Eager to expand my knowledge of circuits, electronics, and robotics to gain hands on experience in the field.

## EXPERIENCE

**OCTOBER 2022 – PRESENT**

**ELECTRICAL TEAM**, PITTSFORD ROBOTICS

- Played a major role in the contribution of our team of making 2024's season robot.
- Our 2024 season robot has competed in 3 different regional competitions and won at New York tech valley regional where we got a bid to go to the World Championships in Texas.

**MARCH 2023 – PRESENT**

**SENIOR AIRMAN**, CIVIL AIR PATROL

- Guided new cadets towards their achievement by reaching out to them each week about their promotion status
