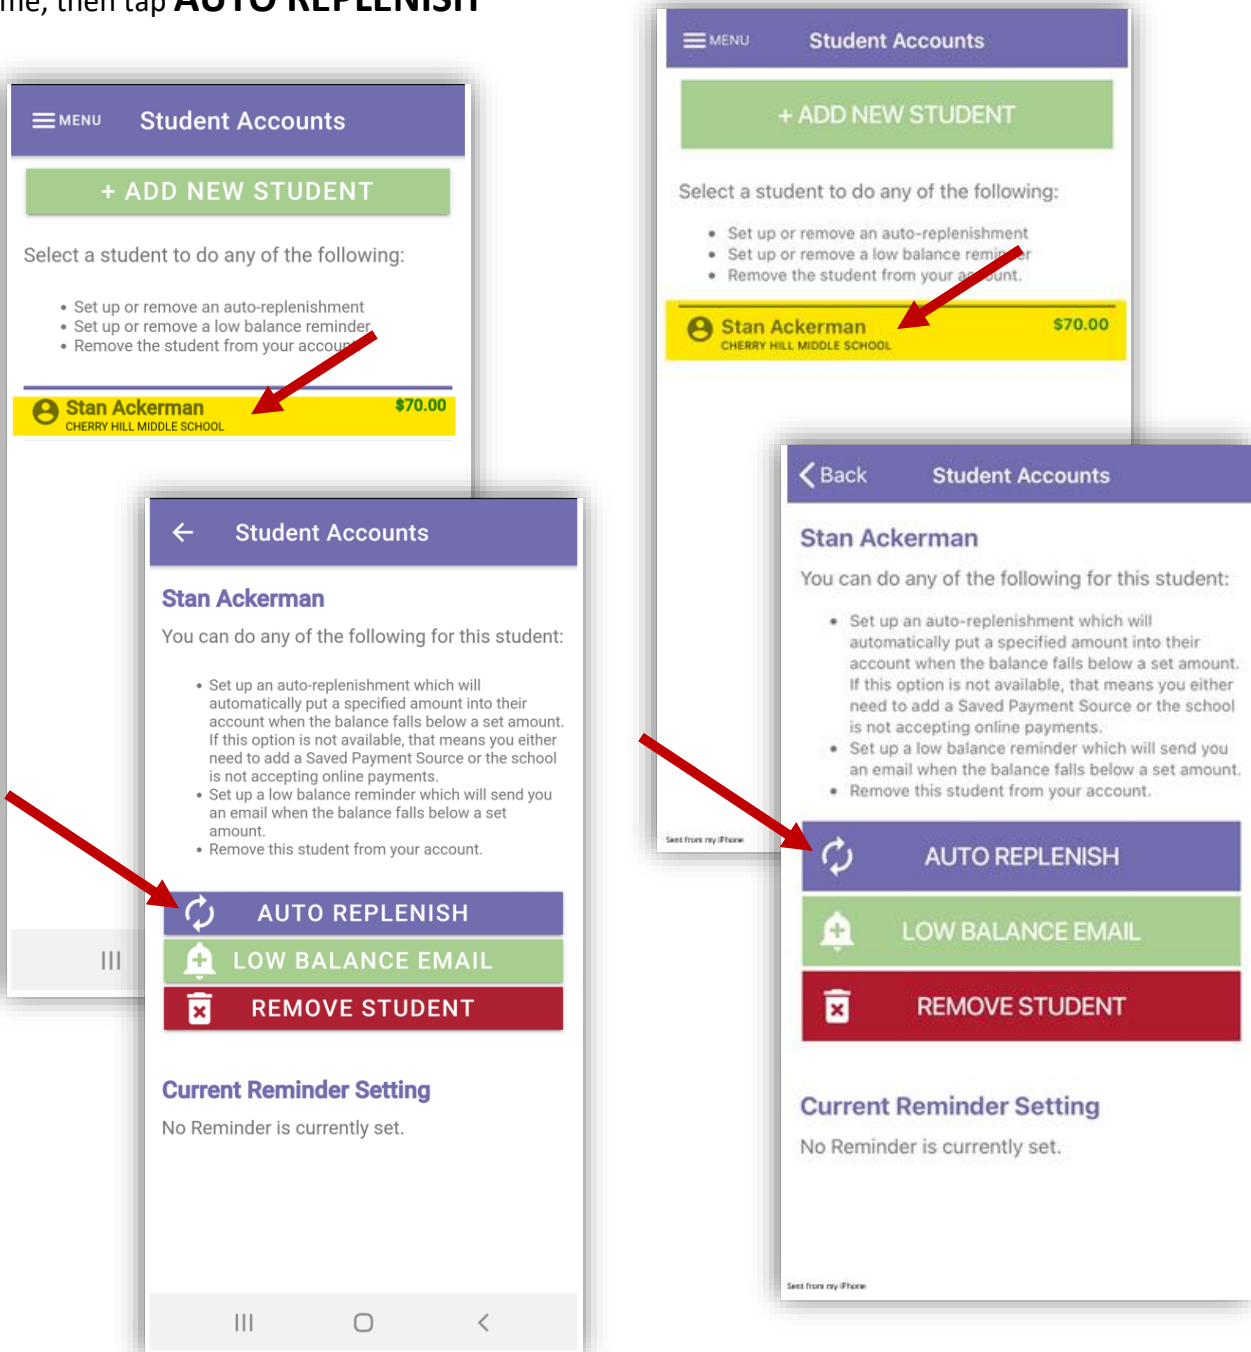

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Setting Reminders

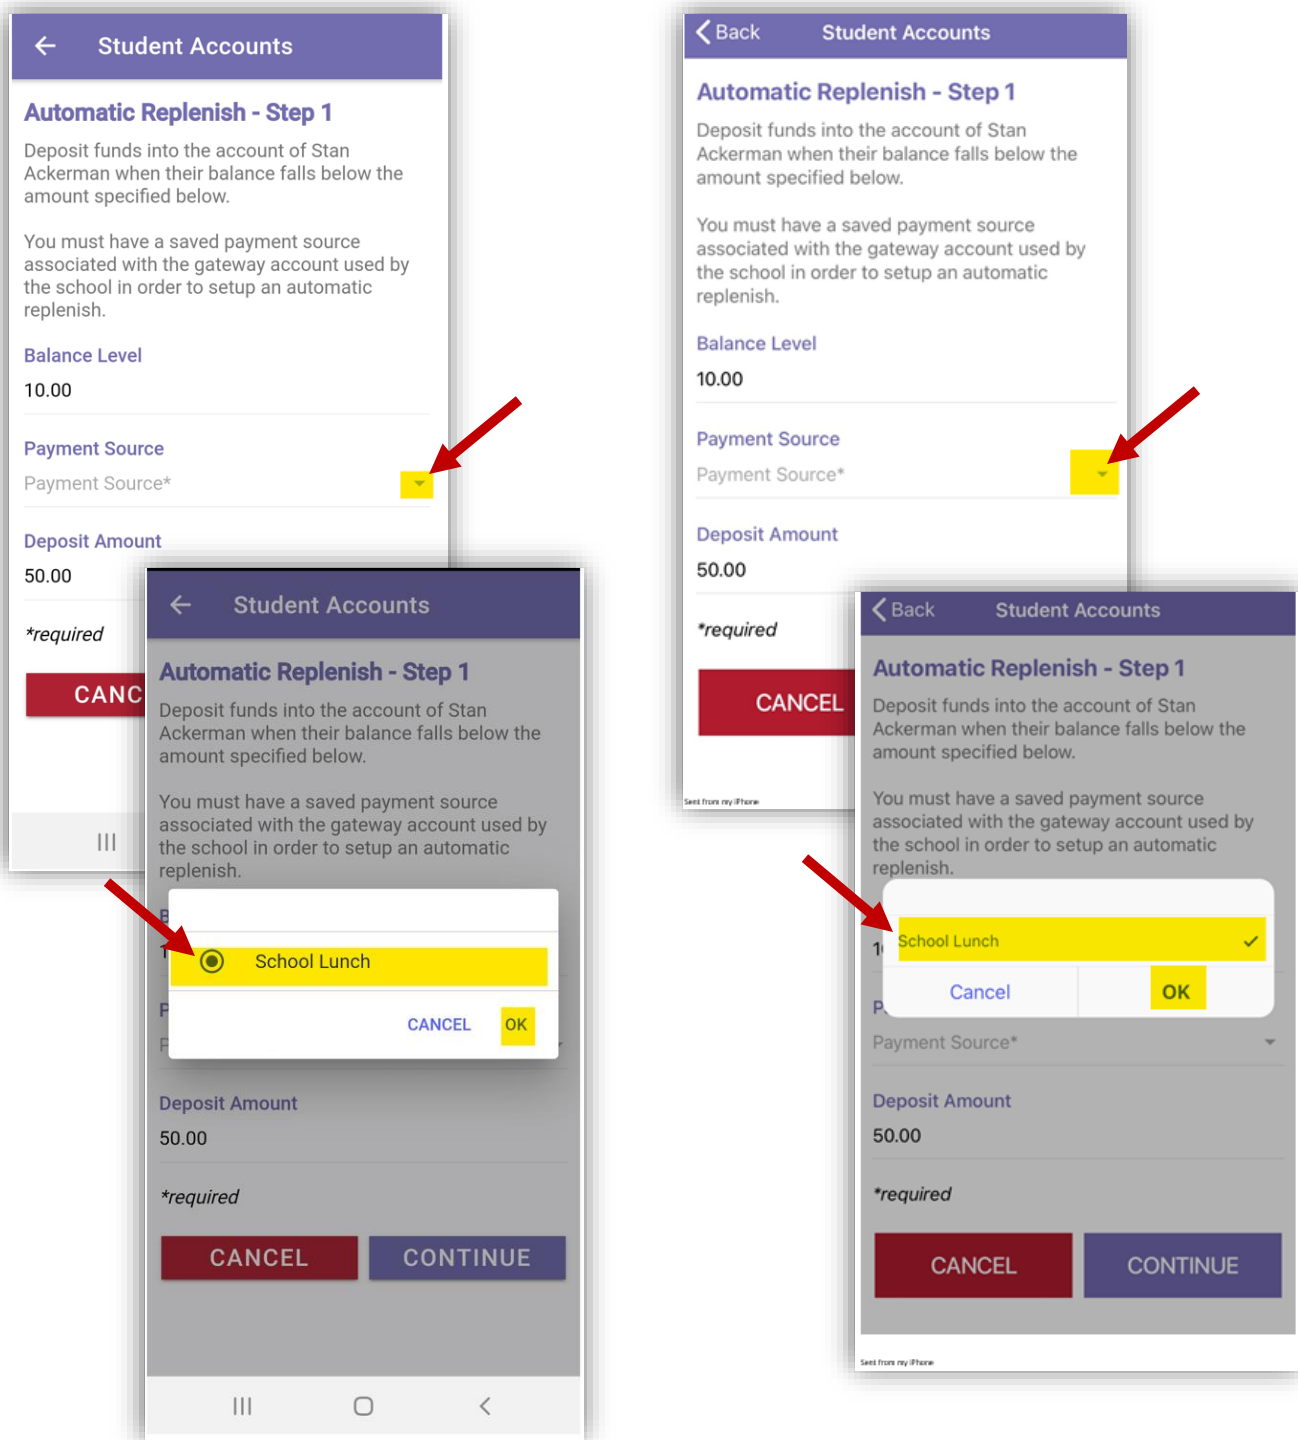

AUTO REPLENISH – **YOU MUST FIRST SETUP A SAVED PAYMENT SOURCE TO USE AUTO REPLENISH.** (See Payment Sources Section) From the Student Accounts page, tap the Student name, then tap **AUTO REPLENISH**

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Step 1 – Set the amount of funds to deposit into the student account when their balance calls below the amount specified. *You must have a saved payment source associated with the gateway account used by the school in order to set up an automatic replenish.*

NOTE: This document contains side-by-side screenshots.

Android device images are on the left, Apple device images are on the right, unless noted otherwise.

Step 2 - Verify the information and tap **COMPLETE** to add this automatic replenish.

← Student Accounts

Automatic Replenish - Step 2

Please verify the information below and click COMPLETE to add this automatic replenish to your account.

Patron Name:	Stan Ackerman
Balance Level:	\$10.00
Payment Source:	School Lunch
Deposit Amount:	\$50.00
Service Fee:	\$2.15
Total:	\$52.15

☒ I confirm that I wish to have a total of \$52.15 automatically charged to my credit card and put into the cafeteria account of Stan Ackerman each time their account reaches or falls below \$10.00. \$50.00 will be added into the cafeteria account of Stan Ackerman and a \$2.15 service fee will be applied each time this recurring transaction is executed. I understand that this transaction will continue to run until I cancel it via the website/app.

CANCEL **COMPLETE**
