

Senior Personalized Painting Parking Spot

Come have fun with your friends and show your Sachse spirit and class pride by painting on your own personal cement canvas! Our Class of 2025 Senior Parking Spot painting will be held **on Saturday, August 3rd from 7am-1pm**. The proceeds from this project will go to the Senior Class of 2025.

- First, make sure you have completed the [SHS Senior Painting Permit Form linked here](#) or on the [SHS Website](#). You **must** use your GISD email to log in or you will not have access to the form. Please submit via the Google form a picture and/or sketch of your design using the form below for early approval.
- Next, fill out your vehicle registration form and reserve your spot on July 25th 8:00a - 10:00a. Only rows A-E will be able to have painted spots.
- Bring your signed **Senior Parking Space Design Approval** form and a picture or your sketched design with you to purchase your parking spot on July 25 for final approval and payment. Sketches must be approved by the school before painting can begin. There is a \$30 fee IN ADDITION to the parking spot fee that will be paid in order to paint your space. This \$30 fee must be CASH OR CHECK only (no credit cards or electronic payments are accepted). This is a fundraiser for the Class of 2025.

Guidelines for your sketch:

Think of your parking spot as a t-shirt that you want to wear to school. Your spot must be in dress code - so no references to drugs, alcohol, smoking, gangs, etc. Keep it classy! You can use your name, include your jersey number, the instrument you play, or favorite hobbies. Your spot should be fun and reflect who you are. You must also account for the parking space number. **THIS CAN NOT BE PAINTED OVER or REMOVED BY YOU.** If you choose to pressure wash your spot prior to painting, you must leave the parking spot lines and the number. This must also be done prior to August 3rd. **DEADLINE TO PRESSURE WASH YOUR SPOT IS AUGUST 02.** If you pressure wash after this date, you **WILL LOSE YOUR SPOT PRIVILEGES!**

Paint Requirements:

- Paint must be latex "liquid" paint, no aerosol cans, etc.
- Must only use the three Sachse colors (Sachse Navy, Sachse White, and Sachse Orange) in any combination. Acceptable colors are at Rowlett Home Depot. They are a Glidden brand. You must go to the counter and ask for Sachse Navy, Sachse White, and/or Sachse Orange.
 - No mixing of the three colors to produce new shades will be permitted, but you may use all three Sachse colors in your design. If you use other colors or combinations, you will have to repaint your spot.
- A base coat of white (can be from anywhere and cheap) is recommended before you start. (The product Kilz will lift and pop your designs off over time.)

What to bring on paint day:

- Proof of parking permit purchase from Sachse High School

- Your sketch that was already approved
- Paint and paintbrushes or rollers
- Masking tape or painter's tape to tape off the lines around your spot and the parking space number before you start painting
- Broom to sweep off parking space and clean-up supplies
- No air or airless paint sprayers permitted

No Refunds after you have painted your spot. If you paint something inappropriate on your spot, it will be painted over and you will not receive a refund.

Painting Day and time - Saturday, August 03 from 7am-1pm

Remember to account for drying time

Senior Parking Space Design Approval

Student Name _____

ID# _____

Use the space below to sketch your design for approval. Reminder, inappropriate designs will be painted over and refunds will NOT be issued. Remember you must use only Sachse approved colors.

Sketch here and upload to the Senior Painting Permit form

*All decisions concerning parking spaces and painting will be at the discretion of SHS administration.
