("EDECA") and the regulations promulgated thereunder; and

WHEREAS, the MANVILLE BOARD OF EDUCATION is a Participating member of the ACES Cooperative Pricing System and is eligible thereby to obtain electric generation services for its own use through one or more contracts to be awarded to electric power suppliers following said bids for electric generation services pursuant to the aggregation program; and

WHEREAS, the Lead Agency will from time to time during the Effective Period (from date of adoption through May, 2028 hereinafter referred to as "Effective Period") issue one or more Requests for Bids for electric generation services on behalf of the ACES Cooperative Pricing System pursuant to the Public-School Contracts Law and EDECA; and

WHEREAS, due to significant volatility and the potential for price increases in the wholesale electric market, Participating Members will preauthorize the Lead Agency to award contracts for Electric Generation Service in each service territory to one or more electric power suppliers that submit bids which are reasonably forecasted to provide estimated savings to the Participating Member based upon its previous electric usage and utility provided Basic Generation Service rates; and

WHEREAS, the Lead Agency will only award contracts for said electric generation services to electric power suppliers that submit bids with pricing reasonably estimated to be lower than the utility-provided basic generation service; and

WHEREAS, the District agrees to purchase all electric power needed for its own use (exclusive of on-site electric generation sources) during the Effective Period through any electric power supplier(s) awarded a contract, it being understood that the term of any one contract shall be subject to the provisions of Public-School Contracts Law;

FURTHER RESOLVED that ACES is authorized to continue to bid to obtain electric generation services at any time during the Effective Period on behalf of the ACES Cooperative Pricing System including, for example, a rebid if energy market conditions do not initially lead to a successful bid, on additional dates to be determined by the Lead Agency; and

FURTHER RESOLVED that this Resolution shall take effect immediately upon passage. The authorization provided to the NJSBA pursuant to the Local Public Contracts Laws (N.J.S.A. 40A:11-11(5)), and the Local Public- and Public-School Contracts Laws Administrative Code (N.J.A.C. 5:34-7.1 et seq.) shall be valid until May, 2028 (the Effective Period) at which time the Cooperative Pricing System will be subject to renewal.
