

Permission to Share Free or Reduced Meal Status with other CCSD Student Programs

By completing this form and checking the YES! box, you are allowing your student's free or reduced status to be shared with school programs requiring a fee. The purpose of this form is to allow your information to be shared to qualify for fee waivers or reductions. No income or other information from the application is shared, only the free or reduced status of the child's name you provide on this form. Completing this form will not change whether your children receive free or reduced meals.

*Student fees include: **Band-Instrument rental, Course and Activity fees***

NO! I DO NOT want my determination status from my Free & Reduced Price School Meal Application shared with school programs and/or activities.

YES! I DO want my determination status from my Free & Reduced Price School Meal Application shared with other school programs and /or activities.

If you checked **YES** to the box above, fill out the form below. Your status for the listed students will be shared with other school programs.
