Glen Ridge Board of

Education

1210 BOARD-SUPERINTENDENT RELATIONS

The Board of Education believes that it is the primary duty of the Board to establish policies and the primary duty of the Superintendent to implement and administer those policies.

The Superintendent, as Chief Administrative Officer of the school district, is the primary professional advisor to the Board. Policy should not be adopted or revised without consultation with the Superintendent.

The Superintendent is responsible for the development, supervision, and operation of the school program and facilities and will be given latitude to implement and administer policies in accordance with such standards as may have been set forth in the policies. The Superintendent will discharge his/her responsibility in part through the establishment and promulgation of administrative regulations.

In cases where immediate action must be taken within the school system when the Board has provided no guides for administrative action, the Superintendent shall have the power to act, but his/her decision shall be subject to review by the Board at its next regular meetings.

In such cases, the Superintendent shall report the instance to the Board President immediately, and to the rest of the Board as soon as possible, and the need for policy at the next regular meeting.

In evaluating the effectiveness of Board policy in meeting the goals of the district, the Board will request the Superintendent to make appropriate inquiries, investigations, and reports.
