Connections	1 pkg	colored pencils
Science	1 pkg	loose leaf lined paper
Math	1	1 in. binder JUST for math class, with at least 3 dividers
	1	Math 8: The TI-30XS MultiView scientific calculator is the calculator we will use in Math 8 Math 1 & Math 2: TI-84 Plus (or TI-84 Plus CE) - I would like each student to learn to use this graphing calculator this year. They will be able to use this calculator for the rest of high school. It is fairly expensive, and if it is cost prohibitive please contact me and I will try to have a low/no cost option for this year. I have seen them at Gadget Ease (used technology store) for a reasonable price but not always in stock. The CE is the color edition, and graphs in color.
