VINEWOOD ELEMENTARY SCHOOL VISION

Vinewood strives to create a safe and supportive, student centered environment for life-long learners, through rigorous and relevant academic focus. In partnership with parents and our community, we empower students to be socially responsible and productive citizens.

SCHOOL OFFICE HOURS:

Monday- Friday 7:45 a.m. – 3:30 p.m.

ARRIVAL/ DEPARTURE:

Students are allowed on campus at 7:45 a.m., unless they are attending a supervised enrichment program before school. All students and parents are to wait by the front entrance or the west side gate. Dismissal is at 2:25 p.m. Parents/guardians picking up may wait outside the front or west side gate until the bell rings to meet your child(ren). Students are expected to leave campus immediately after dismissal, except for appointments with teachers or participation in an afterschool activity.

INSTRUCTIONAL TIME

After the bell rings at 8:15 a.m., parents are required to sign-in the office before volunteering in the classroom. If they have material, food, or other personal items for their students, parents are to leave it in the office and the teacher will be contacted by the office staff.

EMERGENCY INFORMATION:

At the beginning of each school year, parents and guardians must update information on Aeries Parent Portal (online). Your contact information will be used to contact parents/guardians in case of illness, accident or other emergency. It provides the school with vital information for the safety and protection of each student. Also, it provides valuable information about health concerns your child may have. Please complete in full. The parent/guardian must provide their home phone number, parents' work phone number and at least one name of a friend or relative who can take responsibility for signing the student out of school in case of an emergency. Only individuals whose names appear on the emergency contact list may check a student out from school. Don't forget to notify the office when there is a change in phone numbers or address. To change an address, proof of new residence is required.

MEDICATIONS:

We are happy to care for your child if medication is needed at school. However, all medication taken at school **MUST** be prescribed by a licensed health care provider (Physician). A **"Consent for Medication Administration"** form **MUST** be signed by the Physician **AND** a parent/guardian. This includes **ALL** medications including over-the-counter medication **including cough drops**. Medication that is found at school without proper documentation will be confiscated. **"Consent for Medication Administration"** forms can be picked up at the Front Office. The signed form is good for one (1) school year.

IMMUNIZATION REQUIREMENTS

LUSD maintains a "No Shots/No School" policy. **Students not up-to-date with all immunizations as required by California Immunization Law AB-381 will not be enrolled or allowed to attend school.**

INJURIES AND ACCIDENTS

Injuries and accidents should be reported immediately to the staff member on duty. All accidents will be recorded on an accident report form and a copy will be forwarded to the District Office. If a pupil is seriously injured, school personnel will attempt to telephone parents/guardians or family member listed on the student's emergency card. For a minor injury, first-aid will be given.

ATTENDANCE:

State law requires every child between the ages of six and eighteen years of age to attend school when it is in session. Research has shown that a student's success in school is directly related to attendance. Please schedule students' medical, dental, or other appointments before or after school whenever possible. Families will receive a letter from our Child Welfare Attendance Department if you have 3 unexcused absences.

Tardies- A Tardy is defined as not being seated in the classroom and ready to work at the designated time. Students arriving after the bell rings at 8:15 a.m., must report to the office for a tardy slip. A pupil tardy in excess of thirty minutes or more, for more than three days per year without valid permission, is truant and shall be reported to the Attendance Advisor.

Officially Excused Absences-

- ***Illness***
- ***Funeral for immediate family member***
- ***Medical/Dental/Eye Appointments***
- ***Directed quarantine by health officer***

Class work/homework may be made up for excused absences. **A parent must verify an absence by phoning the school office each day of the absence (phone 331-7445).** All absences must be cleared within 10 days of the date of absence. After the 14th absence, a doctor's note is required for each absence thereafter. If calling is a problem, the student must bring an absence note signed by the parent to the office when returning to school.

VISITORS & VOLUNTEERS:

You must be fingerprinted at our district office and have a clearance of your fingerprints before volunteering. Please report to the classroom once you've signed in.

Only students, staff, and individuals with authorization from office staff will be on campus. Only vital adult visitors/volunteers are welcome to visit the school, but they must report to the office first to sign in.

Textbooks are issued free of charge to all students. Students will be required to pay for all lost books or books that are damaged and not returned in good condition; however, if a lost book that has been paid for is found and returned in good condition, the money will be refunded.

CHROMEBOOKS:

The 1:1 (One to One) Home to School Connection initiative supports student access to digital resources both at school and home via a device checkout program. kindergarten – 6th grade at all school sites will be checking out Chromebooks to students, just as textbooks are check out or issued to students. Chromebooks must be kept in good working condition for students to receive their full benefit. As with any student use of school equipment, parents will be financially responsible for any willful, malicious, or accidental damage to the device. The District offers a Chromebook Care Plan to offset charges for any necessary repairs. However, it does not cover the chargers that are damaged or lost. Plan details can be found at <https://www.lodiusd.net/parents/chromebook-care-plan>.

STUDENT SUPPORT TEAM (SST):

If you or your child's teacher is concerned about his/her progress in school, a Student Support Team (SST) meeting may be in order. This is a meeting to discuss the child's strengths and weaknesses and to share concerns. These concerns could be in the area of academics, health, truancy, or anything else that may stand in the way of the child reaching their full potential. During this meeting, suggestions to help the child are made and implemented. Please get in touch with your child's teacher if you feel your child needs an SST.

BICYCLES/SCOOTERS/SKATEBOARDS:

Bicycles should be city licensed and each bike should be locked in the bike rack located by the west parking lot. All scooters and skateboards are to be placed in our Vinewood rack located by the front entrance of the school. To ensure safety, students must walk their equipment on campus and wear a helmet while riding to and from school. Riding of equipment is NOT PERMITTED on campus at any time. Vinewood is not responsible for any lost or stolen property.

LOST AND FOUND:

Students should mark clothing, books, equipment, etc. with some kind of identification. Each student is responsible for his/her personal property. **Lost and found items will be kept on clothes a rack and inside a bin by the cafeteria.** All unclaimed items will be cleaned out quarterly and donated to charity.

CELL PHONES and SMART WATCHES: Cell phones and smart watches are permitted on campus. However, student use of cell phones, smart watches, and other devices are limited. **Cell phones are not to be used on campus and must be turned off before coming on to campus and placed in their backpack at all times. Smart watches can be kept on but calls and text messages are not to be made without permission.**

Misuse of any rules can result in the loss of cell phone privileges:

First offense – Phone or watch is held by a staff member, student is counseled, and the student will receive their phone back at the end of the school day

Second offense – Phone or watch is held in the office, and a parent/guardian must come to pick it up from the school

Third offense – Phone or watch is held in the office, parent/guardian must come and pick it up from the school, and loss of privileges for the rest of the grading period

Fourth offense – Phone or watch is held in the office, parents have to come and pick it up from the school, and loss of privileges for the rest of the school year

❖ **Smart phones and smart watches can be immediately revoked based on severity of offense.**

USE OF THE OFFICE TELEPHONE:

Students may only use the office phone with the permission of a staff member if absolutely necessary. Arrangements should be made before leaving home for pickup during rainy weather or to stay late for after-school activities. To preserve the integrity of the learning environment, class instruction will **not** be interrupted for routine matters. The office cannot deliver phone messages to students except for a family emergency. This not only disrupts instruction, but the learning environment for all. Please communicate necessary information to your child **before** he/she leaves for school.

PARKING LOT SAFETY REMINDERS:

To maintain student, parent, and staff safety, please adhere to the following reminders:

- Please drive slowly and pay attention to students exiting and entering their cars.
- The area immediately in front of the school is for emergency vehicles and buses only. Personal vehicles are not permitted, even for student drop off. Please do not park your car in the student Drop Off/Pick Up area. Unattended vehicles are subject to towing and/or ticketing.
- Obey the crossing guards. No jaywalking! Cross at crosswalks only.

FIRE, EARTHQUAKE, ACTIVE SHOOTER AND LOCKDOWN DRILLS:

Fire drills are conducted each month. During fire drills, students and staff vacate buildings when the alarm sounds. Students and staff practice exiting buildings swiftly, calmly, and quietly. Building doors will be unlocked for emergency personnel access. Teachers instruct students in safe departure procedures, routes, assembly areas, and protocols for alerting emergency personnel. Students and staff will remain at their safe location until the all-clear announcement has been given.

Lockdown/Active Shooter Drills are practiced on a regular basis. Staff will lock their doors, turn off lights and secure their rooms. Students are expected to remain silent, out of sight and away from windows and doors. All cell phones will be silenced. Should an actual active shooter event occur, all students, staff and administration will remain on lockdown status until notified by emergency personnel that the danger no longer exists.

Earthquake Drills are conducted every other month. The stop, drop, and cover method is utilized to ensure the safety of our students in the event of an earthquake.
